My dear Mr. Hoover:

Congratulations on receiving the Gless Award. I enjoyed your TV presentation immensely.

Knowing how you feel about Communism, you may be interested in the enclosed issues of "Common Sense".

Either we Americans are blind, deaf, or dumb -- or all three -- to subscribe to drivel such as appears in "Common Sense", by its own admission (on the masthead) ...

"AMERICA'S NEWSPAPER AGAINST COMMUNISM"

All I could find in its columns is anti-Semitic with deliberate intent to incite and foment racial chaos. A Superintendent of schools receives this publication regularly.

Like myself, he is a 32nd Scottish Rite Mason and a Shriner. And I believe you know that Scottish Rite Masonry, in its publication "The New Age", is constantly alerting its members to the menace of Communism.

So I cannot understand why this educator, referred to above, would show interest in drivel of the type published in "Common Sense".

Americans had better wake up to the dangers of Communism before it becomes enslaved. God forbid that we, who have known freedom so long, should ever permit the yoke of Communism to change our American way of life.

Knowing what a busy individual you are, please do not take time to acknowledge this letter. May we always have a man like you in the FBI to guard America against the insidious inroads Communism is trying to make into our midst.

THE EICHMANN TRIAL

"TO REMAIN SILENT WHEN YOU SHOULD PROTEST MAKES COWARDS OF MEN"

— Abraham Lincoln

JEWS MAKE A DEAL

Germany is so gagged that she cannot speak out and discredit the ridiculous lies being spread all over the world by the scheming group who call themselves Jews. The writer has kept informed on the German situation since World War I, when the Jews of England and the U.S. were telling us the Germans were cutting off women's breasts and children's fingers, and a dozen other silly stories to incite us so we would send our sons over to crush Germany. The Jews made a deal with England to force the U.S. into war against Germany, England to force the Jews into Palestine against the Arabs' wishes. Those who doubt this, write for proof in Common Sense Issue No. 357.

A MONEY MAKER

After World War II, a military commission of five English and U.S. officers reported that not one of the atrocity stories were true. Jewish owned TV and radio in U.S., England, France and Germany have been active in feeding the Eichmann trial propaganda into our homes day and night. Newspapers that are kept alive by page ads placed by Jewish owned department stores must not refuse to repeat pages of this criminal propaganda. Jews are making millions writing books, magazine and newspaper articles, making movie films, etc. on the Eichmann trial.

HATE GERMANS—LOVE THE JEWS

Many more millions are received by TV films inciting hate against Germany and pity for the so-called Jews. From five to ten "Hate Germany" films have been shown each week over TV from New York. All three TV networks in the United States are owned and operated by Jews. (See our Issue No. 328 on Network Broadcasting). There are now seven "Hate Germans" films or plays showing on Broadway in New York City.

EAST GERMANY TO TAKE OVER WEST

Germany has been crushed for 16 years. It never was a threat to World Peace, regardless of what Winston Churchill, FDR and their dupes said. Look where their conniving has brought us. How was the Soviet Union changed from a fourth-class power to a domineering Frankenstein taking over the world? Organized Jewry apparently believes Germany, and not the Soviet Union, is the threat. They want to make sure our attention is off communism, and at the same time degrade the Germans so we will be indifferent to East Germany taking over West Germany. This would give communism a free hand in all Europe—France, Italy and England all falling to communism.

THE EICHMANN CASE—THEIR TOP PRODUCTION

Jews are artists in dramatics, writing plays for TV and the movies that grip the public. So real and frightening, yet they are purely the creation of their imaginative mind.

— KIDNAPPED — ILLEGALLY TRIED —

Adolph Eichmann

Eichmann is being tried by murderers of thousands of Arabs and Christians thru-out the world.

THE BIG LIE

The writer has read a mass of material on this farce including parts of four books by writers who claim to be authorities participating in the kidnapping of Eichmann. In all this material there are so many contradictions that informed persons become disgusted. Several million dollars of TV and newspaper propaganda have given this to the gullible public which is fed up. And many Jews who are not active in this World Hoax actually believe the big lie of six million Jews. Reminds us of a Will Rogers story of a fellow wanting to impress his friends. He continually told about his fine horse until he got to believing he had a horse and bought a saddle for it. It it were not for fear of retaliation by the Jews, legal authorities would denounce the so-called trial as illegal and criminal.

JEWS COMMIT HEINOUS CRIMES

What right has Israel to try a German they kidnapped in South America?

If he committed a crime, it was not in Israel, for Israel was not in existence then. To set up Israel, the Jews surely committed a heinous crime; they killed thousands of Arabs, taking their homes and driving a million men, women and children into the desert where they exist like animals for 13 years kept from starvation by 7¢ a day each, from the U.N. Jews desecrated and blew up Christian churches in Jerusalem.

The Knesset, in which Count Folke Bernadotte's murderers have their seats, on Aug. 1st, 1950, passed a law called: "Law concerning Nazis and Nazi collaborators," which in 17 paragraphs contains the rules establishing Israel's right to condemn to death everybody who has committed "crimes against the Jewish people." No other nation

in the world has made such a law to enable herself to persecute people and to be judge in her own case. This infamous law, on which the actual trial against Eichmann is based, declares to be punishable by death a person guilty of:

- 1 Killing a Jew;
- 2 Causing serious bodily or mental damage to a Jew;
- 3 Bringing Jews under conditions of life which are aimed to produce their physical annihilation;
- 4 Ordering measures aimed to limit births among Jews;
- 5 Bringing Jewish children by force into another national or religious community;
- 6 Instigation to hate Jews.

KOL NIDRE—ALL OATHS: ABSOLVED

The Kangaroo Court in Jerusalem has been going on two months and no proof so far that Eichmann killed one person. The nearest to proof—a witness said he saw Eichmann's chauffeur grab a boy stealing peaches and take him into a tool shed, whereupon Eichmann followed and the boy was brought out dead. Knowing how the Jews flocked into Federal court in New Jersey to swear lies against Christians—to have them deported to Europe to stop them from organizing Anti-Communist groups here—I would not trust them! Read the Kol Nidre prayer which absolves them from all oaths!

When Eichmann's attorney wanted to bring witnesses from Germany, he was told they would be arrested upon arrival in Israel.

CONCENTRATION CAMPS—A MUST

These Marxist Jews are continually, screaming Concentration Camps, and our people are deceived. Why were these Camps necessary in Germany? She was attacked by 22 countries; the world Jews had brought on the war (Common Sense has proved this over and over). These Jews in Germany were sabotaging the government. During World War II, we placed the few Japs in the U.S. in Concentration Camps.

In the Ann Frank book written by promoters, they say she stood naked watching hundreds of women marching four abreast and being thrown into furnaces. This is not charged in the Eichmann trial, because it is all the creation of the Zionist mind. The only crematories in Germany were just like those in the U.S., to take care of people who desired to be cremated. When American bombers, as many as 2100 per day over non-military Dresden were covering the streets with dead, the Cardinal requested that ovens be built for cremation to prevent disease from spreading.

Everybody in Germany, Jew and Christian, suffered during the war, but the Jews are quick to attribute any trouble to "persecution." In the U.S. the situation is the same.

THE EICHMANN TRIAL

Continued from page 1

THOSE "6 MILLION" ALIVE & KICKING

Not one Jew was burned alive in Germany. Jews died in camps as did many Germans of famine and lack of medicine. Jews themselves have to admit there were only 540,000 Jews in pre-war Germany and many left before the war. To account for the six million, they claim they were imported from other countries to be killed in Germany. It is common knowledge the Germans are very efficient. If they were going to kill the Jews, why not kill them where they were found? Why bring millions into Germany to die? Why tie up all the necessary railroad cars and locomotives when they were needed so badly to supply troops fighting all over the European continent? We have a photo of the Auschwitz-Birkenau Concentration Camp which is many blocks long and resembles a small city. Why build all these houses if they are going to kill the inhabitants?

Three times we watched the TV film, "Remember Us," the most hideous concentration of deceit and lies. Pictures from Soviet camps of people obviously not Jews were mixed in with pictures of Germans in uniform marching. These were found after Germany surrendered and used to give support to the phony part of the film. We receive all the leading Jewish and communist publications. Some put the number of killed Jews at six million, some five million, while the film "Remember Us" claims nine million dead. The Red Cross had access to all countries. Why didn't they report this mass murder? Because the Germans were just as humane as any people would be under similar circumstances. During two years of French occupation by the Germans only six rapes were reported. We have that many in a day in N.Y.C. France never had such prosperity before or since. Just before World War II, during the War and after the War 4,800,000 Jews came to the U.S. Truman set aside 12 ships to bring them. To Israel went 1,465,000. Other millions went to England, Scotland, Ireland, Australia, Africa and South America. Main streets in every city in the U.S. have been taken over by the Jews. They are now taking over the administration in Washington, D.C. (See Common Sense Issues No. 361, 362 & 363).

To account for the six million supposedly killed, Jewish publications place their U.S. population at five and one-half million. Honest estimates place it at 10 to 12 million. To cover this biggest lie in history, under FDR, our Immigration Department ceased asking immigrants their religion allowing them to come in as Germans, Poles, etc. Here they class themselves as a religion; in the Soviet Union they are a race.

During the national census every 10 years there was no protest in giving your religion, but in 1960 census, Jewish organizations descended on Washington demanding this be eliminated.

Senator McCarran stated there are 5 million illegal entries in the U.S.

The Garson Brothers corrupted Congressman May, who was in charge of awarding war contracts during the last war; when tried for stealing millions, they said it was anti-Semitism.

Sixteen years after the war, we constantly hear "6 million Jews." How about the many more Christians who died in the war? We have George Sokolsky's voice on tape:

"Many of the Jews supposed to be killed by Germany were killed by Russian communists."

We have living with us 8 years, a Russian captured 20 miles from Moscow, who fought two years with the German Army against communists; he lived 25 years under communism. He tells us Russian women and children killed many Jew secret police who had killed their husbands and fathers. He tells us if communist rule is broken in the

Soviet Union, every Jew will be killed by Russian people who hate them just as they are hated in Poland, Hungary, Rumania, Yugoslavia, etc. That's why millions of these so-called Jews have flocked to the United States.

RED JEWS SLAUGHTER CHRISTIANS

The communists slaughtered from 80 to 40 million not including China; this while Jews were 100% in charge of the Soviet Union. Trotsky (Bronstein), was head of the Red Army which killed the greater part. The secret police in charge of Beria (Jew), were almost all Jews. Ask a Ukrainian. Secret police in Hungary were 70% Jews.

Since 1948, the Jewish hold on the Soviet Union has diminished as the Russian people became aware that communism was being used as a Jewish front to advance Jewish World Control.

Today the German press and commerce are in Jewish hands. Germans own no newspapers, TV or radio to answer these ridiculous charges, so gullible people are supposed to swallow them.

The Eichmann trial will continue until people become nauseated.

In this trial, Eichmann, who was under military orders to assemble Jews for deportation, just as our soldiers were under orders, is built up to such importance that he ordered Jews destroyed in defiance of orders by Hitler and Himmler. How ridiculous! After the Eichmann trial, there will be other trials and each will be pictured as more important, and more fake witnesses will be rehearsed to promote the hoax.

Millions know that the Jews alone set up and financed communism in 1917 and spread it over the world. The trial and hundreds of "hate Germans—love Jews" TV, movies and magazine stunts are to make us forget and soften us up for the next catastrophe. They also hope to force Congress to sign the Genocide Convention. Those who do not know what this is had better learn.

Those who wish to know more about the Jewish situation in Germany and proof that Jews forced the U.S. into war against Germany in World War I, write us for Common Sense Issues No. 356 & 357 or order the book "World Conquerors."

TALMUD—THEIR HOLY BOOK

Those who wish to know why every subversive movement, pornography, black market, burlesque shows, wars between Christian nations, are products of the Jewish mind, should go to a library and thumb through the TALMUD (their holy book). There are 25 books and an index in the late Sordino edition. One book, Seder Tohoroth, Vol. I, NIDDAH is enough and all you can stand.

Those who doubt the statements in this issue, just try to secure four rabbis to deny them in a public debate with Ben Freedman and the Editor. For no amount of money or pressure will they do it.

Eichmann and the Genocide Convention

AMERICAN JEWISH organizations are preparing to utilize the effects of the Eichmann trial in Israel in order to arouse more interest among Americans toward the international Genocide Convention which outlaw mass-murder in the future. . . . Especially active in these preparations in the American Jewish Committee, which is seeking to encourage President Kennedy to recommend the ratification of the Genocide Convention by the Senate. . . . Although the U.S. Government had helped initiate the Genocide Convention at the United Nations, it has still not ratified the pact, despite the fact that the Convention has already been ratified by 64 nations. . . .

The virtual disappearance of interest in this

EXTERMINATE GERMANS WAS JEWISH PLAN

Republished from—
COMBAT, London, England

THE JEWISH HATE which worked for war and inspired its outbreak also inspired the madly destructive "Allied" policy of no negotiation, only "unconditional surrender," and various diabolical schemes to exterminate the Germans after surrender.

Some of the Jews wanted to exterminate the Germans by sterilisation. Germany Must Perish was the title chosen by one of them; Theodore N. Kaufman, for a book on the subject. (Argyle Press, Newark, N.J., U.S.A., 1941) in which he wrote:

"To achieve the purpose of German extinction it would be necessary to only sterilise some 48,000,000 — a figure which excludes, because of their limited power to procreate, males over 60 and females over 45 . . ."

Other Jews wanted to exterminate the Germans by starvation, a notorious advocate of this method being Morgenthau, Secretary of the Treasury in the Roosevelt administration. The following quotation is from the memoirs of Cordell Hull, U.S. Secretary of State at the time:

"Morgenthau's plan, I added, would wipe out everything in Germany except land, and the Germans would have to live on the land. This meant that only 60 per cent of the German population could support themselves on the German land, and the other 40 per cent would die."

A version of this evil Jewish plan was in fact implemented for a period immediately after the war, with the result that Mr. R. R. Stokes, a Labour Member of Parliament in Britain, declared at the time:

"Today in Germany, 6 months after our victory, graves are being dug for people not yet dead, people who will die of starvation in the next few months."

The ferocious Jewish hate still exists today and is responsible for the continual appearance, even 15 years after the war, of Jewish concocted horror stories about Nazi Germany in the Jewish-dominated press of Britain, America and elsewhere. It was expressed by Menachem Begin, when, at a meeting in Paris in May, 1952, he proclaimed his intention to "organise a perpetual world Jewish ostracism of Germany."

NO GAS CHAMBERS

Dr. Benedikt Kautsky, who spent seven years in concentration camps, including three years in Auschwitz, stated in his book Teufel und Verdammte, published in Switzerland:

"I was in the big concentration camps in Germany. However, I must establish the truth that in no camp at any time did I come across such an installation as a gas chamber."

country in the Genocide Convention—and the fact that the Senate is abstaining from ratifying it—is provoking concern among American Jewish leaders. . . . The Eichmann trial will bring the subject of the Genocide Convention before the public again, and this may be the last opportunity to obtain ratification by the United States. . . . The American Jewish Committee Convention Info focus nationally and locally, emphasizing the fact that U.S. endorsement of the Convention would have a salutary effect on international morality. . . .

The American Jewish Committee and the Anti-Defamation League of B'nai B'rith will also work during the Eichmann trial in the direction of presenting constructive concepts of the trial before the American public to offset sensational and controversial aspects of the case. . . . Material will be supplied to the American press, radio, television, clergymen, lawyers and non-Jewish organizations to enable them to discuss the trial constructively and to bring the lesson of the Eichmann trial to more and more people in this country. . . . Assistance will also be given to local schools and especially to teachers whose classes are almost certain to discuss the trial, so that they may interpret the Eichmann case constructively to their pupils. . . .

"EICHMANN DOCUMENTARY"

Now that the Eichmann Documentary has been exposed to public view, there are basic questions which must be asked and the answers must be found.

1. Why did the German people feel it necessary to pass Emigration Laws during the period in question expelling Jews from Germany? Loyal, law-abiding members of any society are the most valued citizens of that society. Why were Jews not wanted in Germany? If they were loyal, law-abiding citizens, was it not the right and duty of Germany to protect itself by the passage and implementation of Emigration Laws, which laws Eichmann was appointed to enforce.

2. The public is told repeatedly that Six Million Jews were liquidated in Germany during the period in question. Is the public given accurate figures on world Jewish population before, during and after the Hitler regime? Those figures would establish the impossibility of Six Million Jews having been liquidated during the time involved.

During the period in question, the world Jewish population was, in round numbers, between 15 and 16 million. World Almanac for 1940, page 129, gives the world Jewish population at 15,319,359. World Almanac, 1949, page 289, is cited as the source of information for Appendix VII "Statistics on Religious Affiliation of The Immigration and Naturalization Systems of the United States" (A report of the Committee on the Judiciary of the United States Senate, 1950) giving the Jewish population of the world as 15,713,638.

According to World Almanac, the population of Germany during the years in question was around 66 million, of which 1% were Jews. Therefore, if there were only 660 thousand Jews in Germany, the extermination of 6 million was an impossibility. Had all of the Jews in Germany, Poland, Czechoslovakia, Hungary, Roumania, France and the Balkan countries been killed, they would not have amounted to Six Million, and they certainly were not killed.

3. Is it not true that during the War years, hundreds of thousands of the German people (both Christian and Jew) were killed and died of disease, and that cremation was the only quick, sanitary method of disposing of the corpses, and that far more Christian German bodies were thus disposed of than Jewish?

4. If, indeed, Germany had such a well-laid-out plan to exterminate Jews, why (and this is according to the Documentary) were no printed directives ever given? The Documentary stated that no written directives were ever made by the Nazi government. Could it just be that Eichmann, as Director of Jewish affairs, concerned himself with the implementation of German Emigration Laws, and not with extermination of Jews by Cremation, and that the "fiery furnace" stories relating to Jewish liquidation is a giant hoax?

5. If the Concentration Camps were IN Germany, why (as stated in the Documentary) were the supposed "Extermination" camps all OUTSIDE GERMANY? Could it be another Katyn Forest incident, where 14 thousand Polish CHRISTIAN leaders were killed by the Russian Communists and the atrocity was laid to the Germans?

6. In arresting Eichmann, Israeli Secret Agents captured a citizen of Germany in another foreign country (Argentina, Republic) and defying all international law took him by force to Israel. Is this not anarchy in action?

7. Why is Eichmann being tried in Israel, a synthetic nation not even in existence when the "crime" was supposed to have been committed?

8. Why is Eichmann being tried under Ex Post Facto Law, for a supposed "crime" committed before the law came into being. This is contrary to common law practice, is it not?

9. Why is Eichmann to be defended by an attorney approved and paid for by Israel, the prosecutor of the Defendant?

10. World Jewry set up PRE-EICHMANN TRIAL SEMINARS, held in Paris, Athens, Rome, and Tel Aviv, to which attorneys from all parts of the world were invited. In the name of JUSTICE, why?

11. When the State of Israel was created by the partitioning of Palestine to make a home for Jews, 1 million Arabs were driven from their homes where their people had lived for 14 hundred years. To force those who refused to leave, Israeli Jews attacked the village of Deir Yasin, a suburb of Jerusalem, on April 10, 1948, and murdered every man, woman and child in the village, then posted warnings in other nearby villages that the same fate awaited them unless they evacuated the territory. Why were these facts omitted in the "so-called Eichmann Documentary."

12. The narrator of the Eichmann Documentary stated that the principle purpose of the Eichmann trial was to act as a "deterrent." A "deterrent" to what? Is this a warning to the world that no man, no nation, shall question the Jew, regardless of what he does and by what means?

13. During "Brotherhood Week" just ended, the organization known as National Conference of Christians and Jews (Catholics, Protestants and Jews), sponsored by the B'nai B'rith Jewish organization, went on record as favoring the Abolition of Capital Punishment. Why is it that these same people, opposing capital punishment in this country, so heartily favor capital punishment for Eichmann? Is it just a case of whose ox is gored?

14. While Hollywood prepares to film a giant spectacle, is Christian Society going to sit idly by and see a human being, who could not possibly have committed the crime of which he is accused, gloated over by hungry, revengeful Jews, who, while committing abominable atrocities upon Arabs, seek to make of themselves MARTYRS.

These are questions which must be asked and the answers must be found!

LET THERE BE TRUTH
AND THE TRUTH MAY SET US FREE!

JUDEA DECLARES WAR ON GERMANY

The Jewish people of the entire world declare economic and financial war on Germany.

Eichmann is being tried by the Jews for alleged atrocities against them during World War II. So before we proceed to examine those alleged atrocities themselves, let us take a look at the causes of that war, and to begin with let the Jews themselves, in the following extracts, tell us who wanted the war.

The founder of the Irgun terrorist organization, Vladimir Jabotinsky, Jew communist wrote in the January issue of Natcha Reich, 1934:—

"The fight against Germany has been carried on for months by every Jewish community, conference, congress, trade organization; by every Jew in the world. There is reason to believe that our part in this struggle will be of general value. We shall let loose a spiritual and material war of the whole world against Germany. Germany's ambition is to become a great nation, again, to re-conquer her lost territories and colonies. Our Jewish interests on the other hand demand the complete destruction of Germany. The German nation is collectively and individually a danger for us Jews."

The Dutch Jewish paper, Centraal-Blad voor Israëlieten in Nederland, 13th Sept., 1939, declared:—

"The millions of Jews who live in America, England and France, North and South Africa, and, not to forget, those in Palestine, are determined to bring the war of annihilation against Germany to its final end."

Rabbi M. Perlsweig, head of the British Section of the World Jewish Congress, speaking in Canada, stated:—

"The World Jewish Congress has been at war with Germany for seven years." (Toronto Evening Telegram, 26th Feb., 1940.)

The London Jewish Chronicle, 8th May, 1942, stated in its "Sermon of the Week":—

"We have been at war with him (Hitler) from the first day that he gained power."

The Chicago Jewish Sentinel, 8th Oct., 1942, said:—

"The Second World War is being fought for the defence of the fundamentals of Judaism."

MAKING WAR BY LIES

The Jewish proclamations of their intention to bring about a war against Germany were no idle boasts. From the moment that Hitler came to power they strove throughout the world with the entire array of their enormous financial, industrial, press, radio, cinema and political power to portray Hitler as a monster in human disguise and Germany under his rule as a hell on earth, with the object of inflaming other nations against Germany so that war would do the Jews' work of crushing the new Germany which had overthrown the previous Jewish domination.

In 1938, when they provoked the Sudeten crisis, they thought success was in sight. Mr. Eric H. Louw (then S. African Minister of Economic Development) speaking in the S. African Parliament on 24th Feb., 1939, described their attitude:—

"In September of last year a very considerable section of world Jewry was literally praying for England to be involved in a war with Germany."

In their way, however, stood Mr. Neville Chamberlain, a man who, whatever his other limitations, sincerely wanted peace not war. His Munich agreement with Hitler opened the door to the possibility of a real understanding and friendship between the two great brother-nations, and thereby the realisation of one of Hitler's deepest and most sincere hopes, expressed in the following words to the new German Ambassador to Britain on his departure to London two years earlier: "Ribbentrop, bring me the English alliance."

MAKING WAR BY MURDER

The Jews had to do something, and something quickly, to prevent the catastrophe to them and blessing to us of an Anglo-German alliance. A few weeks later, and shortly before the journey of Ribbentrop to Paris for the purpose of extending the Munich agreement into a four nations pact—England, France, Germany, Italy—Jewry acted. On 7th Nov., 1938, the Polish Jew Herschel Feibel Grunspan shot the German diplomat, Ernst von Rath, in the German Embassy in Paris.

It did the trick. Outbreaks of popular violence against Jewish property in Germany resulted. Jewry's outcry became hysterical. The British Ambassador in Berlin was recalled to report, and the U.S.A. suspended diplomatic relations with Germany. Chamberlain's position was undermined, and in face of the terrific Jewish and Jewish-fomented pressure he never again dared to extend his hand to Germany.

The Jews schemed cleverly. They procured a ridiculous British guarantee to the country with the largest Jewish population in Europe—Poland—with the direct effect of encouraging her to oppose truculently the

ILLEGAL TRIAL BY ISRAEL

THE CASE OF ADOLPH EICHMANN

The people who believe in law and lawful processes, would like to know under what authority of international law the government of Israel takes it upon itself to try Eichmann for crimes committed in another country before the State of Israel was in existence.

Near the end of the war we sent planes over Hiroshima and Nagasaki dropping atom bombs which killed thousands of women, children, the ill and the aged. We knew this would happen if they were successful and it was necessary for Pres. Truman to give his personal O.K. for this action.

QUESTION. If a small group came over to America and were in some way able to kidnap Truman and spirit him out of the country and back to Hiroshima to be tried for mass murder would the U.S. and the whole world stand by and let the trial proceed. They would have more of a leg to stand on because the trial would be held in the country where the action actually took place whereas with Eichmann, he is being tried in a country that did not exist at the time the crimes were committed.

Would not the whole world protest the action and would not the U.S. send its entire fighting force, if necessary, to prevent same?

Not one serious word against the Eichmann kidnapping or the trial by anyone.

The guilt of Eichmann is beside the point. He should have been extradicted back to Germany and tried before a tribunal there or by the International Court.

When international law breaks down to this extent without protest it sets precedents that are too far reaching and we will be adopting the communist's theory that **THE END JUSTIFIES THE MEANS.**

THE CONSTITUTIONALISTS

thoroughly reasonable German demands for the return of undeniably German territory and population taken from her by the penal and pernicious provisions of the Treaty of Versailles. War broke out between Germany and Poland, and finally the Jewish efforts of a decade were crowned with success: Britain declared war on Germany on 3rd Sept., 1939—the blackest day in the history of both countries.

THE GREATEST WAR CRIMINALS

Both Chamberlain and Hitler named the real war makers.

In *The Forrestal Diaries* (Cassel & Co., London, 1952) the former U.S. Secretary of Defence, James Forrestal, recorded (p. 128):—

"Played golf today with Joe Kennedy (American Ambassador to Britain immediately before the war) . . . Chamberlain he says, stated that America and the world Jews forced England into the war."

Hitler, speaking in September, 1939, said:—

"On numerous occasions I have offered the friendship of the German people to England and the English people. My entire policy was built upon the idea of this understanding. I was always rebuffed . . . We know that the British people as a whole cannot be made responsible. It is that Jewish plutocratic and democratic ruling class which hates our Reich."

It is a perversion of justice that, while Eichmann is put on trial by the Jews for alleged atrocities during the war, the greatest war criminals of all, the Jews who worked to bring that war about, and thereby caused the deaths of millions of Gentiles, and the mutilation of millions more, and the destruction of whole cities and untold homes, go unpunished.

JEWISH DECEIT AT DACHAU

Republished from—

COMBAT, London, England

DACHAU FOR CRIMINALS

In 1933, when Hitler was elected to power, a prison camp for Communist agitators and others striving to overthrow the government, habitual criminals and sexual perverts, was established at Dachau, north of Munich.

Jewish propaganda, in its frantic efforts to inflame the world against Germany and foment war, seized upon Dachau concentration camp and concocted the most fantastic tales of cruelty inflicted on its inmates, mostly the scum of the country, portrayed as noble martyrs.

JEWIS MAKE CHANGES

When Dachau fell into "Western" hands in 1945, it had to look the part, so, under the inspiration of the Jew Philip Auerbach, Under-Secretary of State in the provincial government of Bavaria, it was transformed into a showplace of horrors.

Near the entrance stood a big fir tree with a horizontal bough. On the orders of an American Jew, Capt. Strauss, German prisoners of war worked the bough with ropes to damage the bark. Auerbach then proclaimed it the "Hanging Tree," and said that 10,000 Jews had been hung on its bough.

THE FALSE GAS CHAMBER

The camp had to have a gas chamber, so, since one did not exist, it was decided to pretend that the shower bath had been one. Capt. Strauss and his prisoners got to work on it. Previously it had flag stones to the height of about four feet. Similar flag stones in the drying room next door were taken out and put above those in the shower bath, and a new lower ceiling was created at the top of this second row of flag stones with iron funnels in it (the inlets for the gas).

OVENS BUILT AFTER WAR

Then there had to be adequate cremation facilities. Right up to the arrival of the "Americans," Dachau only possessed a small old crematorium with two chambers, used for people who had died of infectious diseases. It used coke, and the worker who brought it from the gas works has revealed that it took at least a day to cremate a body. Indeed, after the air raids on Munich, Cardinal Faulhaber requested the authorities to cremate bodies at Dachau, but the facilities were inadequate.

So a new crematorium with four ovens was completed in the shower bath block, now the gas chamber block. As the German ex-General Martin Unrein told Lord Russell on the latter's recent visit to Dachau: "Those gas ovens were built by German prisoners after the war," a fact which everybody in Munich knows.

On the strength of the changes wrought at Dachau, Auerbach and his friends had a notice put up there reading: "This area is being retained as a shrine to the 238,000 individuals who were cremated here." This total would have taken the only crematorium working at the time at least 119,000 days or 326 years.

It is hardly surprising that Auerbach was subsequently convicted of forging documents to show that he had, in his capacity of chief of the Jewish compensation office in Bavaria, paid compensation to non-existent Jews.

JEWIS TO STARVE GERMANS — 1933

Samuel Untermyer, president of the World Jewish Economic Federation, upon returning from a world-wide meeting of Jews in Amsterdam, Holland made a speech on Radio Station WABC, Columbia Broadcasting System in N.Y.C. on August 6, 1933 in which he said the Jews of the world had declared war on Germany and would starve them to death. This was six years before any Jew had been punished and before military war was initiated in 1939.

Have Reds Taken Over The Pentagon?

AN IRON CURTAIN OF SILENCE ENFORCED BY THE CONTROLLED PRESS

DELIVERED GREAT SPEECH

One of the most complete news blackouts in the history of this country took place during the week of July 26—August 1, 1961. In that period the great wire services and all newsmen and news gathering agencies normally assigned to the task of reporting events in the Nation's capitol, blacked out a major story of historic importance so completely, that only by word of mouth was its existence made known to observers outside of Washington, D.C.

Senator Strom Thurmond of So. Carolina delivered a masterfully documented speech on the floor of the Senate on July 26th which literally shook the Kennedy Administration to its foundations.

The Senator revealed in his speech "that there is a concerted attack under way against the anti-Communist indoctrination of the American people and our troops in uniform, and particularly against participation in this effort by our military officers."

He returned to the same subject on July 29th, July 31st, Aug. 2nd and Aug. 4th. Senator Styles Bridges of New Hampshire, Carl T. Curtis of Nebraska, Barry Goldwater of Arizona, Jack R. Miller of Iowa, Karl E. Mundt of South Dakota and John G. Tower of Texas, all indicated sympathy with Senator Thurmond's objectives during this period.

Nevertheless, the American people were isolated from knowledge of these Senators' efforts in their behalf because of an Iron Curtain of Silence erected by the Marxist-intimidated Press. The collusion and conspiracy involved in the blackout was so obvious that Senator Mundt forcefully and directly accused the members of the Senate Press gallery and their employers of engaging in deliberate censorship.

Senator Karl E. Mundt (R., S.D.) has called a July 26 address by Senator Strom Thurmond (D., S.C.) "one of the great speeches of the Senate."

"Newspapers spend a great deal talking about crime and kidnapping and racial disputes. But here is an issue involving the survival of America," Mr. Mundt said, "that was almost entirely ignored by the American press."

This is a battle against a dastardly attempt to intimidate the commanders of the U.S. Armed Forces and prevent them from teaching their troops the nature of world communism. This constitutes a serious blow to the security of the United States.

It is necessary to refer back to certain events which preceded the eruption of the fight between Strom Thurmond and members of the civilian team which is currently running the Pentagon.

THE GENERAL WALKER CASE

The beginning of this historic story lies in what has become known as the General Walker case. Walker was rebuked by "the Army" on June 12th for having taught patriotism to his troops in Germany via his "Pro-Blue" Program.

Senator Strom Thurmond (Dem. S.C.)

A letter entered into the Congressional Record on June 8, 1961, by Congressman Dale Alford of Arkansas, from a soldier who is serving in the 24th Infantry Division in Germany, of which Major General Edwin A. Walker was the Commanding Officer, may best serve to illustrate the terrible plight into which patriotic members of our Armed Forces have fallen since the Kennedy Administration came into power.

THE SOLDIERS LETTER

The text of the letter, entitled, "An Obituary To 'Pro-Blue'", follows:

Well, it has happened, Thursday, 31 May 1961, will go on the calendars in Moscow as a victory for world Communism. To some people, it may seem a minor victory, but to those who know, the ramifications of this defeat for America may be so far-reaching, so terrible, that in days to come, this day may be mourned by the slaves of a Communist world as the day Freedom lost the war. Ten o'clock in the morning, 31 May 1961, the Pro-Blue program of the 24th Division was disbanded. This nucleus of an Army to win for liberty was broken up and scattered; the foundations for Freedom they had built were undermined and knocked down.

What a pity! How frightening that a publication such as the Overseas Weekly should be able to wield such influence over the actions of free men as to force the downfall of a program whose only vice was the teaching of Americanism to Americans.

How is it that a nation and the army of that nation can comply so completely with the wishes of their enemy? That this country would not only tolerate, but invite and encourage subversion of its ideals.

Pro-Blue . . . For God and Country; Pro-Blue . . . Dedicated to developing Americanism; Pro-Blue . . . Voice of free men speaking; Pro-Blue . . . Action where there was little action; Victim of a misinformed public, and a misguided policy. Pro-Blue, now in exile; outcast by the witch-head of ignorance, and destroyed by the death's-head of Communism. Why?

How does this move in policy affect the overall picture? 16,000 men who were not only beginning to understand their obligations as members of the greatest republic in history, but were beginning to act on those obligations and appreciate the fruit of their labors; the right to believe and act on their ideals.

16,000 men who did not fully understand the reason for their presence in a foreign country were beginning to realize the vastness of the battle they were fighting, and the enormity of the war they were in.

16,000 men, soldiers, and their families were well on their way to fully comprehending the threat of Communism.

But now? An article by a paper of doubtful, to say the least, quality and morals; unfavorable comments from an English-language scandal sheet; and all the truths taught by Pro-Blue become "lies"; all that was real and sure, only short hours ago, is now "false"; all that was black is miraculously now "white"; all that was good, "bad"; all that was free, now "tyrannical." For 16,000 disillusioned men, these are the results of the destruction of Pro-Blue.

Someone once said, "When good men do nothing, tyranny must prevail." We now see the outcome of what happens when some men do good and are not supported by all good men.

Where do we, the men who tried to uphold and teach the obligations of liberty, go now? What will tomorrow bring for those who were deeply engaged in the fight against Communism? One, you already know of. He was a General with a fine war record who believed in the ideals he had fought in two wars to preserve. He was relieved of command and publicly humiliated. As for myself, I will probably go to a line unit, where I can be watched and not be able to spread my blasphemous lies that Communism is evil. My boss will go back to his old job as a first sergeant where he too may be watched. Two will be returned to their units where they will serve the army as, respectively, a clerk and a radio operator. (What of their other talent, indeed it almost is a talent today, of being a true American?) The rest of the office will be scattered throughout the division filling slots where they cannot continue with the fight against Communism on an organized basis.

But what of 16,000 men who are still wondering just exactly what did happen? And what of 180 million Americans who are (by virtue of the recent move) left with the impression that we were witch-hunting and that there is no real threat after all. Who will take the place of the Pro-Blue program in teaching the men in uniform what they are supposed to be doing?

Me? As a private soldier in the service of the United States, one time member of the "notorious Special Warfare Section, an American who did not lay aside the Citizen when I assumed the Soldier, I must continue my search for the battle-field where I can again join the fight against Communism.

Fabian Socialists Infiltrate Army

By Don Zirkel

Republished—THE BROOKLYN TABLET
Brooklyn, New York Aug. 5, 1961

The Nation's mobilization to meet the Berlin crisis is in danger of being undermined by a naivete about communism, "an almost fantastic gullibility," displayed in certain key government quarters, Senator Strom Thurmond (D., S.C.) charged in a long speech on the Senate floor.

Protesting recent restraints on the freedom of informed anti-Communist military leaders to participate in public seminars and information programs, he cited:

BLAMES FULBRIGHT, MURROW

1) Senator J. W. Fulbright (D., Ark.), chairman of the Senate Foreign Relations Committee, who called on Pres. Kennedy to reconsider a 1958 National Security Council Directive under which the Joint Chiefs of Staff issued an order directing the services to establish individual cold war information programs. The directive calls for mobilizing all arms of government—military, diplomatic, civilian—in the cold-war struggle.

2) Edward R. Murrow, director of the United States Information Agency, who has narrated a "gutless" and "namby-pamby" film for the Armed Forces to replace the House Committee on Un-American Activities' hard-hitting "Operation Abolition."

3) Arthur Sylvester, Assistant Secretary of Defense, who dismissed the efforts to alert Americans to the international conspiracy with the statement "Oh, Senator, everybody knows the enemy."

Senator Thurmond said: "Despite the fact that Communism is at war with us in the United States in a protracted conflict—more total than any conflict before experienced on this planet in that it is psychological, political, economic, diplomatic, subversive, and military in nature—there is irrefutable evidence that many in our midst do not understand that we are indeed at war and that our liberties and our very survival as a nation hang in the balance.

"Too many, including persons in positions of high trust, neither fully realize the nature of the conflict nor the nature of the enemy which opposes us. Repeatedly, I encounter people who dismiss our lack of knowledge about the enemy with the ready assumption that everyone knows the enemy."

The events of recent years provide unimpeachable proof that we do not understand the nature or methods of Communists and Communism, he said.

"Had we understood and appreciated the menace of Communism, we would not today be suffering from the losses of our blind negotiations at Yalta and Potsdam.

"Had we understood and recognized Communism when we saw it, we would never have made the mistake of officially characterizing the Red Communist Chinese as 'agrarian reformers.'

"Had we the ability to detect a Communist and a Communist movement, Castro would never have had our support in establishing a Communist dictatorship over the Cuban people 90 miles from our shores.

SUCCESS OF HISS, ROSENBERGS

"If we as a people understood Communism and Communist tactics, we would never have fallen prey to subversion at the hands of Alger Hiss, the Rosenbergs, Greenglass, Fuchs, or Harry Dexter White, and the many other Communist spies and agents who were caught—not to mention the many who remain undetected and unapprehended."

Senator Thurmond declared the postwar years in America prove beyond doubt that Americans, by and large, do not understand Communism and its tactics.

"Not only do our people need a better knowledge and understanding of Communism, but many need more information and reverence for the principles on which our own Government is founded. If some lack

Major General Edwin A. Walker

an understanding of our own system, how can they appreciate the vast gulf which separates these principles from the insidious, false, and atheistic ideology which underlies the Communist menace?"

Concrete facts of history attest graphically to this deficiency also, he said, as evidenced by the fact that 38 percent of those Americans captured by the Communists in Korea are reported to have given comfort to the enemy.

VICTIMS OF THE SMEAR

There are those among the organizations and individuals in our society who have devoted the time and effort necessary in order to compile the facts and derive the understanding "essential" to "a" thorough knowledge of the ideology and practices of Communism, he continued.

"I regret to say that in most instances these groups and individuals are most easily identifiable by the continuous vituperative, false, and slanderous attacks upon their existence . . . The Communists and Communist sympathizers leave no stone unturned and no lie untold in their efforts to discredit these organizations and individuals."

The American people, and especially those serving in uniform, possess another knowledgeable source on the nature of the enemy, our military leaders, the South Carolina legislator said.

"This is a particularly effective source of information against Communism, for it is not a source to which political motives can be easily attributed. It is a source which has a long history of patriotic and devoted service to the people of the United States and their liberty. It is a source which has proved its willingness to make the supreme sacrifice if necessary to preserve the principles of liberty on which our Government was founded."

Senator Thurmond offered the following argument:

GENERAL WALKER

Military officers, charged with defending the Nation from all enemies, foreign and domestic, must know the enemy in order to defend against him. But the enemy is not exclusively military, and no facet of his capacity for aggression can be ignored by the military man sworn to defend the Constitution. The military leader, therefore, has the obligation of informing his troops and the American public.

The best evidence that they are doing a good job, he said, "takes the form of an organized campaign, originating initially with the Communists themselves, to discredit and intimidate the military leaders of our Country.

"Possibly the beginnings of the attack, other than in 'Pravda' itself, was with a

slander sheet called the 'Overseas Weekly,' which apparently has as its primary purpose the general discrediting of United States servicemen and their leadership in Europe, particularly those of the 24th Infantry Division.

"As a particular target, the 'Overseas Weekly' undertook a campaign against the anti-Communist indoctrination course of the 24th Division and its commander at that time, Maj. Gen. Edwin Walker.

"It is significant that although the 'Overseas Weekly' has been charged with being subversive by many persons, the only investigation has been directed at General Walker and not the vicious slander sheet which dances to the tune of leftwing causes and gives its most prominent display to 'girlie cheesecake' pictures and sensational GI crimes in its publication area, so near the Iron Curtain.

"Despite the softly worded conclusions contained in the Department of Defense release on the General Walker incident, it is apparent that the campaign of the 'Overseas Weekly' against the indoctrination program and General Walker was a great success for the Communists."

It would be hard to judge whether the campaign of the "Overseas Weekly" was a test for effectiveness of the general campaign to discredit military leaders which was to follow or whether the success of the effort in this particular instance gave birth to the idea for the general campaign, the Senator stated.

"Whatever was the case, the general campaign thereafter commenced in earnest. As is often the case with such moves, the origin in this Country is found in a publication entitled the 'Worker,' official organ of the Communist Party, U.S.A.

The 'WORKER' and the 'TIMES'

The "Worker" carried articles June 4 and 16, and the New York "Times" came out June 17 with an article by Cabell Phillips entitled "Rightwing Officers Worrying Pentagon."

Senator Thurmond said "On July 10, 1961, concrete evidence that the campaign to censor and suppress the remarks of our military leaders was having effect appeared in the Department of Defense Directive No. 5123.5."

In the New York "Times" July 21, Cabell Phillips wrote:

"The Defense Department has issued a directive placing restraints on the freedom of military officers to advocate rightwing political theories in official public appearances. This action resulted from critical memorandum from Senator J. W. Fulbright."

The directive was issued in the guise of broadening the duties of the Assistant Secretary of Defense for Public Affairs, Arthur Sylvester.

'BLOW TO U.S. SECURITY'

"The memorandum, which originated within the Foreign Relations Committee of the Senate, according to press reports, charged that the military is teaching the troops that our defeats in the war against Communism

(See next column)

Edward R. Murrow
Heads U.S. Information Agency.

Senator J. W. Fulbright (Dem., Ark.)

are the results of appeasement and a 'soft attitude' by our own government.

"I hope that charge is correct, for it fortifies my belief that our military leaders do understand the threat from Communism, and are giving their personnel the truth."

It was later said that the memorandum was prepared by the Foreign Relations Committee staff but that the members of the committee had no knowledge of it and the action was exclusively by the chairman, Mr. Fulbright.

Still later a committee staff member said the memorandum did not originate in the committee but in Senator Fulbright's office.

As an example of the standards by which the Defense Department now judges anti-Communist material, Senator Thurmond cited the withdrawal of the documentary, H U A C film "Operation Abolition" and a similar movie "Communist Encirclements—1961" for the noncontroversial "Challenge of Ideas."

"Operation Abolition" is controversial, he said, "only because the Communists and those naive enough to swallow Communist propaganda have raised a hue and cry about it."

MURROW'S SUPERFICIAL FILM

As for "Challenge of Ideas," he declared, "The narration by Edward R. Murrow, now director of the United States Information Agency, will certainly offend no one—except those of us who know and recognize the 'gutless' nature of the presentation in this non-controversial film."

"It is a superficial treatment of serious issue and will contribute little to remedying the deficiency of knowledge concerning the total nature and threat of Communism."

In conclusion, Senator Thurmond said: "An investigation on this subject is needed—an investigation of the conspiracy to discredit and intimidate the military leaders of our Country in their efforts to provide to their personnel and the public the facts—all the facts—needed to assess the total Communist menace for what it is—a deadly threat to our liberties and our survival as a nation." End of Tablet article.

The Nature of the Enemy

Readers cannot fully understand the smear of our patriotic army officers unless they understand the background and nature of those who do the smearing.

Several years ago Communist Jews, knowing it is extremely difficult to prove a person a Communist, succeeded in having laws passed making it a crime to label a person such unless it could be proved without a doubt. Hence in most cases the public is left no other course but to weigh the evidence and decide themselves.

We have not seen the Communist cards of the group which started the trouble against General Walker, but it is a Jewish marxist outfit just as the brains and directing force which smeared Sen. Joe McCarthy.

Common Sense issue No. 206 proved that EVERY Jewish publication in the U.S.

attacked the Senator although he NEVER mentioned Jews, but exposed only Communism.

The "OVERSEAS WEEKLY," called the "OVERSEAS WEEKLY" by our troops in Europe is owned and directed by John Dornberg, Marion Von Rospach, Johanna Frym, Siegfried Naujocks, Eugene Bernard, Harold Melahn, —all Jews.

Fulbright's Secret Directive

Senator J. W. Fulbright (Democrat of Arkansas), Chairman of the Senate Foreign Relations Committee, a Rhodes Scholar, and apparently a secret front for the leftwing heads of our government, issued a secret directive. This directive, sent to a few important members of the government, appears to be the signal to muzzle the armed services with respect to informing the three million in service on the dangers of communism. Fulbright accused the military of promoting "radical right-wing" ideas.

Senator Fulbright was challenged vigorously on the Senate floor by Senator Strom Thurmond (Democrat of South Carolina), a Major General in the Army Reserve; he has five battle stars and six decorations.

The following are excerpts from the lengthy directive by Senator Fulbright. He was referring to the patriotic Americanism program directed by army officers.

The content no doubt has varied from program to program, but running through all of them is a central theme that the primary, if not exclusive danger to this country is internal Communist infiltration

The thesis of the nature of the Communist threat often is developed by equating social legislation with socialism, and the latter with Communism

This view of the Communist menace renders foreign aid, cultural exchanges, disarmament negotiations, and other international programs as extremely wasteful, if not actually subversive

There are many indications that the philosophy of the program is representative of a substantial element of military thought, and has great appeal to the military mind

There is little in the education, training or experience of most military officers to equip them with the balance of judgment necessary to put their own ultimate solutions—those with which their education, training and experience are concerned—into proper perspective in the President's total strategy for the nuclear age

In the long run, it is quite possible that the principal problem of leadership will be, if it is not already, to restrain the desire of the people to hit the Communists with everything we've got, particularly if there are more Cubas and Laos

Pride in victory, and frustration in restraint, during the Korean War, led to MacArthur's revolt and McCarthyism

It is probably the view of most members of Congress today that if foreign aid were laid before the people in a referendum, it would be defeated. The question arises, how will it be 5 or 10 years from now?

The radicalism of the right can be expected to have great mass appeal during such periods

Fundamentally, it is believed that the American people have little, if any, need to be alerted to the menace of the cold war

Here we have a sample of the thinking of a Rhodes Scholar educated at Oxford, England, a Fabian Socialist One Worlder. By the maneuvering of other Rhodes Scholars and One World eggheads, Fulbright has been placed in our U.S. Senate not to work for the U.S., but for One World.

Now that he has exposed himself, will the people in Arkansas vote to return him to the Senate?

REDS DIRECT MILITARY

ADAM YARMOLINSKY—IN TOP SPOT

The top man in gagging the armed forces is Adam Yarmolinsky (x), who has had extreme left wing connections since 1943 when he was at Harvard and editor of the "YARDLING," known as a pro-communist publication for distribution among the students.

Yarmolinsky was secretary of the Fund for the Republic, the 15 million dollar foundation which finances writers who smear anti-communists.

Under the New Frontier he is Assistant Secretary of Defense in charge of personnel and in charge of recruiting executive personnel. It is now known that Yarmolinsky has supervised the Kennedy appointments of 75 Jews to the very top offices.

Behind Yarmolinsky stands the interlocking marxist organizations such as Americans for Democratic Action, Anti-Defamation League, American Jewish Congress, American Jewish Committee and Walter Reuther and David Dubinsky with their ruthless machines.

Arthur Sylvester, Assistant Secretary of Defense in charge of public relations, with Yarmolinsky makes a team of promoting the left in the armed forces.

In assembling the jigsaw puzzle it is interesting to note that Yarmolinsky and the new appointee as head of Central Intelligence Agency, Fowler Hamilton, both are from the law office of Cleary, Gottlieb and Friendly. This happens to be Herbert Lehman's attorneys.

Herbert Lehman and Eleanor Roosevelt, with Adlai Stevenson, are an important element of the interlocking Trotsky-socialist directorate.

While we are dealing with Bolshevik influence in our defense setup, it is well also to bear in mind that the man who is responsible for 12 thousand personnel in the National Security Agency is Maurice Harold Klein, a Russian Jew who admits he changed his name and made four false statements on his own government employment form. He says his friends call him "Moe."

The National Security Agency is our top organization for national security. Real Americans had better think if it is not too late.

CHRISTIAN EDUCATIONAL ASSOCIATION

The Christian Educational Association of 530 Chestnut Street, Union, New Jersey, is the publisher of "Common Sense," a tabloid size newspaper published twice monthly except during July and August. Current issues of this paper identify the editor as CONDE MC GINLEY and the publisher as the Christian Educational Association.

On December 17, 1954, the Committee on Un-American Activities of the United States House of Representatives published a "Preliminary Report on Neo-Fascist and Hate Groups" in which their growth and objectives are discussed at length. This report indicates that "Common Sense" has a circulation which fluctuates between 30,000 and 100,000 copies an issue. It describes "Common Sense" as a "hate sheet" vehicle which publishes "some of the most vitriolic hate propaganda ever to come to the attention of the Committee."

According to the report, "Common Sense" depicts Communism as Judaism and devotes its pages almost entirely to attacks on the Jewish and to a lesser extent, the Negro minorities in the United States. Sympathy for the former Nazi government in Germany is also shown in the paper.

Mr. J. Edgar Hoover,
Federal Bureau of Investigation,
Department of Justice,
Washington, Dist. of Col.

Dear Mr. Hoover,

37 ~~EXP. PROC.~~
36 SEP 27 1962

In connection with their recent lengthy story on the reported marriage of President Kennedy which appeared in the Blauvelt family genealogy, The New York Times stated that the Federal Bureau of Investigation stated that COMMON SENSE was a "vitrolic hate sheet."

In view of your knowledge of what COMMON SENSE advocates and disseminates, the description of COMMON SENSE as reported by The New York Times and attributed to your bureau is inconsistent with your views on the identical subjects.

If your bureau does refer to COMMON SENSE as a "vitrolic hate sheet" in public statements for the press, it is eminently unfair to an organization dedicated to the same objective to which the bureau and yourself devote so much of your attention and efforts.

COMMON SENSE is no more a "hate sheet" than the Federal Bureau of Investigation is a "hate bureau." Things equal to the same thing are still equal to each other and it is a fact that COMMON SENSE feels exactly as your bureau does about communism.

Because COMMON SENSE does not discriminate due to the race, religious profession or national origin of those who qualify as communists by their attitudes or activities, against communists by whatever names they seek to camouflage themselves, COMMON SENSE is smeared upon the slightest provocation as well as without provocation.

105-9621-
167 OCT 8 1962

COMMON SENSE is a "hate sheet" when discussing communism and in too many instances not "vitrolic" enough. If more media for mass-communication spoke out against communism like COMMON SENSE, your bureau could direct its activities in other directions without detracting from the security of the nation.

For your information, COMMON SENSE has never printed one word on the reported marriage of President Kennedy prior to his marriage to his present wife.

Mr. J. Edgar Hoover,

- 2 -

September 24, 1962.

Congressman Walter will be glad to inform you how often he has been called upon to deny that the House Un-American Affairs Committee ever smeared COMMON SENSE and the circumstances under which rumors to that effect have been circulated for many years without any justification or basis in fact for that smear.

The control of the media for mass communication by those sympathetic towards objectives inimical to the basic philosophy upon which this nation was founded and erected into the greatest political structure ever to grace the face of this earth, faces those who wish to fight communism with a problem.

The Federal Bureau of Investigation will render a disservice to the nation by allowing to go unchallenged attempts to identify the bureau in the eyes of the public with smears against individuals and organizations equally dedicated with the bureau in the fight to turn back the tide of communism which threatens to sweep across this nation after it has flooded the world.

This is the time for all right-thinking citizens of the United States of America to bury the hatchet - but not in each other's heads. This is the time for fighting back-to-back, not for back-biting. The Federal Bureau of Investigation of the Department of Justice of the United States of America should not allow itself to be MISquoted to serve the ominous and iniquitous objective of our common enemy.

Until the nation "hates" communism more than it "loves" making MORE money and having MORE fun the posture of our country will remain with one foot in its grave and the other on a banana peel. Any little shove may push us off-balance. That is the day history will record as the anniversary when the United States of America became the Soviet Union's largest satellite.

COMMON SENSE deserves to be defended not defamed by the Federal Bureau of Investigation and we hope that we will hear from you to that effect, and remain

Respectfully and sincerely,

Kennedy's Divorce Exposed!

Is Present Marriage Valid?

The Blauvelt Campaign

Ever since the heyday of yellow journalism, the sense of responsibility of the American press has been more censured than praised. For political profit or for readers' pennies, sensation has often triumphed over reliability.

But for the last sixteen months, virtually every major newspaper, magazine, and wire service in the U.S. has refused to publish a sensational report—familiar to hundreds of thousands of Americans and millions of Britons—about the President of the United States. They have spiked the story despite what appears at first glance to be "documentary evidence" and despite scattered publication of it—or hints at it—by hate groups and gossip columnists.

The "story" falsely alleges that before he married Jacqueline Bouvier in Newport, R.I., on Sept. 12, 1953, John F. Kennedy was secretly married to a two-time divorcee.

Beginnings: The story first appeared in a beatnik Greenwich Village magazine of slight circulation, "The Realist," dated March 1962, and headlined "The Story Behind the Rumor About President Kennedy's First Marriage."

It next turned up in an anti-Semitic, anti-Negro Alabama hate sheet called "The Thunderbolt." Under a headline KENNEDY'S DIVORCE EXPOSED! IS PRESENT MARRIAGE VALID? EXCOMMUNICATION POSSIBLE, the "official White Racial organ of the National States Rights Party" charged the President was "secretly divorced" before he married Jacqueline Bouvier.

In June it appeared in another racist sheet. The Winrod Letter, published in Little Rock, Ark., by the Rev. Gordon Winrod, son of a Kansas Fascist, the Rev. Gerald Winrod, indicted under the Sedition Act during World War II. The same month it appeared in a Tennessee weekly, and in July was broadcast over radio station WAIL in Baton Rouge, La.

A story on this broadcast was moved

ternational, on July 24, 1962, and was promptly killed three hours later. The UPI log of July 28, 1962, said "a thorough investigation by UPI... completely disproved reports of a previous marriage by President Kennedy." Last month United Features columnist Henry Taylor distributed a column on the "marriage," branding it false. The syndicate sent a "kill" order, and only one paper ran the story.

No one of these stories, nor all of them together, achieved any national circulation, because the same "evidence" had been found wanting by a dozen national news organizations—ranging from The Chicago Tribune to The New Republic, including Newsweek, Time, The Washington Post, The Washington Star, the Cowles papers, The New York Daily News, Scripps-Howard, The New York Times, The New York Herald Tribune, and U.S. News and World Report.

The story first reached a national audience two weeks ago (Sept. 2) when the Sunday supplement Parade, distributed in 70 newspapers, published a letter from a Palm Beach, Fla., reader asking "once and for all, will someone please tell me the truth" about reports of a previous marriage by the President.

Parade said the rumors were false. The British press then front-paged them.

Then last week, the aging dean of keyhole columnists, Walter Winchell, reprinted the Parade item in his syndicated column and asked: "Why hasn't the White House debunked it?"

Tenth Generation: What was the basis of the rumors that so intrigued Winchell and the hate sheets? The "evidence" is contained in one paragraph on page 884 of an obscure, privately printed family history, "The Blauvelt Family Genealogy," written by a member of the tenth generation, Louis L. Blauvelt, who died at 86 a year before the book was published in 1937. Contrary to published reports, the book is readily available—and in unusual places—the Library of Congress, the New York City Public Library, and elsewhere. In tracing the

from Holland in 1638, one entry under the eleventh generation reads:

(12,427) DURIE, (Kerr), MALCOM, (Isabel O. Cooper, 11,304). We have no birth date. She was born Kerr, but took the name of her stepfather. She first married Firmin Desloge, IV. They were divorced. Durie then married F. John Bersbach. They were divorced, and she married, third, John F. Kennedy, son of Joseph P. Kennedy, one time Ambassador to England. There were no children of the second or third marriages.

The third "marriage" never took place.

The only mystery is why Louis L. Blauvelt, in his confused chronology, said that it did. The answer may well lie in Blauvelt's family records, now in the custody of his daughter, Mrs. William K. Smith of East Orange, N.J. Blauvelt kept documentation for every entry in his book. Under the entry for the alleged marriage to "John F. Kennedy," there is only an old clipping from a Miami gossip column, reporting Miss Malcolm and young Jack Kennedy had been seen in a restaurant right after World War II.

One Blauvelt in-law described the entry to Newsweek as "just one colossal mistake." He said: "It was likely that the old man formed the idea in his head, seeing that clipping, and the family hadn't had anyone famous for a long time."

President Kennedy and Miss Malcolm (now, and since July 1947, married to socialite Thomas Shevlin of Palm Beach and Newport) have denied the story privately. They have been reluctant to issue a public denial for fear of giving it further circulation.

In addition, scores of reporters, working independently before the story was ever publicly printed, have found no evidence to support Blauvelt's statement. In fact, they found this addi-

evidence proving him inaccurate: Malcolm's maiden name was Malnot Malcom.

first married Bersbach, then Desnot vice versa.

married Shevlin before a Justice of peace in Fort Lee, N.J., in July 1947—months after divorcing Desloge, ten before the Blauvelt Genealogy was shed—and yet this marriage was not noted in the genealogy.

is evidence kept the story out of responsible American press. But irresponsible groups keep printing it to this thus putting the President into a lion where he is damned if he denies story and damned if he doesn't.

s dilemma is even more acute since information in files of the FBI and Secret Service indicates that other organizations have been distributing hundreds of thousands of specially photostated, four-folders entitled "The Blauvelt Genealogy."

major distributor is the Christian National Association, headed by Mc Ginley, publisher of what they call "the vitriolic hate sheet, Common Sense." Others include Right Britain, described by the Cleveland police department as a "crackpot" organization headed by Allen Paul Steiger, an organizer of the John Birch Society in Cleveland, and the Valley Paper Co., Holyoke, Mass., whose mailings are headed by Hubert W. Kregeloh, an associate editor of "American Opinion," the magazine published by Robert Welch, founder of the John Birch Society.

"What Is the Law?" In Washington, many congressmen—and such organizations as the American Cold Star Mothers have received folders mailed anonymously from Wilmington, Del., and headed: "Why the furor to confiscate records on President John F. Kennedy's first marriage?" The same mailings contained a typewritten note: "We feel information is too important to be censored. Have your own negatives made, and distribute copies to your membership."

One woman wrote the White House to report that she found copies of "The Underbolt" where she worked—at Republican Party headquarters in Salt Lake City, Utah.

What is the law that allows these people to disgrace the country?" she asked. As many another confused citizen has written the White House, she received a simple reply: "The President has been married only once—to his wife, Jacqueline Kennedy."

The President and Mrs. Kennedy—celebrated their ninth wedding anniversary last week—are philosophical at the "Blauvelt campaign." They recognize that it is motivated by extremist groups and circulated for political purposes.

National Monument

Vincent Van Gogh sold his paintings for a pittance during his lifetime. Now, 72 years after his death, the government of his native Holland has decided to devote an entire museum to his work and will buy 150 paintings and 400 sketches from the artist's nephew, Dr. Vincent Willem Van Gogh, son of the painter's brother and benefactor, Theo. The collection, which will be brought together in Amsterdam, has been on loan to various Dutch galleries and museums for more than 30 years, and includes, besides Van Gogh's work, letters from Vincent to Theo, and Theo's collection of 150 French paintings. The cost to the Dutch today: \$5 million.

Moment of Tranquility

The American painter Arthur Bowen Davies was celebrated for pictures of beautiful, boneless nymphs posturing rhythmically in idyllic landscapes. Then suddenly, in 1912, he descended from his comfortable old ivory tower to promote the most "modern" art of his

Burne-Jones and the pre-Raphaelites.

Davies himself never made it as a modern artist. His efforts at cubism produced only a superficial appliqué of crosshatches on his famous Aphrodites, and he soon gave that up to return to his usual sylvan hills and dales. He dabbled in pseudo-scientific theories of art, and worked out an elaborate mumbo jumbo which he called the "Gift of inhalation"—he claimed that the excellence of Greek art was attributable to the healthy gulps of fresh air that all Greek figures were supposedly shown inhaling. He even retouched hundreds of his earlier paintings to give them a chesty quality. Eventually he withdrew from New York and went to Italy, where he died in 1928 at the age of 66.

Despite Davies' oddities (and conservatism), he was a logical choice to lead the artists who put on the Armory Show—he liked cubism, he was successful, and he had the ear of such wealthy New York collectors as Miss Lizzie P. Bliss, Gertrude Vanderbilt Whitney, Benjamin Altman, and Mrs. Cornelius J. Sullivan. Furthermore, Davies was independent of the fusty National Academy of Design, and he had a puritanical respect

Davies tapestry, 'A Thousand Flowers': A breath of air?

time. For a year, Davies enthusiastically rummaged the studios of New York and Paris to assemble the famous Armory Show of 1913. The show startled (and outraged) visitors to New York's 69th Regiment Armory, who gasped at their first glimpses of cubism and abstraction, including six works by Davies.

This week 84 of Davies' paintings, water colors, tapestries, and small bronzes are on exhibition at New York's Whitney Museum in a retrospective show marking the centennial of his birth. Spread out is his familiar, mystical world, with the nymphs, his famous "Unicorns," and many reminders of the artists who influenced him—Ryder, Botticelli, Blake,

for hard work, along with the administrative ability of a precise executive. If he missed the straight and narrow path of cubism as a painter, as a collector he was on the right track. His own collection included work by Braque, Léger, Picasso, and Gris.

Of Davies' show at the Whitney, curator John Gordon writes in the catalogue: "At a time when we are bombarded by the bold and noisy experiments of one direction or another of contemporary art, this exhibition provides us with an opportunity to enjoy the work of a rare and gentle romantic visionary. His tranquil and nostalgic statements . . . are an oasis in twentieth-century art."

"COMMON SENSE"

 ALL INFORMATION CONTAINED

BACKGROUND:

By letter of 9-24-62, the above-captioned individual referred to a quotation attributed to the Director which characterized "Common Sense" as a "vitriolic hate sheet." According to McGinley, this was in connection with a recent lengthy story about the reported marriage of President Kennedy which appeared in the Blauvelt family genealogy which was carried by the "New York Times." McGinley makes the absurd statement that the quotation attributed to the Bureau is inconsistent with the Director's views and knowledge of what "Common Sense" advocates and disseminates. He also states that if the Director does refer to "Common Sense" as a "vitriolic hate sheet," it is unfair to an organization dedicated to the same objectives as the FBI. After attempting to prove in his own illogical manner that "Common Sense" is not a hate sheet, McGinley asserts that Congressman Walter would be glad to advise the Director about how often he has been called upon to deny that the House Committee on Un-American Activities (HCUA) ever smeared "Common Sense" and the circumstances which rumors to this effect have been circulated "without any justification or basis in fact for that smear." McGinley feels that the FBI will render a disservice to the Nation by allowing itself to be identified as an organization which smears individuals and organizations and states that "Common Sense" deserves to be defended not defamed by the FBI. McGinley hopes to hear from the Director to this effect.

INFORMATION IN BUFILES:

Bufiles reveal that Conde McGinley is a prolific writer of hate-type literature, principally of anti-Semitic and anti-Negro nature. He is known to be most cooperative with the Nationalist Action League which has been cited by the Department of Justice as a Fascist organization.

The 9-24-62 issue of "Newsweek" magazine carried a story under the caption "The Blauvelt Campaign," a copy of which is attached, and a statement is set forth therein indicating that the FBI referred to "Common Sense" as "the vitriolic hate sheet, Common Sense." Actually, there is no indication in Bufiles that the Bureau has

publicly made any statement characterizing "Common Sense" as such. However, when receiving inquiries about this publication and when appropriate after first stating that the FBI does not characterize publications, organizations or individuals, we have referred individuals to the HCUA report entitled "Preliminary Report on Neo-Fascist and Hate Groups" dated 12-17-54, which dealt with the hearings conducted by that Committee regarding the publication, "Common Sense," and other hate-type literature. Despite McGinley's claim that Congressman Francis E. Walter has denied that the HCUA ever smeared "Common Sense," the above referred to Committee report reveals that Francis E. Walter was a member of that Committee and that on page ten under the caption "The Hate Group, 'Common Sense'" states as follows: "Growth of the hate group in recent years is exemplified by the publishing endeavors of Conde J. McGinley and his son, C. J. McGinley, in Union, N.J. The McGinleys, senior and junior, operate as the Christian Educational Association, for the purpose of publishing a semimonthly paper, Common Sense, as well as a mass of individual printed matter. Common Sense represents itself as 'the Nation's anti-Communist paper.' Subscriptions are sought from 'loyal and patriotic Americans' in order to 'help save our Republic.' Such patriotic claims provide poor disguise, however, for some of the most vitriolic hate propaganda ever to come to the attention of the committee."

In connection with the Blauvelt family genealogy, it is noted that numerous memoranda have been submitted in connection with this publication's charge that President Kennedy was once married to .

RECOMMENDATIONS:

Mr. J. Edgar Hoover
Federal Bureau of Investigation
Washington, D. C.

Dear Mr. Hoover:

I have recently received a copy of the newspaper, Common Sense, published in Union, New Jersey, Conde McGinley, editor. I wish to inquire whether or not the publishers of this paper have been investigated for possible subversive backing. I cannot imagine anything more threatening to our American peace and progress than the kind of hate mongering and slander which I find on every page of the current September issue, number 390. I refer not necessarily to their extreme nationalism and their antiquated isolationism, but to their rabid anti-Semitism. Is Nazism a legal movement in our country?

I know you must be besieged by letters of this sort from both sides of the political and religious spectrum, but I am seriously in hopes that I might know something of the background of the publishers of Common Sense.

Thank you for your good work throughout the years in helping us preserve a sane yet watchful position with regard to dangerous extremes of thought and action.

Sincerely yours,

GCC/mdh

Dear :

Your letter of November 17, 1962, has been received, and I can appreciate the concern prompting you to write.

With regard to "Common Sense," I am unable to comment in the manner you have indicated since the FBI being an investigative agency of the Federal Government neither makes evaluations nor draws conclusions as to the character or integrity of any organization, individual or publication. Also, information contained in FBI files is confidential and available for official use only pursuant to regulations of the Department of Justice.

May I suggest, however, that in your personal evaluation of the merits of any publication you give careful consideration to its objectives and whether they are being achieved through orderly, legal procedures. I regret it is not possible to be of help to you in this instance and trust you will not infer either that we do or do not have data in our files relative to the subject of your inquiry.

Enclosed is some literature I hope you will find to be of interest.

Sincerely yours,

J. Edgar Hoover

Dear Sir:-

About a month ago I received in the mail an unsolicited brief newspaper called "Common Sense", and published by the Christian Educational Assp., 530 Chestnut St., Union, N.J.

I was mainly about Jews and some rather startling claims made, for example that the background of Mrs. FDR was Jewish and that others in the US Govt were Jews but who had changed their names. I wrote them asking for PROOF of all of this but got no answer to these questions but a rather "bla-bla" letter with more quite vicious propoganda.

What makes me suspicious of all of this is that it is all mailed to me in plain envelopes with no return address on the outside, ie they are afraid of something? or doing something illegal?

One of their big claims is that all the surge for integration in the South is not by negroes by fostered and financed by Northern Jews.

I presume you peolle have a complete file of this outfit and can and will tell me just what they are and whether they are us to no good for the USA.

Yours very truly,
[Redacted]

P.S. I am not a Jew and frankly do not like some of the Jewish lawyer methods over the years I have been in business. But I do want to see fair play, also that if they are doing something hurting the USA that they bee stopped.

BACKGROUND:

By letter of November 5, 1962, to Miss Gandy, a [redacted] of "Common Sense," enclosed material and requested that it be attached to Mr. McGinley's letter of September 24, 1962. One enclosure is a copy of the October 15, 1962, issue of "Common Sense" which contained an article captioned, "Will Yarmolinsky Take Over the FBI?" "Common Sense," a well-known, anti-Semitic hate sheet, points out that Yarmolinsky's father is a Russian Jew and states that both of Adam Yarmolinsky's parents are extremely active in many communist front organizations to which they belong. The publication does not relate any basis concerning the question of Yarmolinsky taking over the FBI and the article is ended by stating that if the FBI is turned over to Yarmolinsky, "that agency will be protecting communism in place of investigating it." The article also devotes considerable space to the Jack Levine interview over New York Radio Station WBAI on October 18, 1962. The article asserts that, "For years the FBI has had their agents inside the Communist Party and now the enemy has placed at least one spy in the FBI. Jack Levine, a New York lawyer, joined the FBI, and after a year, resigned on August 4, 1961." It is obvious that "Common Sense" is giving space to Levine's smear attack because he is Jewish. Another enclosure submitted by [redacted] is a copy of a letter dated 8-20-60 from Chairman Francis E. Walter of the House Committee on Un-American Activities (HCUA) to an individual in Miami, Florida. According to Walter, the "Preliminary Report on Neo-Facist and Hate Groups" dated 12-17-54 is one which was not finally approved by the members of this Committee of that session of Congress. As a result, it cannot be considered an official report of the Committee on Un-American Activities.

"This is the reason why, when inquiry is made in connection with "Common Sense," that the response must be that it has not been cited by any official federal agency, nor has it been the subject of hearings." 105-9622-578

INFORMATION IN BUFILES:

By letter of 9-24-62 Conde McGinley referred to a quotation attributed to the Director which characterized "Common Sense" as a "vitriolic hate sheet." My memorandum to you of 10-2-62 captioned as above revealed that the HCUA Report entitled "Preliminary Report on Neo-Facist and Hate Groups" dated 12-17-54 which dealt

with the hearings conducted by that Committee regarding "Common Sense" and other hate-type literature contained in the statement characterizing "Common Sense" as vitriolic hate propaganda.

Despite Congressman Walter's claim in his letter of August 20, 1960, the above referred to publication dated 12-17-54 is imprinted with the statement, "prepared and released by the Committee on Un-American Activities, U. S. House of Representatives, Washington, D. C." Page II reveals that Walter was a member of the Committee and, as set forth in the previous memorandum, on page 10, under the heading "The Hate Group -- 'Common Sense'," the following statement appears: "Common Sense represents itself as 'the Nation's anti-Communist paper.' Subscriptions are sought from 'loyal and patriotic Americans' in order to 'help save our Republic.'"

"Such patriotic claims provide poor disguise, however, for some of the most vitriolic hate propaganda ever to come to the attention of the committee. Common Sense defines communism as 'Judaism' and devotes its pages almost exclusively to attacks on the Jewish and to a lesser extent the Negro minorities in our Nation."

ADAM YARMOLINSKY

Adam Yarmolinsky is "the special Assistant" to Robert S. McNamara, Secretary of Defense. He is a very controversial figure and has been the subject of pro-communist charges by many individuals outside the Government. He formerly was Secretary to the Ford Foundation Fund for the Republic. In that capacity he compiled a report captioned, "Case Studies in Personnel Security," which contained a number of inaccurate, misleading or incomplete statements and presented the Government's position in personnel security in an unfavorable light. He resigned from the Fund for the Republic in September, 1957, because of the so-called "basic policy disagreements" and accepted a position with the New York publishing house, Doubleday and Company as an editor and talent scout for public affairs writers. In the investigation of him for the White House in December, 1960, it was disclosed he had been a member of the American Student Union, cited by HCUA while at Harvard University. He also admitted attending meetings of the Young Communist League and American Youth for Democracy meetings, both of which have been cited by the Department of Justice.

RECOMMENDATION:

No acknowledgment be made to the 11-5-62 letter of [] of "Common Sense" to Miss Gandy, which is a follow-up to a letter of 9-24-62 from that organization which was given an in-absence-type reply.

Will Yarmolinsky Take Over FBI? THERE HAVE BEEN STRONG RUMORS

One purpose of this issue is to prevent it. Yarmolinsky has a red record starting back in Harvard. Pictured on this page is the editorial staff of the "YARDLING," the Harvard Marxist Publication. Harvard graduates have told us this was regarded as a communist publication. Note ten of the fourteen are Jews.

HEADED FUND FOR THE REPUBLIC

After Harvard, Yarmolinsky was pushed up the ladder by the left wing. For ten years he was head of the Fund for the Republic in Washington and later became National Secretary.

When Kennedy was elected, he picked most of the appointments. Then Yarmolinsky was placed in the Defense Department where he muzzled the officers' speeches.

It is now known he wrote the article introduced by Senator Fulbright to disarm the United States and render us helpless.

FAMILY BACKGROUND NOT GOOD

His father, a Russian Jew, has written left wing books and is now in the New York Public Library. His mother, Babette Deutsch, is an aggressive demonstrator on the streets of New York. Her name is second on the list of International Sponsors for the General Strike for Peace. Both his parents are extremely active in the many communist fronts to which they belong.

REDS AT WORK

The wrecking crew is active again. The Federal Bureau of Investigation consisting of some 6000 agents is to be destroyed. For years the left marxist liberal forces have planned on destroying the House Committee on Un-American Activities and the FBI. They set up a special organization for destroying the HCUA and have used every method without success, but these wreckers are still at it. On January 2, four organizations plan on meeting in Washington to demonstrate and demand that Congress not vote to support the HCUA for 1963.

Among the organizations involved in this wrecking job on the House Committee on Un-American Activities are: For A More Effective Congress, The Emergency Civil Liberties Committee, The American Jewish Congress, The Anti-Defamation League and the Americans for Democratic Action. A few weeks ago W. H. Ferry vice president for the Fund for the Republic attacked the FBI. Remember that Adam Yarmolinsky was head of the Fund for the Republic in Washington for ten years.

A SPY IN THE FBI

For years the FBI has had their agents inside the Communist Party and now the enemy has placed at least one spy in the FBI. Jack Levine, a New York lawyer, joined the FBI, and after a year, resigned on August 4, 1961.

Just which organizations are guilty of placing him there is not known yet, but, apparently, it is the Communist Party or the Americans for Democratic Action or a combination of those mentioned above. While Levine was in the FBI, he made day-to-day records of everything he could see and hear

Adam Yarmolinsky.

Pictured in 1943 when he was editor of the "Harvard Marxist" publication "YARDLING."

and was busy continually asking questions. Levine now comes out with a smear which covers every bureau and activity, always being careful to give the most distorted picture of every move he could observe using figures, dates and names.

HOOVER SMEARED

J. Edgar Hoover, himself, could never give a detailed report such as Levine gave on New York Radio Station WBAI 99.5 FM on October 18 at 8 p.m. in a two and one-half hour attack. This smear had been submitted to news agencies and leading newspapers who refused it. However, it appears this attack will be carried on by

leftist organizations. Indications are that this is a methodical plot to destroy the FBI or to drive J. Edgar Hoover out and replace him with Adam Yarmolinsky. (There have been strong rumors that Yarmolinsky, now the behind-the-scenes director of the Defense Department, is slated for Hoover's position as head of the FBI.) God forbid!

MORE SPIES?

It is a mystery how Levine had the time for any FBI work in view of the minute investigation he was making. It looks impossible unless there are more communist spies inside the FBI who were collecting data and assembling this.

Some of the main points Levine makes are that the FBI has fifteen hundred spies in the Communist Party, and he is disturbed because this is such a burden on the government that he tried to contact Kennedy on this subject apparently to have these spies removed as they have the communists jittery.

Levine says the FBI takes the position the NAACP is a communist front and integration a part of the communist conspiracy. He blasts the FBI as anti-semitic. He also stated the FBI was opposed to the liberals and the American Civil Liberties Union. He reported that a bureau official in speaking to them referred to a "greasy sheeny" and also that one FBI agent stated in his presence he was not going to shake hands with any nigger. He described the eight-hour preparations the new FBI men must go through before meeting J. Edgar Hoover, how they must be dressed, their hair groomed, that they should always have an extra handkerchief to dry the palms of their hands before shaking hands with Hoover whom he described as an egotistical little god. (Please turn to page 4).

Pictured above is the editorial board of the YARDLING, the Marxist publication for circulation among thousands of students at HARVARD. Adam Yarmolinsky, editor. Picture taken in 1943. Seated left to right: Hunt, Pekowsky, Schlefer, Yarmolinsky, Mass, Susskin, Davis. Standing: Gittler, Benson, Freedman, Sadove, Solomon, Levenson.

Yarmolinsky is now Personnel Chief in Defense Department.

Investigate The State Dept.

JUST HOW RESPONSIBLE IS THE STATE DEPARTMENT?

Senator Thomas H. Kuchel
Senate Office Building
Washington 25, D. C.

Dear Senator:

There is a strong proclivity among communists, socialists, collectivists and New Frontiersmen, who are systematically destroying the traditional American way of life and planning to replace it with a one-world socialist government, to classify as "extreme" and "irresponsible" those Americans who intend to prevent this incredible treachery and protect American sovereignty, independence and freedom.

The enclosed copy of COMMON SENSE for August 1962, contains a brief but terribly revealing summary of the pattern in which our State Department, under all recent administrations and under the control of the Establishment and Council on Foreign Relations, has aided our Communist enemies, harassed, insulted and repudiated our friends and allies, protected and promoted communism and socialism all over the world, interfered criminally in the affairs of other nations, and has downgraded and all but destroyed our national sovereignty and our prestige. The list is not complete.

Ironically, the same issue of COMMON SENSE carries a letter by Assistant Secretary of State, Frederick Dutton to Senator Hartke which hurls the familiar charge of "irresponsibility" at the paper. As a subscriber to the periodical, I have never found it irresponsible or, in fact, anything but factual, revealing and informative about critical events which do not reach me through the insidiously controlled American press. I have nothing but commendation and respect for its patriotic publisher who has the courage, the initiative and the ability to expose the internal enemies of this country. I support his statement that millions of people believe the State Department is irresponsible. I am one of them and have no associates who think otherwise.

Considering the charge of irresponsibility, and its source, just how responsible is the State Department which has the insolence to impugn the reliability of real Americans because they dare to speak the truth?

HEADS STATE DEPT

Secretary of State, Dean Rusk

1. How responsible is an agency of the government which proposes to surrender our arms and military strength—our entire means of national defense—to a Communist inspired, Communist originated, and Communist dominated international agency in which the United States will continue to be outvoted, outmaneuvered and outwitted by its sworn enemies and their allies and dupes? Is this irresponsibility in the most fantastic sense of the word? Or is it also treason, treachery and utter madness?

2. How irresponsible is an agency which, while asking Congress for a 100 million dollar "loan" to the United Nations to pay for its crimes against Katanga, secretly gives 212 million of the taxpayers' dollars to that Communist-dominated instrument where it is quietly distributed to our enemies and the "neutrals" to reduce their delinquent assessments so they may continue in good standing to vote against our policies? Is that merely irresponsible, or is it also treasonous, dishonest and deceitful?

3. How responsible is a government which promotes, supports and finances the infamous UN atrocities against the Katangans under the name of "peace-keeping"? Was that just irresponsibility, or was it the most despicable and savage violation of Christian principles and civilized human precepts ever perpetrated by American "leaders"?

4. How responsible is a government which initiates an invasion against Communist Cuba and then scuttles all chances of success by withdrawing vital support at the critical time; so that the courageous nationals who were depending upon the integrity of the United States could be slaughtered or captured like sitting ducks? What brand of responsibility was that fiasco? And what is the word for the current gutless indecision about Cuba?

Mr. Senator, the list of conspiratorial actions emanating from Washington is a long and growing one. The foregoing are simply recent and shameful examples. The obvious indictments against the State Department and those who control it are incredibly grave, and the ultimate consequence of your allowing that situation to continue will be fatal to our country and to every concept of decency, freedom and sovereignty for which it has stood since it was founded by wiser and braver men of the past.

I urge that you initiate and support to the fullest extent of your influence a thorough investigation of the State Department and those alien forces which appear to control its policies. I urge that a searching examination be made of the relationship between the State Department and the Council on Foreign Relations to fix the responsibility for our disastrous foreign policy.

Mr. Senator, it is approaching High Noon in the crescendo of conspiracy against this country and the history of its freedom. I believe that you, as a representative of the people, owe it to your God, your country, your family and yourself to take immediate and forceful action to expose and demolish the insidious treachery which is leading rapidly, now, to the destruction of this country and the civilized world. Congress is our last hope. If you fail, the world falls with you. I hope that you will accept the challenge.

Very truly yours,
Murray C. Beebe, Jr.

EUROPE LAUNCHES AN S.O.S. TO AMERICA

Republished from—

Economic Council Letter No. 533
Mervin K. Hart, President
National Economic Council, Inc.
156 Fifth Avenue, New York 10, N. Y.

From Our European Correspondent
Paris, July 25, 1962

The stage has been set for a socialist take-over in Western Europe, a take-over that could run like clockwork and within a matter of months confront us with the nucleus of a one-world, socialist government. British Labor's obstinacy has given us a breathing spell. American Labor's determination and the American public's apathy may quite likely be the West's undoing in the end. The conditioning has been going on for months. We are hearing less and less about stopping communism, nothing about rolling it back. The new jingo is "peaceful social revolution." Kennedy recently echoed it in Mexico, Harland Cleveland in Europe, and Mennen Williams in Africa.

It is that vague term, "peaceful social revolution," that America should bear in mind; for Europe's Common Market, which started out as an excellent thing, is grad-

ually, behind our backs and as we are being pushed towards it, being given a new complexion. Behind the fine-sounding label of "an economic United Nations," the Common Market, with Britain and us in it, is slated to become international free enterprise's slaughtering pen. Recent developments will furnish an idea how far the program has gone.

George Meany corralled European labor leaders in Paris the last week in June to put the finishing touches to another of those innumerable "holding companies" for labor operation in the international political field that come in for no public scrutiny. This time it was the JOINT TRADE UNION ADVISORY COMMITTEE (JTUAC), formed to "advise"—lay down the law to, in laymen's English—the ORGANIZATION FOR ECONOMIC COOPERATION AND DEVELOPMENT (OECD). Mr. Meany told the boys that 25% of AFL-CIO's income goes for "overseas work," a euphemism for labor-socialism's political fight, in European countries. What right Mr. Meany or American labor has to reach out of the domain of American labor and meddle in world affairs is something a rudely awakened public is someday going to have to ask.

Meany's immediate objective abroad has never been concealed. He and Reuther want to establish wage scales identical with America's, in all industries, in all countries. To do so on United Nations level is out of

the question for the moment. The field is too big, the voracious little nations too poor. A European Common Market, dominated by and including Britain and America, offers the better solution. It is quicker, easier, and enough key Western nations would be in it to carry the rest by their own weight.

There are nuances to the reasons for desiring an international labor gang-up that would impose American wage levels all over Western Europe. For Meany and Reuther, it would force American industries that have fled abroad back into their clutches. They could never pay American wages in small countries with limited markets and exist.

For European labor leaders the game is purely political. And the plan is infallible. Upping wage scales to American standards would set prices soaring and industries crumbling. It would ruin their countries economically, but the accompanying upheaval would carry the labor leaders into power. And since they would count on remaining in power forever, any price it costs the nation is not too high.

Britain stalled the plot, by a hair's breadth, at the big international labor congress in West Berlin, the first week of July. Here is what happened.

George Woodcock, of Britain's TRADE UNION CONGRESS (TUC), faced a solid phalanx of European unions, regimented and paid by AFL-CIO, but nominally commanded by Belgium's Walter Schevenels in the

field. Schevenels is the Belgian secretary-general of the INTERNATIONAL CONFEDERATION OF FREE TRADE UNIONS, which is manipulated largely by American labor's Irving Brown. Brown was busy lobbying for the Common Market's 5-point labor plan, Germany's Willi Brandt, and AFL-CIO's proteges in Algeria. (Brown took the latter a \$150,000 war-fund check as violence against Europeans got underway).

The demand at which Britain balked was Schevenels' insistence on the right of a central, supra-national labor organization to move laborers from one country to another and put them to work anywhere they wished within the Common Market and linguistic barriers would cease to exist.

It goes without saying that the workmen sprinkled through member countries would be exponents (agitators, would be a better word) of the political-social policies of the men doing the scattering. And since this moving of workmen from one country to another would be constant, it goes without saying that a common wage level, (American scale!) would be a prerequisite. German workers moved into some factory in Italy or France would have no intention of taking a loss.

The Britishers balked. Whatever might be said of British labor leaders, they are first and foremost Britishers. Woodcock and his delegation were all for uniting with the continental unions to create jobs for unemployed workmen in their own countries. Bringing them into Britain, with all the trouble-making possibilities the tactic entails, was another matter. The world is told that the only obstacle barring Britain's adhesion to the Common Market is the thorny problem of agricultural exports from the Commonwealth. It is not exactly true. The reprieve the Trade Union delegates gave us in West Berlin may be only temporary. The pressure being applied is terrific, with all the "weight" of American leadership and AFL-CIO's warchest behind it.

The most illuminating part of the whole plot, for the ordinary American, should be its cynicism—the fact that Reuther, Meany, and the foreign labor leaders lining up with them cannot help but be aware of the misery that would accompany the upheavals their plan would make inevitable. Yet they are determined to go through with it, under the label, "Peaceful social revolution," to deliver the escaped "refugees" back into the hands of Meany and Reuther and make Western Europe labor-socialist.

This is not one of those chimeras of the lunatic fringe; it is happening, as George Woodcock found out last month. And only by doing something about it is the American at home going to escape being dragged along with the landslide he himself is financing and by his silence approving. In making the above statement, your correspondent is not editorializing; he is passing on a plea that comes from the hearts of countless thinking western Europeans.

REST IN PEACE

Dear God:

"Keep me always away from the honest, practical truths, that I may not be involved in earthly common struggles with the Devil himself"

"Let the other good people do it for me"

"Let ME rest in peace"

WHOSE STATUE DID YOU SAY?

By a Patriot

I see by the papers that the Government has voted to honor Gen. George C. Marshall with a statue somewhere in Washington. This is the man whose counsel so often lay athwart the best interests of the United States while he was in positions of power.

Robert Sherwood notes that at Teheran both Stalin and Voroshilov recognized the general as their friend—as, indeed, they should have, for it was Marshall who at the first Quebec Conference had plugged Stalin's plan for a diversion of Allied troops into Southern France rather than aiming them at the Balkans, that "soft underbelly of Europe," to use Churchill's rather bucolic figure. This left Stalin a free hand in Southeastern and Central Europe.

General George C. Marshall

Wedemeyer says of Marshall that he was a man corrupted by power and homage and "thus he became an easy prey to crypto-Communists, or Communist-sympathizing sycophants, who played on his vanity to accomplish their own ends."

Gen. Wedemeyer was concerned chiefly with the Far East. In 1945, Chiang Kai-shek's army, although even then beset by Red revolutionists, still occupied most of China. But by December 1949, Chiang had been driven out and China was in the hands of the Communists. "How come?"

According to John T. Flynn in The Lattimore Story, "The one central cause of this defeat was General George Marshall's demand that Chiang take the Reds into his government. When Chiang refused, General Marshall cut off all arms and supplies for Chiang."

"What shaped Marshall's fatal intrusion? That is a dark chapter which must yet be told," says Flynn. "In statecraft he was as pathetically helpless as a child. He was used. But the full story is yet to be unfolded. Yet Marshall himself declared that when Chiang refused to yield to the demands of the Communists he—Marshall—disarmed Chiang's government with a stroke of the pen."

Flynn is too easy on Marshall. "Pathetically helpless" indeed!—helpless in the face of Red advisors, perhaps, but firm and crusty with the advocates of a free world. Marshall could stand up to Sir Winston himself, "the old bulldog," defending Stalin's choice of location for a second front. And Marshall had his way.

This "pathetically helpless" man fought with Chiang Kai-shek and "told off" Gen. Albert Wedemeyer when that brash young man presumed to point out that China would surely go Red if Chiang did as Marshall told him.

When it looked as though MacArthur might actually win the Korean War, Dean Acheson stepped down for a season and the "pathetically helpless" George C. Marshall

was made Secretary of State as very likely, the only one in the country considered big enough to recommend MacArthur's dismissal.

Before they have filled every niche and street-corner in Washington with marble horses and their sometimes marble headed riders, let me recommend a really inspiring American for national recognition: the red-blooded, two-fisted Gen. George Patton, who expressed himself so clearly and forcefully on the Communist menace and who, like many another with strong feelings on that subject, was not allowed many more heartbeats with which to publish them. His jeep cracked up shortly after V-E Day. But even the Germans whom he conquered revered the memory of his fairness. They worshipped his gallantry and one of the garrison settlements outside Frankfurt is now known as Pattonville.

Gen. Patton's nephew, Frederick Ayer, Jr., quotes his uncle as follows in Yankee G-Man:

"For weeks Poles, Hungarians, Czechs, Austrians and others have been coming in droves to my headquarters. They begged me to come into their countries and occupy them before the Russians got there. They told me that otherwise there would be no chance in the world for them to set up free representative governments. They said, practically on their knees, with tears in their eyes, 'Come into our country now or we are finished.'"

"We should have done what these people asked. We could, quite morally, have torn up a few damned fool agreements and gone into all those places. We could have said that we were doing it to save the lives of a lot of our allies still fighting on the Eastern front. We could have done it then, and we should do it right now. Of course it might mean a war, but I have seen what is left of their armies. They are largely horsedrawn, their air force is almost non-existent, and their munitions stocks are low. Sure it might mean a war, but the Third Army and First alone could smash them in six weeks and have very few casualties. I'm afraid that the day will come when it will take six years and cost six million American lives."

The Famous Trojan Horse of Ancient History

THERE IS A TROJAN HORSE
WITHIN OUR GATES TODAY

In the semi-legendary war of the 12th century B.C., between the Greeks and and Trojans, for the recovery of the queen, Helen of Troy, the Greeks used a sly method to get into the city. They built a huge, hollow, wooden horse and placed soldiers inside it and wheeled it to the gates of Troy, saying it was an offering to their goddess. The gullible Trojans opened wide the gates and brought the wooden horse into the city. That night, the men inside the horse opened the door at the side of the horse and crept out silently. They then opened the city gates so that the whole Greek army could pour in and conquer the city.

Communism is like the Trojan horse that is secretly trying to capture our nation. Let us beware and alert to this danger, and each one do his or her duty to keep it from thriving.

Open Letter to President Kennedy

RICHARD KILBOURNE

Attorney at Law
Clinton, Louisiana
October 2, 1962

The President of the United States
The White House
Washington, D. C.

Dear Mr. President:

I am prompted to write this letter by recent events in the State of Mississippi.

The historical facts which I propose to relate are so well known that their repetition may appear to be redundant. However, the pious self-righteousness with which you and your brother, the Attorney General, have accompanied the brutal suppression of the people of the State of Mississippi has led me to the conclusion that these facts cannot be too often repeated.

The excuse for the invasion of the State of Mississippi by federal forces is a court order. The excuse for the court order is the Fourteenth Amendment of the Constitution of the United States or, more precisely, one portion of the Amendment which says:

"No state shall make or enforce any law which shall abridge the privileges or immunities of Citizens of the United States; nor shall any state deprive any person of life, liberty or property, without due process of law, nor deny any person within its jurisdiction of the equal protection of the law."

With the exception of the treatment accorded the American Indians, I doubt if there is a more shameful chapter in the history of the Republic than that which contains the history of the Fourteenth Amendment.

The history of the 14th Amendment began in the United States Congress on June 8, 1866. The Confederate States of the South had surrendered and were once more a part of the Union by having lost the war to secede. The legislatures of the several states, including those of the Southern States of Louisiana, Alabama, Virginia, South Carolina, North Carolina, Arkansas and Georgia, among others, had ratified the 13th Amendment which abolished slavery.

At this point, the firm and charitable hand of President Lincoln had been sullied by an assassin's bullet. A despotic and ruthless majority in the Congress took control of the government. By an unconscionable use of provisions in the Constitution which allow each Congress to be the judge of the qualifications of its members, this majority refused to allow the Senators and Representatives from the ten Southern States of Virginia, North Carolina, South Carolina, Georgia, Florida, Alabama, Mississippi, Louisiana, Arkansas and Texas to be seated. This was done in spite of another provision in the Constitution (Article V) which guarantees each state an equal vote in the Senate.

The purpose of this device was simple. It was to enable the rabid South-haters in Congress to secure, under color of law, the two-thirds vote necessary to submit the 14th Amendment to the legislatures of the states for ratification.

In this situation, a "rump" Congress, composed of Senators and Representatives from twenty-seven States of the Union, instead of from the thirty-seven States then in existence, passed resolutions proposing the Fourteenth Amendment.

The legislatures of the ten Southern States whose Senators and Representatives had been excluded from voting on the resolutions proposing the

14th Amendment in Congress, promptly rejected it as did the legislatures of the border States of Kentucky, Delaware and Maryland.

By the Spring of 1867, it had become apparent that the Fourteenth Amendment was doomed insofar as its passage depended upon the free will of the South. It had been rejected by the legislatures, still free, of thirteen states, leaving only twenty-four states to ratify. Inasmuch as three-fourths of thirty-seven states, or twenty-eight, were needed for ratification, a new approach was indicated in order to "move forward" with the Fourteenth Amendment.

The rabid majority in Congress was up to the task. The same "rump" Congress which had excluded the Senators and Representatives of the ten Southern States above mentioned, enacted the Reconstruction Act of March 2, 1867. Again, no senator or representative from ten of the Southern States was allowed to vote. The Reconstruction Act dealt with the ten excluded Southern States as "rebel" states and declared that no legal governments existed in them. It placed these states under military rule under domination of army officers appointed by the President. By means of the Reconstruction Act, these ten Southern States were completely deprived of all power of government.

The most amazing or, shall we say, the most "extreme" feature of the Reconstruction Act was a provision to the effect that in order for the so-called "rebel" states to regain the status of statehood of which the Reconstruction Act deprived them, each of them had to ratify the Fourteenth Amendment.

President Johnson vetoed the Reconstruction Act in an able message, stressing its harsh injustice and its many obviously unconstitutional features. He denounced it as a "bill of attainder against nine million people at once." Nevertheless, the same ruthless and rabid "rump" Congress passed the measure over his veto.

Military rule took over in each of the ten Southern States which the Reconstruction Act had designated as "rebel." Puppet governments, under military domination, were set up in each state and, literally at the point of bayonets, these puppet governments were alleged to have ratified the Fourteenth Amendment.

The prostrate and helpless "rebel states" of the South appealed again and again for relief from the Reconstruction Act to the United States Supreme Court. Each time, that august body, so quick nowadays to protect the minority from the ravages of the majority, found excuses to avoid ruling on the constitutionality of the Reconstruction Act and the Fourteenth Amendment. It has not done so to this day.

So you see, Mr. President, the Fourteenth Amendment was conceived in hate, born in infamy and nurtured by vengeance. The tragedy in the State of Mississippi, which we are now witnessing, is only a part of the bitter fruit of the unnatural union which spawned the Fourteenth Amendment.

Blinded by hate and thirsting for vengeance upon a fallen foe, the "rump" Congress of 1866 could not have foreseen that, in less than one hundred years, their places would be taken by a despotic judiciary, abetted by a ruthless executive department, unhindered by a subservient Congress, a combination which has made it possible for powerful forces to subvert the powers guaranteed the people by the Tenth Amendment of the Constitution, under what is commonly known as States Rights, and to use these powers for their own selfish ends, all in the name of the Fourteenth Amendment.

In the climate where you live, Mr. President, I am confident that these sentiments will be regarded as "unsophisticated." I do not expect my words to influence the course which, by your lights, is necessary. I can only hope that these words may be seen by some who still believe, as I do, that might does not make right.

Respectfully,
Richard Kilbourne

YARMOLINSKY

—o— Continued from page 1 —o—

According to Levine, Hoover forces all FBI men to buy his books and demands the names of those who refuse. Jack Levine says that in refusing he referred to the books as trash and was called in for three conferences.

He quoted Hoover as saying the Supreme Court aids communism. Levine says all FBI men who quit the service have their phones tapped and are trailed for a period of time, and this has the effect of preventing many dissatisfied men from quitting. Levine claims his phone is now tapped and that he is continually trailed.

Many good Americans in the past have been destroyed by this same kind of ruthless marxist men who are now attacking J. Edgar Hoover, such as Gen. Patton, Gen. MacArthur, Sen. McCarthy, Col. Lindbergh, Father Coughlin, and they are now working on Gen. Walker.

This could be the spearhead for an attack on FBI Hoover such as was loosed on Sen. McCarthy when they kept at him until they drove him into his grave.

If the Federal Bureau of Investigation is turned over to Yarmolinsky, that agency will be protecting communism in place of investigating it; all FBI agents will be withdrawn from the Communist Party and the communists will have the green light. The Left Wing has had such success in the New Frontier, they feel they can now take over the Federal Bureau of Investigation.

This runs true to form for 98% of the spies in the United States were Jews.

NOTE: Correspondent enclosed a copy of the 10-15-62 issue of "Common Sense" reflecting the article entitled "Will Yarmolinsky Take Over FBI? There Have Been Strong Rumors." This has been brought to the Bureau's attention in the past and it is a typical anti-Semitic article for the newspaper in question. It incorporates the allegations made against the Bureau by former SA Jack Levine and "Common Sense" states that now even the Communist Party has succeeded in using Levine as a spy within the Bureau.

Nothing derogatory concerning correspondent appears in Bufiles. He and his wife were contacted in 1949 in connection with our investigation of Alger Hiss, who had been a former neighbor of theirs.

My Dear Mr. Hoover:

I receive the bi-monthly publication COMMON SENSE and frankly I'm quite concerned with the October 15th. issue, headlined; WILL YARMOLINSKY TAKE OVER FBI?--There Have Been Strong Rumors.

Honestly, Mr. Hoover, the thought simply horrifies me. If such a thing happens then the satanic, jewish, communists will have a free hand and we freedom battlers will have sung our last song.

Is there any action at all that we could be taking, even at this late date, which will deter your boss of the Kennedy Klan, Robert. I feel that it's high time some of us let the chips fall where they may and get into the fight and help to stop the Kennedys cold.

Any suggestions from you as to whom I could contact and assist in our fight would be most sincerely appreciated.

Yours in the fight for our Republic,

Gentlemen:

Common Sense

Enclosed is envelope containing a "smear" sheet exactly as I received it.

It seems to me that back in the late thirties or early forties I received a pamphlet under the same name from somewhere in the middle west which supported Communism to the greatest extent.

I do not know whether there is any connection between the two but I feel it is possible it might be the same person or persons trying to exploit the American people.

Any information you can give me regarding this will be greatly appreciated.

With respect to the issue of "Common Sense," it was found under the windshield wiper of a Bureau car on 12/17/62 which was parked in the 1200 block of Market St., Wilmington, Delaware.

With respect to the post card and the issue of "The Coming Red Dictatorship," both were turned over to the Wilmington, Delaware Police Department on 12/17/62 by [REDACTED]

[REDACTED] who stated he found them on his automobile at 11:00 a.m., 12/17/62, while it was parked in the 800 block of West St., Wilmington, Delaware.

The post card and the issue of "The Coming Red Dictatorship" were turned over to SA E. JACKSON SWAN on 12/18/62 by [REDACTED] of the Wilmington Police Dept. No indication was made and no statement was made to [REDACTED] as to what, if any inquiry would be made concerning the matter.

It is known similar literature was left under the windshields of a number of cars in downtown Wilmington on 12/17/62.

With respect to the statement in the news item of 12/18/62, that "The local office of the FBI today confirmed that it had received complaints about the literature and was investigating," no such statement was made to any reporter of the Evening Journal or to any other person by any agent in the

Wilmington, Delaware Resident Agency. The only feasible explanation of that statement by the newspaper is that it is well known to all agents in the Wilmington Resident Agency that reporters of the local papers have rather free access to Police Department Reports, and in addition, past experience has shown that unidentified members of the Wilmington Police Department have apparently "leaked" information to their reporter friends.

On 12/19/62, [redacted] United States Attorney, Wilmington, made inquiry of the Wilmington Resident Agency concerning the literature, and requested SA E. JACKSON SWAN to review it and advise him whether or not its publication and distribution was a violation of any Federal statute, with particular attention to the possibility there might be a violation of the Extortion or Interstate Transportation of Obscene Matter Statutes. [redacted] was courteously, but definitely advised that a determination as to whether any act was a violation of Federal law was not within the authority of Special Agents of the Bureau, but was more properly within the authority and function of the United States Attorney, or the Department, depending upon the nature of the case. [redacted] then requested that he be given an opportunity to review the literature himself, and this was done on 12/19/62, following which, he stated he saw no violation of any Federal statute, but that he would probably write to the Department, advising it of the circumstances.

b6
b7C

With respect to the news item appearing in the 12/19/62 issue of the Morning News, the last sentence of which reads, "The Federal Bureau of Investigation says it is not investigating any such complaints," no such statement was made by any Special Agent of this office to any member of the press or to anyone else. It is noted, however, that [redacted] reporter for the Morning News, contacted SA ROBERT ANDERSON on 12/18/62 and inquired as to whether the Bureau was conducting any investigation concerning this matter. SA ANDERSON informed [redacted] that the Bureau was aware of the distribution of the literature. [redacted] was also advised that the FBI makes no evaluation concerning the character or integrity of any organization, individual, or publication, since the Bureau is strictly an investigative agency. [redacted] was also advised that

FBI Probes Anti-Semite Cards Here

Delmar Address On Literature

The Federal Bureau of Investigation is investigating a new anti-Semitic campaign launched in the Wilmington area over the weekend from a post office box in Delmar.

Thousands of printed cards were distributed in and on autos in the past few days. They urged Delawareans to organize behind the "Gentile Christian Society."

The local office of the FBI today confirmed that it had received complaints about the literature and was investigating.

It was also learned that City Solicitor Joseph Kwiatkowski's office received complaints through the Wilmington police and is studying city ordinances to see if any law is being violated.

USUALLY POLICE are powerless to stop such mass distribution of literature, in spite of its contents, unless the anti-littering laws are violated.

Postal authorities also are powerless to prosecute as long as such literature, even if sent through the mails, is sent first class.

The cards were accompanied by copies of the tabloid "Common Sense."

The cards being distributed urged Delawareans to write for further information to G.C.S., P.O. Box 171, Delmar, Del. The names of box holders are not released by postal authorities and the box might be a "dummy."

The cards urge persons to "Organize locally — growing fast."

"OTHER nationalities are well organized — why not us? Our worst enemy is ourselves! Back up our boys by protecting them."

The cards promise "strictly confidential" treatment of inquiries and "private interviews upon request."

"You can rely on us—men of character, believing in God and the Bible," is the pledge of the anonymous card.

The card also contains anti-Semitic language not reprinted here.

National headquarters for the "Gentile Christian Society" is in Pinellas Park, Fla. Common Sense is published in Union, N.J.

U.S. Attorney Checking Anti-Semitic Literature

U. S. Attorney Alexander Greenfeld said today he is reviewing anti-Semitic literature distributed recently in Wilmington to see if it constitutes violation of a federal law.

Greenfeld said the Federal Bureau of Investigation has turned over to him the anti-Semitic literature it received from Wilmington police.

Greenfeld said the literature is being reviewed to see if it violates federal statutes against urging violence or publishing obscene matter.

The literature urging Delawareans to join the "Gentile Christian Society" stated that further information could be obtained from G.C.S., P.O. Box 171, Delmar, Del.

It was learned today, however, that the person holding the box is not a resident of Delmar. An investigation reportedly was continuing to determine the location of the box holder.

Greenfeld emphasized that the Post Office can at no time open mail, even if it contains material in violation of the laws. The Post Office Department can act only if a person receiving questionable mail brings it to the department.

CONFUSION BREEDS DEFEAT

FATHER CRONIN SPEAKS FOR HIMSELF

Here is a highly-educated Priest with a good vocabulary who has read many books, hence believes himself to be an authority on communism. His education qualifies him to write interesting articles on what he knows about communism. Apparently, he knows little about "fronts," or fears to become unpopular.

The seventeen countries taken over by communism had only the Communist Party with which to deal. In the United States, we have a different situation.

When Common Sense began publishing, there were approximately 2,000 communist fronts in the U.S. Today authorities agree there are roughly 200, a number of which have infiltrated the government. Some fronts were consolidated; others were disbanded because of exposure, but the remaining 200 are influential, hard-core fronts. Fr. Cronin, like some other honest authorities, fears to oppose these fronts, because they have been set up by "so-called" Jews, who are regarded as sacred monkeys. Retaliation by the Jews prevents many from examining the origin of communism.

The public has been left under the impression that Fr. Cronin speaks for the Catholic Church. HE DOES NOT. He has confused and weakened the opposition to the red plague which is sweeping the earth.

Forty-three million Catholics in the United States, if correctly informed, could stop communism in sixty days.

FATHER CRONIN SPEAKS FOR HIMSELF

Republished from—

Los Angeles Tidings, March 9, 1962

It is one of the unhappy trends of our tense times that long conclusions are drawn from short assumptions. Straws in the wind suddenly loom up as haystacks; generalizations unexpected blossom in parched and ill-sown fields.

Such a pattern, we believe, is reflected in this week's furore involving Rev. John F. Cronin, S.S. Fr. Cronin is assistant director of the Social Action Department, National Catholic Welfare Conference. He has authored a booklet entitled: *Communism: Threat to Freedom*.

In a Washington news conference held last Thursday to announce publication of the booklet, Fr. Cronin took occasion to divulge some of its contents, and, in response to questions, made application of these contents to existing movements in the United States.

The contents of Fr. Cronin's booklet, as well as his application of them, represent his personal views on the nature of the Communist threat and on the nature of methods of combating that threat. Being his personal views, he has a right to express them.

There are others of equal authority and repute who disagree with these views. This certainly is their right, also. Provided that

HE CONFUSES AND WEAKENS THE WILL TO RESIST

Rev. John F. Cronin, S.S.

both sides avoid the use of opprobrious labels, such is a healthy condition of intellectual ferment among free men.

However, such healthy debate becomes unhealthy weighted when an individual's viewpoint becomes clothed with an authority not his own. Unfortunately, this seems to have occurred in this particular case.

Newspaper reports on Fr. Cronin's remarks at his news conference gave the impression that he was speaking with the authority of the Catholic Bishops of this Country. This is a very long conclusion indeed, one of those generalizations which, as we mentioned, have a tendency to blossom in an ill-sown field.

The Catholic Bishops of the United States, speaking as a body, traditionally set forth their views on current issues in a lengthy statement issued at their annual meeting each November. This statement bears the signatures of the members of the Administrative Board of the National Catholic Welfare Conference. Fr. Cronin's booklet does not bear these signatures.

We refuse to believe that Fr. Cronin would deliberately foster the impression that he was voicing an official policy and viewpoint in the name of the American Hierarchy. As a matter of fact, we are reliably informed that Fr. Cronin, subsequent to published reports of his news conference, definitely repudiated in writing any such impression as to his position. It is regrettable that this repudiation was not made more widely known.

Lenin said: "For every communist we have ten others willing and able to do their work."

Fr. Cronin's "Extremism"

Republished from *THE WANDERER*,
National Catholic Weekly, St. Paul, Minn.

By Dr. J. Lorac

A Front Page display in the New York Times of March 2nd, 1962 heartily pronounced the publication of a pamphlet by the National Catholic Welfare Conference against so-called "extremists of the Right." Although the release opens with the words, "The CATHOLIC CHURCH begins a national campaign today, etc.," it emphasizes in the body of the piece that the signature in question is authored by Fr. John F. Cronin, "a nationally recognized expert on the Communist movement for twenty years." This is of course, the kind of slanted and distorted presentation of facts so often indulged in by the Times. Fr. Cronin, I am sure, will be the first to admit that he does not speak for the "Catholic Church" any more than I do. So much for the authorship of the pamphlet.

Who are the "extremists" attacked by Fr. Cronin? Judging from the release, "extremists" are those who frown on forced unionism; who criticize foreign aid to Communist and Socialist countries; who point to the failures of the United Nations; who fear that the Federal Government is leading the country to Socialism; who believe that the danger of Communism is more internal than external, etc. If this be so, then we must conclude that all Conservatives, including many prominent members of the Catholic Hierarchy, are "extremists" who should be denounced as "dishonest and divisive"; people who "sow distrust in our nation at a time when national unity is imperative"; crackpots who "weaken our democracy" and paralyze American diplomacy. I submit that, although these and similar sweeping accusations appear in the pamphlet published by the NCWC, they are silly and preposterous just the same. Incidentally, was it not this same NCWC whose "experts" tried to sell us Fidel Castro as a well-meaning "social reformer" against the warnings of *THE WANDERER*, *The Tablet*, *Human Events*, and *American Opinion*?

In fairness to Fr. Cronin, it must be granted that he does reflect the views and fears of many Catholic intellectuals of unquestioned sincerity and patriotism. But the point is—and it bears repetition—that he does not represent the teaching authority of the Catholic Church, the Times to the contrary notwithstanding. For example he surely does not speak for Cardinal McIntyre, whose repeated and timely warnings about the dangers of UNESCO and similar Liberal pets are well known to all. Fr. Cronin surely does not speak for Cardinal Spellman, who, on December 10th, 1961, urged "all Americans to INTENSIFY their anti-communist programs" because we are now experiencing the Soviets' near-to-final chapter in world conquest. Fr. Cronin surely does not

Fr. Cronin's "Extremists"

speak for Cardinal Cushing, who, on December 6th, 1961, warned that, unless Americans are careful, they would soon find themselves "in the clutches of a Socialistic State," because "the central government has assumed unprecedented power and control over every State in the United States, and over every citizen in America." As if that were not enough, the Cardinal applauded the anti-Communist efforts of several rightist movements . . . They are well aware of the rapid advance of Socialism and Communism at home and abroad. They simply refuse to buy the Liberals' theory that the threat is not from subversion and infiltration, but rather from the military power of the Soviets.

Fr. Cronin emphasizes the "external" menace of Communism (in Europe, Asia, Latin America) while minimizing the "internal" danger. Actually, as M. Stanton Evans so lucidly demonstrates in a recent article the words "internal" and "external," strictly speaking, are meaningless in the struggle against Communism. "The Communist apparatus," he points out, "junctions everywhere simultaneously, and takes no cognizance of national boundaries." Besides, "Conservative apprehension over an 'internal' danger usually means . . . the failure of Liberalism to grapple with the very 'external' danger it professes to fear." While a whole book would be needed fully to substantiate this charge of failure on the part of our Liberals, Mr. Evans' admirable summary proves his point very cogently indeed.

In his effort to minimize the Communist danger, Fr. Cronin informs us that in the United States the Party has now "reached its lowest ebb" in terms of membership, finances and influences on American opinion and policy; hence, it is comparatively "weak and impotent." This unrealistic view is not shared by, among others, J. Edgar Hoover who, as director of the FBI, should know the score. While Hoover admits that card-carrying members have diminished in number, he assures us that the threat they pose to the Nation is actually greater now than ever before. Besides, as the 1959 Report of the American Bar Association so cleverly pointed out, "it is just as false to measure the strength of Communism in the United States by comparing the small number of Party members with the larger number of non-Communists, as it would be to measure the seaworthiness of a ship by comparing the area of its holes with the area of its hull. A few strategically placed holes can sink the largest ship."

What are the means proposed by Fr. Cronin to fight Communism? "[We must] build national unity and moral strength. Practice [our] religion; concentrate less on denunciation and more on giving leadership." We must be men of "integrity"; "work for racial justice and harmony," and so forth. These are all good things, to be sure but because they are only long-range antidotes, they fail to meet the danger here and now. In this context I cannot help recalling a little story told by the late Archbishop Noll some years ago in the pages of Our Sunday Visitor: It seems that a married couple was suddenly awakened one night by the presence of a thief in their room. The wife, petrified with fear, whispered to her husband to fetch his gun and force the intruder out. To which the husband calmly replied: "Darling don't be an extremist. The proper way to deal with problems is to go to the roof. What we must do is to endeavor to raise the moral standards of our community; to combat economic injustices, to see to it that our schools impress upon our children respect for other people's property; and, above all, to become shining exemplars of honesty in our dealings with others. If we do these things, then there will be no thieves to worry about. Now, please go back to sleep."

As I ponder over the admonitions of Fr. Cronin and his fellow-Liberals, the following disturbing thought keeps haunting me: Our situation in this Country at the present time may well be parallel in some respects to the one in Cuba three years ago. Let me explain. Shortly after Fidel Castro took over, I spent a few weeks in Havana visiting relatives and friends. (Incidentally, I was born and raised in Cuba, although I have been an American citizen for quite some time.) On that occasion I had the opportunity to discuss the Castro revolution with many Cuban intellectuals, including the "elite" among the clergy, and even several Bishops. They were all one hundred percent for Castro. When I told them that, in my opinion, he was nothing but a Communist puppet who would eventually turn their country into a land of misery and slavery, they ridiculed me as an "alarmist"; they claimed I was seeing Communists under every bed; they boasted that Cubans, being great lovers of freedom, would never tolerate a Communist dictatorship. They assured me that Castro was simply carrying out the social teachings of recent Popes; that, besides, a good dose of Catholic (!) Socialism was just what Cuba needed to put an end to the exploitation and economic injustices so long abetted by the capitalists, etc. Well, as time went on, I saw everyone of my predictions literally fulfilled. And what ever happened to my Cuban critics? Does Fr. Cronin care to know? I'll tell him. Many of them, who were still able to do so, fled to Miami; others are agonizingly waiting for a plane reservation to follow suit. What a tragedy if their lesson should be lost on us! We ignore it at our peril.

REVIEW OF FR. CRONIN'S BOOK COMMUNISM: THREAT TO FREEDOM

Republished from THE TABLET

March 24, 1962

By Janet S. McLaughlin

Father Cronin's controversial pamphlet deserves to be carefully examined to see how it adheres to truth, reason and historical fact. When your child brings home an examination paper with a grade of 60%, you do not ordinarily commend him for his excellence in getting 3/5 of the problems right. You explain to him that 60% is not a passing grade, and then you point out the errors he has made in the hope that he might do better next time.

Consequently we do not feel it necessary to comment on those portions of the book which are right. However, adherence to a standard of truth compels one to point out his fallacies which are numerous and so basic to the pamphlet that it is a duty to list them.

(1) "The basic threat of Communism is external, not internal." (p. 47)

There has been great effort to make the American people believe this "made-in-Moscow myth." Like the magician who cleverly talks his audience into watching the wrong hand, the Reds want us to believe that the Soviet Union is only a military threat, and that our internal security should be relaxed, in keeping with the Spirit of Camp David.

This hypothesis cannot be supported by the facts. The Communist threat is both external and internal, because Communism is an international conspiracy and recognizes no national boundaries.

The fact that makes the internal threat paramount is that the external threat IS internal. For example, the missile bases now being built on Castro's Cuba, 90 miles off the coast of Florida constitute an external threat. The internal threat is the United States policy which aided Castro to power and allowed shipments of Communist weapons and war materiel to be delivered to Cuba.

The great advance in nuclear weapons made by the Soviets, as proved by their

detonation of 40 nuclear bombs last Fall including the 50-megaton bomb, constitutes an external threat. The internal threat is the United States policy under which we unilaterally stopped nuclear testing for three and one half years and thereby allowed the Soviets, by sneak-testing, to wipe out our margin of superiority.

Soviet scientific and space advances constitute another external threat. However, the theft of our scientific secrets is the internal threat. General Arthur Trudeau, Chief of Army Research and Development, stated: "I say without fear of contradiction that the advanced state of Soviet technology today is due more to Soviet success in espionage and subversion than it is to their scientific apparatus."

(2) "After 1950, a sharp decline set in. At the present writing, it is fighting for its very existence. . . ." (p. 21) "Consequently the Communist Party here is down to a few thousand members." (p. 30) "Problems (of domestic Communism) . . . were mostly solved by 1950." (p. 32)

The fact that Communist internal threat in the 1960's is greater than ever, has been confirmed by high American sources. On Sept. 24, 1961, Attorney General Robert Kennedy stated on "Meet the Press":

"Communist espionage is more active now than ever before."

Herbert Philbrick said on Oct. 1, 1961:

"Numbers don't count. As one Communist told me: 'All we need is one in the right place at the right time.'"

Col. Rudolf Ivanovich Abel, the highest ranking Soviet espionage agent ever apprehended in the United States, spied for the Communists throughout most of the 1950's. In testifying about Abel before the House Appropriations Committee, Jan. 16, 1958, J. Edgar Hoover said: "I mention this case particularly . . . because there are some people who think that the matter of Soviet espionage is a thing of the past and no longer exists in view of the theme of peaceful co-existence the Soviets continue to expound."

The main reason why Father Cronin comes to the false conclusion that the threat of Communism died out in 1950 is because of his false assumption: He equates the Communist threat in America with the Communist Party. The popular belief that Communism in the United States is dwindling in power because the Party is dwindling in numbers shows a complete misunderstanding of Leninism.

Lenin's great contribution to Communism was his principle of the dedicated few. He coined the expression "the fewer, the better." He originated the Party of professional revolutionaries subject to military discipline. This is how Lenin was able to establish Communism with only 17 supporters and to take over Russia with only 40,000.

The real strength of Communism in the United States is in its underground apparatus plus the number of non-Communist organizations and individuals who will, either intentionally or unintentionally, collaborate with the Communists. For every Communist Party member, there may be 100 non-Communists who will do the work of the Communists.

The Communist apparatus faithfully follows the dictum laid down by Dimitrov at the Lenin School of Political Warfare: "Let our friends do the work. We must always remember that one sympathizer is generally worth more than a dozen militant Communists."

(3) "In the present climate of opinion, there is little danger that the Communist Party will achieve its goal of influencing American public thinking toward Soviet goals. It will not be able to shape the policy of our government." (p. 66)

This statement can be proved false even from Father Cronin's own pamphlet. On pages 62-3, Father Cronin correctly states

the main Communist tactics, including "The Communist Party favors . . . the stopping of United States nuclear tests and the banning of all weapons, including atomic, without adequate inspection; . . . no intervention in Cuban affairs and the giving of a free hand to the Cuban government." The Communists have up until this date been successful in achieving these goals.

Communist propaganda "shaped the policy of our government" by persuading the State Department to tell the anti-Castro forces they must leave Cuba; by putting an arms embargo on the anti-Castro forces which prohibited them from receiving shipments for which they had already paid, but at the same time allowing shipments to Castro; and by our Government recognizing Castro as the legitimate Cuban government even before he arrived in Havana. (Contrast this with our refusal to recognize the Freedom Fighters after they had obtained control of Hungary.)

For months after Castro took power in Cuba, many uninformed Americans persisted in the delusion that Castro was not a Communist. On Aug. 10, 1959, NCWC (of which Father Cronin is assistant director of the Social Action Department) issued a press release quoting a "supposedly well-informed priest" as saying: "If this (Castro's revolution) is Communism, then Christ was a Communist." Four months earlier, the Cardinal Mindszenty Foundation (which Father Cronin brands as extremist) issued a factual report showing that Castro's revolution was a Communist revolution which followed the same tactics the Communists had used so successfully in their conquest of China.

(4) "Front organizations found it difficult to find dupes (after 1950)." (p. 28)

On March 6, 1961, J. Edgar Hoover testified before a House appropriations subcommittee that there are currently 200 Communist fronts and they "have infiltrated every conceivable sphere of activity, youth groups, radio, television and motion picture industries; church, school; educational and cultural groups, the press, nationality minority groups and civil and political units."

(5) "The security clearance system used to keep Communists out of such positions (government jobs and defense work) has been quite effective since it was introduced in 1949 and perfected in 1951." (p. 26-27)

In 1956 the Supreme Court ruled that security risks could not be fired from non-sensitive Government jobs (Cole vs. Young), and in 1959 that executive department regulations to keep security risks from working on defense contracts could not be enforced (Greene vs. McElroy). Congressmen Walter and Scherer have stated that there are now more than 2,000 "known security risks who are working in defense plants."

Bernon Mitchell and William Martin, two top code experts, defected from the National Security Agency to Moscow in the Summer of 1960. In testifying as to why Cuba was lost to Communism, State Department officer Robert Hill said William Weiland, who was in charge of the State Department's Caribbean desk during the Castro takeover was "either a damn fool or a Communist." In 1961 State Department official Scarbeck was convicted of serving as a Soviet espionage agent.

(6) "Only three small unions are considered to be under Communist domination." (p. 30)

One of these unions controls all West Coast shipping. When Nikita Khrushchev came to America in 1959 he paid a courtesy call on the head of this union, Harry Bridges, at the union headquarters in San Francisco. Another Communist-dominated union controls the strategic metals mining industry in America. The third union, the American Communications Association, controls all the tines connecting the Pentagon and our overseas bases.

In 1956 Defense Department counsel Wilber Brucker, who later became Secretary of the Army, testified before a Senate Committee and was asked the question: "Are you conversant with the fact . . . that restricted telegrams coming in from the Pentagon have been intercepted by persons under discipline of the Communist-controlled American Communications Association?"

Brucker replied: "I am aware of that. . . I feel, sir, that that situation is 'nothing short of deplorable to be allowed to continue any longer than is absolutely necessary.' Six years later, this situation still exists and nothing has been done to remedy it."

(7) "Direct or indirect military conquest brought Communist control to Latvia, Lithuania, Estonia, Poland, East Germany, Hungary, Bulgaria, Rumania, Czechoslovakia, Yugoslavia, Albania, China, North Korea, North Vietnam, and Laos." (p. 14-15)

The most obvious error in this sentence is Czechoslovakia. All Americans should read a little book written by Jan Kosak, a top Czechoslovakian Communist, called "And Not a Shot Was Fired." This was a secret report presented at the University of Prague in 1957 which was never intended to be known by the West. It describes how the Communists took over the democratic, representative government of Czechoslovakia by strictly legal means. Kosak says: "All the changes which in their entirety present a revolutionary transformation of capitalist society into a Socialist one will proceed absolutely legally." This was confirmed by Peter Zenkl, the last Vice Premier of free Czechoslovakia who said, Oct. 29, 1961, in "This Week" Magazine that his country was conquered by the Communists "without the use of military force."

In the new book "The Cardinal Spellman Story," Cardinal Spellman says that on Sept. 2, 1943, President Roosevelt told him: "It is planned to make an agreement among the Big Four. . . Russia will predominate in Europe. . . He (Stalin) would certainly receive Finland; the Baltic states, the eastern half of Poland, Bessarabia."

Subsequently our President agreed to withdraw recognition from the anti-Communist King Peter-Mihailovich government of Yugoslavia and recognized Tito, agreed at Yalta to Communist control of Manchuria, agreed at Potsdam to Communist control of North Korea, agreed in 1946 that the Republic of China must form a coalition government with the Communists or be denied American aid, agreed in 1956 at Geneva that North Vietnam be surrendered to the Communists, and agreed in 1961 that the anti-Communist government in Laos be replaced by a coalition government in which Communists would hold key posts.

These countries did not go Communist by conquest. Communist control was imposed on them as a result of agreements made by United States Government officials.

(8) "There are three types of 'experts' whose credentials should be scrutinized with care. They are former agents of the F.B.I., former informants for the F.B.I., and persons who have had first-hand contact with the Communist Party, either as members or victims." (p. 37)

Court records and Congressional reports prove that F.B.I. agents, informants for the F.B.I., and persons who have had first-hand contact with the Communist Party as former members or as victims have a far better record of being correct on Communism than have high State Department officials, White House assistants and advisers, American Ambassadors to Soviet Russia, and the American representatives who participated in the Teheran, Yalta, Potsdam, Panmunjom, Geneva and Camp David conferences.

For instance, Ambassador Joseph Davies considered judgment expressed in his book "Mission to Moscow": "Stalin is decent and clean living. A child would like to sit in his lap, and a dog would side up to him. . .

The Soviet government has a record of keeping its treaty obligations equal to that of any nation on earth." Or, Secretary of State Dean Acheson's statement when the anti-Communists and Communists were locked in mortal combat in China: "We are going to wait until the dust settles in China."

Had our Presidents and Secretaries of State listened to F.B.I. agents and informants and to the victims of Communism, instead of to men such as Alger Hiss, Joseph Davies, Owen Lattimore and William Weiland, our Country would not be in its present position of peril.

The Communist effort to destroy the credibility of F.B.I. agents was given a boost by the way the "Worker" featured Father Cronin's pamphlet. The "Worker" (March 11, 1962) devoted two columns to quotations from Father Cronin without voicing any criticism, and then emphasized in boldface type Father Cronin's statement that the "credentials" of "former agents of the F.B.I." should be "scrutinized with care."

(9) "Sources of Information About Communism" (pp. 70-74)

The bibliography of Father Cronin's pamphlet reveals his bias as clearly as the text. Conspicuous by absence is Cardinal Cushing's outstanding book "Questions and Answers on Communism," although Father Cronin lists several books by men who were badly deceived by the Communists. Father Cronin's prejudice against our Catholic missionaries who know Communism from first-hand experience is again apparent by his failure to recommend any of the many fine books on Communism written by priests such as "No Secret Is Safe" by Father Mark A. Tennien, M.M.; "Calvary in China" by Father Robert W. Green, M.M.; "The Enemy Within" by Father Raymond de Jaegher, S.A.M.; "Four Years in Red Hell" by Father Bernard Smyth, S.S.C.; "The Communist Persuasion" by Father Eleutherius Winance, O.S.B.

(10) "Extremists of the right . . . whatever their motives. . . are effectively aiding the Communist cause." (pages 35-36)

"I hope it (my pamphlet) . . . will help to undermine the right-wing groups. They will be very unhappy about it but we wrote it that way." (Quotation from Father Cronin in "Newsweek," March 12, 1962, p. 60)

There is no papal encyclical condemning rightwing groups. There is no papal command to "undermine the rightwing groups." The great encyclical on Communism, "Divini Redemptoris," said that "Communism (not rightwing groups) is intrinsically wrong, and no one who would save Christian civilization may collaborate with it in any undertaking whatsoever."

Could the question be properly raised as to whether the Communists will benefit from the current attack on the right? On Dec. 5, 1960, the Communist Parties of the world, meeting in Moscow, issued this manifesto: "It is indispensable to wage a resolute struggle against anti-Communism." Cardinal Cushing said: "Ever since then every anti-Communist group has been attacked."

In an article in the August, 1961, issue of the Communist magazine "Political Affairs," Gus Hall, the General Secretary of the Communist Party, called for the defeat of the Right and its elimination as a present danger in American political life.

American Catholics must decide whether to follow Father Cronin and "help to undermine the right-wing groups" or to follow Cardinal Spellman, who said on Dec. 16, 1961: "I beg all Americans courageously to continue and to intensify their anti-Communist programs."

(11) "There is very little that the average citizen can do about Communism." (p. 50)

Here Father Cronin reveals the tragic thesis of his pamphlet: live a good, Christian

REVIEW OF FR. CRONIN'S BOOK
— Continued from page 3 —

life, but do nothing to stop Communism. This advice would paralyze anti-Communist action and resign Americans to the same fate suffered by the Poles, Hungarians and Cubans—all of whom led good, Christian lives.

Contrary to Father Cronin, there is everything the average citizen can do to stop Communism. By taking up the study of Communism, the average American can help to destroy what Cardinal Cushing called "the greatest asset the Communists have at the present time," namely, our "ignorance of their tactics, strategy and objectives."

More than a million letters have poured into official Washington against the recognition of Red China. These letters have been the decisive factor in preventing the State Department from carrying out its plans to recognize Red China.

Showing of the movie "Operation Abolition" by average citizens during the past two years were responsible for the 99% Congressional support of the House Un-American Activities Committee, despite the clever campaign to abolish it. Informed grass roots opinion can bring about the changes in national policy which can defeat world Communism.

The important part the average citizen has in the battle against Communism was accurately summed up by one of the great Christian leaders of our time, the former President of the United Nations, Dr. Charles Malik of Lebanon. In a speech made June, 11, 1960, he said:

"Communism started from zero 43 years ago. Today it rigidly controls one-third of mankind and has penetrated and softened up in varying degrees the remaining two-thirds. Was this phenomenal development inevitable? . . . If you believe that they were inevitable—that all these developments could not have been helped—then you are already a Marxist . . . I warn you, therefore, against declining to assume full moral-historical responsibility for what happened during the last two decades. The only hope is to believe, on a basis of truth and not of ignorance or sentiment, that nothing of what transpired was inevitable, and that everything could have been prevented or reversed . . . Western civilization is doomed unless (it is) jolted out of its complacency."

In his fine speech at the 1960 Founders Day ceremonies at St. Louis University, Dr. Malik added: "The first and most important requirement is a belief that the rollback is both necessary and possible . . . Do you really want to roll back Communism? Then you must be prepared to sacrifice much more than you have done. It is not by magic, nor by propaganda, nor by pious resolutions, nor by merely giving away your money, nor by comfortably sitting back and expecting that somebody else will do it for you, that you will succeed in rolling back the tide of Communism."

"It is by sacrificing your possessions, your pleasures, your comforts, your easy living, your time, your energy, your thought, and even perhaps your life. Never was it more true than it is today that he who wishes to save his own life must be prepared to lose it."

Make Mine Mental Health!

If you still believe in freedom,
And affection for our land,
If our history doesn't bore you,
And for truth you make a stand . . .
If collective schemes depress you,
And authoritarian claims,
Then it's time we should impress you,
With Mental Health and games! . . .
Because it's obvious to a doctor,
And a social worker too,
That dislike for things collective,
Means your mind ain't running true . . .
If our 'foreign aid' upsets you,
And our efforts to excess,
Why, man, it's plain as daylight:
Your Mental Health's a mess!
If our 'foreign experts' bore you,
As they second-guess our losses,
If our State Department floors you,
As they grovel to pink bosses . . .
If you gag at wheedling speeches,
And the never-ending strife,
Then it's time for mental treatment,
So that we can save your life . . .
If you harbor a resentment,
To those who dig our grave,
If you feel a surge of anger,
When 'Jack' obeys some knave . . .
If you itch to grab a shotgun,
When Eleanor Roosevelt bleats,
There's just no doubt about it,
You need restraining sheets . . .
If the great 'United' Nations,
(With UNESCO text-books flying),
Has made inroads on your school board,
And you just won't give up trying . . .
If you've written to the Senate,
Or sent letters to the Press,
We'll be down to get you, honey,
'Cause your Mental Health's a mess!

TO THE EDITOR

This is a sample of thousands of letters COMMON SENSE receives. We seldom publish any as it is more important that we use our limited space to expose the enemy.

December, 31, 1961

Dear Mr. McGinley:

This will be my last letter for this year, but I have put it off long enough. It is very easy to get so busy just trying to make a living and take care of your family that you forget there may not be a place for them to live and take advantage of the things you give them. Except for people like you that have guts enough to tell the truth, I'm sure there wouldn't be.

My job takes me to many foreign countries and I've always been proud to be known as a citizen of the USA. Now I'm almost ashamed, and would just as soon they didn't recognize me as such. The people of the foreign countries of course don't realize that our government does not represent the majority of the people; and when they laugh at you or look at you with nothing but contempt, you can't usually convince them of the situation that really exists.

I have tried for years to get people to read your paper. Now I'm thankful to say that many people are more easily convinced that they are not being fully informed by the daily papers; and some of the people I've talked to years ago are coming around wanting to know the names of the papers that I had recommended. So, people are waking up; if it just isn't too late.

Will try to be of help to you from time to time. You owe me no thanks. This check is not a gift to you. It is an investment in the future of my three boys.

Captain.....

CAPEHART ON FOREIGN AID

The following statement was made by Honorable Homer E. Capehart, United States Senator from Indiana, during a radio address on the Manion Forum:

"There are 110 nations in the world, unless some new ones have sprung up in Africa in the last few weeks and the news has not reached us as yet. Under the Foreign Aid Bill just passed by Congress, 97 of those hundred nations are scheduled to share in our TAXPAYERS' MONEY. Just think of that — 97 out of 110. Under the provisions of this new Foreign Aid Bill, we're going to help 54 NEW AFRICAN COUNTRIES.

Billions from the taxpayers of the United States have enabled Communist, and so-called neutral governments to survive and to collaborate with our enemies. This is true in Europe, Asia, the Middle East, Indonesia, and now we are confronted by the frightening threat of complete Communist control of Central and South America, following our TRAGIC FLOP in Cuba.

Since we have been giving foreign aid, the number of human beings that have fallen to the Communists has increased."

"A REPORT TO THE PEOPLE"

By Lt. Gen. Albert C. Wedemeyer

His recently released official report on China which was suppressed in 1950 by President Truman, has shocked the nation!

This timely speech delivered by General Wedemeyer at Dallas, Texas, unfolds the weaknesses in our foreign policy these past 3 1/2 years.

He gives the military count-down on three main battle fronts on which he can speak with experience: RED CHINA, LAOS and BERLIN. He knew Mao-Tze-Tung and his cohorts personally, conversed with them.

Hear the answers to these and many other questions thus far unanswered from the lips of General Wedemeyer.

Dear [redacted]:

I have received your letter of December 31st and want to thank you for the kind sentiments you expressed.

While I would like to be of assistance, the FBI, as an investigative agency of the Federal Government, does not make evaluations nor draw conclusions as to the character or integrity of any organization, publication or individual. Also, information in our files must be maintained as confidential in accordance with regulations of the Department of Justice. I regret I am unable to help you and trust you will understand the necessary reasons for these policies.

In response to your inquiry concerning the best way to fight communism, I feel it is vital that our citizens educate themselves concerning this evil philosophy in order that they will be able to resist its eroding influence. In opposing communism, it is important to study it, learn all you can about it and exhibit in positive ways the superiority of our form of government over any foreign ideology.

Enclosed is some literature I hope will be of interest to you. Perhaps you will also be interested in my books, "Masters of Deceit" and "A Study of Communism," which should be available at your local public library. These books will give you an insight into the true nature of communism.

Sincerely yours,

J. Edgar Hoover

J. Edgar Hoover, Director
Federal Bureau of Investigation
Washington D.C.

Dec. 31, 1962

Dear Sir;

copy
In early December I received a package of literature from someone in Santa Monica California (no return address). Among such pamphlets as, The Jews and their lies, What the Jews say about themselves, The Vanishing white race, etc. there were several copies of a so-called anti-Communist newspaper named 'COMMON SENSE'.

One edition of Common Sense (Oct. 15, 1962) had a lead story that expressed the fear that a Communist named Adam Yarmolinsky would replace you as Director of the Federal Bureau of Investigation upon your retirement. Then, on the last page of this newspaper the statement was made that ninetyeight percent of the spies in the United States were Jews.

What I would like to know is; Is there any basis in fact for such statements? If not, is there any way to stop these people from printing and distributing such false information? Is the Christian Nationalist Crusade (the printers of most of the pamphlets) anti-Communist as it proclaims to be or anti-race, color and creed as it appears to be? And lastly, how can I best fight Communism in my own community?

Your answers to these questions will be very much appreciated.

May God guide and bless you in your endeavours.

Sincerely yours,

Mr. J. Edgar Hoover
c/o F.B.I.
Washington, D. C.

Dear Mr. Hoover:

In last nite's Houston Chronicle I noticed the enclosed clipping relative to your surgery. I hope you are making a good recovery and will soon be as good as new.

For sometime I have been planning on writing you to ascertain, if such information can be revealed, if the F.B.I. was aware of the International Jewish Conspiracy which has been following the blueprint set forth in "The Protocols Of The Learned Elders of Zion." I knew of the existence of the protocols in 1938 from a Wichita Falls, Texas banker who owned a copy & lent it to a militant pastor there, who was making a talk against communism. Although, he made the pastor promise not to quote directly from it & to make a copy of the book & return it to his as soon as possible, he said that the pastor must have slipped somewhere on the first part of his promise as the next morning when he returned to his study he found it ransacked & the only thing missing, the copy he had made of the Protocols.

It wasn't until recently that I obtained a copy of the Protocols thru the National Christian Crusade but about three years ago I saw a Common Sense newspaper which quoted them and gave the name of the Jews in this country who had been carrying them out from Bernard Baruch on down. It appears that they have been the economic advisers of our Presidents from Woodrow Wilson on & have maneuvered us into depressions, wars and their so called super-government, "The United Nations." If the truth were known they are probably the instigators of the Cuban invasion & purposely caused its failure to bring on more chaos & world tension.

In 1957 when our three most able & conservative Senators, Byrd, Jenner & Malone quit under fire in their investigation of the Federal Reserve Bank it showed the power of the Illuminati, who are & have been for years our Invisible Government. I have talked to several learned people here who know the truth & are the type of patriots which founded & made this country great but each one differs in his solution. Of course this conspiracy has spread throughout the world like a cancer and will be hard to cure. A friend of mine who has been very successful here & who wrote the books, "The Federal Reserve Hoax" and "What's Wrong In Washington" says that the first step should be to have Congress buy back the Federal Reserve System (which according to the Act they have the right to do) and break the hold which the International Jewish Bankers have had on our money since 1913. stated that he had given up on the men after our three Senators mentioned above quit under fire & that our only hope was to have 100,000 women who knew the truth march on Washington and demand that Congress act to take over the Federal Reserve. If you know the true facts, which I feel confident you do, I am sure you have given a lot of thought to the best solution. Since it is an Anti-Christ Conspiracy we have God on our side so I feel confident that we will win out in the long run. However, if there is anything which we as individuals can do to expose the conspiracy and break its hold. I am for trying it before more innocent people get killed or are made to suffer.

I am not a member of the John Birch Society nor any other Anti-communist organizations, but I am in favor of taking positive action to end this conspiracy when a sound solution is worked out.

I would appreciate your views on this important matter.

One Nation's Response to Communism

NOTE: [REDACTED] is not identifiable in Bufiles. The article entitled "The Coming Red Dictatorship" which was printed in the publication, "Common Sense," has come to the attention of the Bureau on prior occasions. "Common Sense" is a notorious anti-Semitic hate sheet published by the Christian Educational Association of Union, New Jersey. This Association has in the past been the subject of a Racial Matters Investigation for purpose of determining whether the organization advocated, condoned or incited to violence for the purpose of denying others their Constitutional rights. (105-9621)

The Protocols of the Learned Elders of Zion are anti-Semitic pamphlets translated from foreign languages originally appearing in the 2-1-57 issue of "Common Sense." They are now being distributed by the "Christian Education Association."

"The Independent American," Post Office Box 4223, New Orleans 18, Louisiana, is allegedly dedicated to the defeat of socialist and communist influences and to promote individuals and organizations which believe that a political party based on constitutional states rights is the answer to socialism. It is published by Kent Courtney, and neither he nor this publication has been investigated by the Bureau. This newspaper sponsored an "Independent American Forum and New Party Rally" at the Morrison Hotel, Chicago, Illinois, on October 23 and 24, 1959. It is reported that the purpose of the Rally was the formation of a new political conservative party called "Independent American Party." Courtney entered this party on a Michigan ballot in the 1960 election. Legat, Paris, advised that this newspaper was one of several in the U.S. which receive the publication of the Neo-Nazi Movement entitled "L'Europe Reelee." In connection with a racial matters investigation concerning a Ku Klux Klan meeting on 7-7-61, an allegation was made that one Kent Courtney had reportedly served time for treason in World War II and was to buy a newspaper around the latter part of 1960 or early 1961. No arrest record located on Kent Courtney in Identification Division.

Mr. J. Edgar Hoover
Washington, D. C.

Dear Mr. Hoover:

Please state your opinion of reliability of "The Coming Red Dictatorship" as published by "Common Sense," Union, N. J. Do you have, and could you furnish me, a copy of the so called "Protocols of the Learned Elders of Zion" as was purportedly drawn up and passed at Basle, Switzerland in 1879, according to "Common Sense." No date given on this particular publication.

"The Independent American," P. O. Box 4223, New Orleans, La., in "Tax-Fax" no. 5 presents the way our various Supreme Justices voted on issues having to do with Communist immunity in our United States. Was this good or bad? Where does this lead us? What could be done about it?

"Common Sense, Issue 393, Oct. 15, 1962, says Adam Yarmolinsky is being pushed up the ladder by the left wing." It also says he may be the man to succeed you as Director of F. B. I.

Is he the man for such grave place of responsibility? If not, what could be done to keep such an appointment from being made?

Please send names and addresses of reliable publications that would give unbiased facts about our government, and what needs to be done by the average citizen to aid good government.

Thanks so much for the opinions and other information.

You have done, and you are doing, a wonderful job. I, along with others, appreciate it.

Sincerely yours,

Dear Mr. Hoover,

I do not know how to address a letter to you properly, so forgive me if it is presumptuous to address you like this.

I am troubled over a small bulletin which a friend from time to time hands to me. I enclose a copy for you to evaluate for me if you have the time. I just do not know anyone to whom I might send it for truth. I know that you will know if it is just a publication to spread racial hatred or if the charges made in its pages are true. Can you please help me to understand?

I am a farmer's wife and we have just a moderate income. We have a comfortable home and lovely 380 acre farm. But it so happens that we have a wealthy friend living in Chattanooga who comes often to our home because he and my husband are great lovers of quail, goose and dove hunting. This is how the friendship began. We are very fond of this man and his wife and theres nothing they wouldn't do for us. It is he who passes on this publication to me. He is very intelligent and wise, but for one thing, he hates the Jews. This worries me for I am a Christian and very familar with the Bible. I know of God's dealings with the Jews and his promises to them. To me the Jews are a people to be loved, but as far as that goes I have no prejudice toward any man that I am aware of.

Our friend often speaks of the Jews and always in an ugly way. I've tried to show him how unfair he is and told him of Biblical light on the Jews. But he is a very shrewd lawyer and I don't get anywhere arguing with him. He feeds his prejudice on such things as this enclosed publication and tries to convince me of the justice in his views with such junk(or so it appears to me) He gives statistics to show the large number of convicted spys as Jews and that all Jews are communists. He also is of the opinion that the Jews as we know them today are not the Biblical Jews. This I cannot agree with.

He'll never persuade me to share his hatred of the Jews, but I would like to know from an authority such as you if the paper enclosed is right.

I read in my Sunday School Times of your new book, A Study of Communism, and I plan to buy it at my first opportunity. Sending this letter by way of the publishers is the only way I know to reach you--and it may not work.

Thank you for so much of your time. And forgive me too, for asking for it.

With much respect for you,

Yours truly,

One Worlders To Surrender U.S. EGGHEAD WRECKERS AT WORK

Dear American —

Gentlemen — rarely in our history have the States used or needed the STATE MILITIA established by the Constitution (which never has been wrong). But now — with "dire peril" and "long twilight" stalking us all — the Federal Agency is trying in one way or another to DISARM US. This is probably the end of an era — a turning point in our history. The obligation of LEADERSHIP IN THE STATES was never so great as it is today. That Leadership needs the support of its own Militia. The States are solvent, while the Federal Agency is not. The World is in revolution while Peace prevails in the States. Surely this is no time to permit further intrusion into the States from a corrupt and irresponsible — if not actually disloyal — Bureaucracy. If the Federal Agency must go down, sharing the fate of every "democracy" of the past, the States need not fall with it. An informed, courageous and responsible State Government, supported by all its people, with its own Militia, can hold. Adapted from an "Open Letter to the Governors and Representatives of the Sovereign States".

The Disarmament Program

Republished from CLOSER UP,
P. O. Box 2223, Palm Beach, Florida

INTRODUCTION

Since the very beginning of recorded history dedicated "peace seekers" have sought to establish "peace on earth, good will to men" by means of world government and centralized control of all means of waging war. All such plans have ended in world chaos; the most grandiose and most nearly successful of such plans (Pax Romano) brought on the Dark Age which jeopardized "life, liberty, and the pursuit of happiness" for more than a thousand years.

With the coming of "world war," to the modern age, the "dedicated peace seekers" have redoubled their efforts to bring about — by their own abilities and denying God and His Christ at every turn — a world government which will ensure world peace by establishing a centralized control of all "offensive" weapons.

In the United States, this effort has been directed by a comparatively small group of men who have affiliated themselves in a semi-secret organization called The Council on Foreign Relations. Working in conjunction with more than 100 like-minded organizations and groups, this Establishment has gained control of the Executive branch of our Federal Agency, of its Judicial branch, dominates the Legislative branch; and exercises vast control over all State and local governments.

This group of "dedicated peace lovers" engineered the League of Nations Covenant, but at that time had insufficient power to "sell" it to the United States Senate. The group was more successful with its United Nations Charter; but in 1945 did not dare try to disarm the United States and turn over all armaments to the UN.

Now, however, with CFR-alumnus Kennedy acting as chief mouthpiece, the group has become more bold; sees total disarmament as an actuality in less than a decade.

IS DISARMAMENT CONSTITUTIONAL?

To "provide for the common defense" was the chief reason for the forming of a confederation of the original 13 States. If the Federal Agency is not to "provide for the common defense," there is little or no remaining reason for maintaining a Federal Agency. Most other things the States could provide for themselves through inter-State agreements, and at a vast saving in both time and money.

But the "peace seekers" have no desire to outlaw or dispense with the U. S. Constitution as a symbol of Federal Agency authority. There is a "revolution within the form" of Constitutional Government. So they side-step the Constitution, and never admit outright that it has been suspended or out-moded as a governmental document. Don K. Price explained the strategy in these words:

"Just as it has become harder in recent years to draw old sharp distinctions between domestic and foreign problems, between peace and war, or between public and private affairs, so it has become harder within our constitutional system to distinguish between the functions of the legislative and executive branches, or between questions of policy and those of administration . . . This is not to say that the Constitution of the United States is being flouted or ignored. It is the basic instrument of our government, and controls the basic distribution of its powers and functions. But as a matter of practical politics, we have fortunately recognized that the basic framework can be preserved best, if we do not worship it all the

incidental apparatus and procedures that the Founding Fathers had in mind. Back of our written Constitution we have developed an unwritten constitution that is much more complex than the unwritten British constitution, and equally responsive to adjustments in the balance of powers and prestige among its several branches."

Not one American in a thousand knows that our U. S. Constitution has been supplanted by an "unwritten constitution," but so says Don Price, and he's certainly in a position to know.

HIGH-PRESSURES THE UN

The CFR-gang became rather disgusted with the slowness and timidity of the United Nations on the matter of disarmament. As Paul H. Nitze observed in October, 1960:

"The fact that the UN General Assembly set disarmament, not the control and regulation of armaments, as the objective of the Disarmament Commission seriously hampered our negotiators at Geneva in their endeavor to get away from the sterile debate over ultimate objectives and on to a discussion of practical measures designed to mitigate and contain the dangers and risk of the present untenable and dangerous weapons confrontation."

Since the UN was acting too slowly to suit the "peace seekers" in the matter of quick and total world disarmament, they determined to act on their own — but in the name of the Government of the United States — by presenting to the Geneva Conference a ready-made disarmament proposal, and a promise that we would be the first to disarm and give all to the UN, if only the Geneva conferees would agree.

These foreign delegates have an idea that our United States Congress is the supreme

— Please turn to page 2 —

One Worlders To Surrender U.S.

Continued from page 1

lawmaking body, in our land (maybe they haven't heard about our "unwritten constitution"). So, it seemed highly desirable to have Congress pass a fitting and proper "Arms Control and Disarmament Act." This was duly approved and signed into law by President Kennedy.

While CER agents were busy guiding Public Law 87-297 through to enactment, the CER-controlled State Department was busy getting the disarmament program into writing. Since it was necessary (though a nuisance, of course), that the American people be told about the disarmament plan, and "sold" on its desirability, the State Department, in September, 1961, released its FREEDOM FROM WAR pamphlet (Dept. of State Publication 7277). This State Department program called for "general and complete disarmament" on the part of the United States and other nations, and the "progressive strengthening of international institutions under the United Nations" and the creation of a "United Nations Peace Force to enforce the peace as the disarmament process proceeds."

More and more, one gets the impression that the Kennedy Klashens and the Khrushchev Komrats have it all figured out that the world is theirs to divide up between themselves, that all nations must play the game according to their rules — and "all nations" include both Russia and the United States!

1963 may be our very last year to resist this total surrender of our sovereignty. Perhaps we should begin the resistance by holding every Senator and Congressman to the strict letter of the oath he takes as a servant of the people:

"I do solemnly swear that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely, without any mental reservation or purpose or evasion, and that I will well and faithfully discharge the duties of the office on which I am about to enter, So help me God."

DISARM?

QUESTIONS ALL AMERICANS MUST ANSWER

- 1) Who were the Founding Fathers of the United Nations?

Answer: Alger Hiss — U.S.A. — convicted of perjury as a result of denying he was a Communist while under oath.

Vladimir Grusha

Leo Pasvolksy

Philip C. Jessup — U.S.A. — Officer of Institute of Pacific Relations cited by Senate Subcommittee as a subversive organization.

Vyacheslav N. Molotov — U.S.S.R.

Admiral K. Radinov

Harry Dexter White — U.S.A. — linked to Communist Party, died before he could testify in Alger Hiss case; called a Communist spy by Attorney General Brownell in November of 1953.

- 2) At the present time, what is the Supreme law of the United States?

Answer: The United Nations' Charter is the supreme law of the land and supersedes the Constitution. Article Six of our Constitution states "This Constitution, and the laws of the United States which shall be made in pursuance thereof; and all treaties made, or which shall be made, under the authority of the United States, shall be the supreme law of the land." The United Nations' Charter was ratified by the United States Senate and signed by President Truman in 1945 as a treaty.

- 3) To what extent do the Communists now control the United Nations?

Answer: The neutral and Soviet blocs have the majority of votes in the council that would

"Hop Right Into These, Sonny!"

The Times-Picayune, New Orleans, Sunday

Keith A. Temple

rule the world. The Afro-Asian block, of itself, has half of the necessary votes and Khrushchev is making big strides in creating a whole string of left leaning "neutrals" such as Indonesia, Iraq and Ghana, who, at the present time, almost hold the balance of power in the General Assembly of the United Nations.

- 4) What are the six words comprising the Connally Reservation, and why are they important?

Answer: "As determined by the United States." These six words have thus far prevented the World Court from seizing jurisdiction over domestic problems within the United States. If this provision was repealed, those in control of the United Nations would rule us and we would be subject to them. Many of the representatives of these nations have no comprehension of rule of law, free enterprise, our Bill of Rights, or even our religious and spiritual heritage.

- 5) What group within the United Nations controls the UN Police Force?

Answer: The Secretary of the Security Council controls all UN Police Force activities. The Secretaries since 1945 are listed below:

1946-49 A. S. Sobelov, USSR

1950-53 K. Zinchenko, USSR

1953-57 I. Tchernyshev, USSR

1957-60 A. Dobrynin, USSR

1960-62 G. R. Aikadev, USSR

1962- E. D. Kiselev, USSR

The Communists always control the Security and Police Forces within nations they dominate and have always had this control within the framework of the United Nations.

- 6) Can we expect the Communists to live up to their agreements?

Answer: The Russians have broken over 90% of the treaties and covenants they have made with nations of the world and 50 out of 53 agreements negotiated with the United States since our recognition of their government in 1933. This includes their expressed promise not to engage in espionage within our nation, an agreement made as a basis of our recognition of their government.

- 7) To what extent can a disarmed United States depend on a UN Police Force to uphold justice and freedom?

Answer: Consider how have other nations fared under the "protection" of the UN: Hungary, Korea, Katanga, Tibet, Laos.

The experiences of the above listed nations demonstrate that God-fearing men cannot depend on a world police force in the charge of a Russian Communist to uphold their natural rights to life, liberty, the pursuit of happiness and their right to own property.

- 8) Has the United States taken any legal steps toward disarmament?

Answer: Yes, Public Law 87-297, 87th Congress. "The Arms Control and Disarmament Act." This law established an agency as a part

of the executive branch of the government commissioned with the task of implementing a program to disarm the United States. This grave responsibility falls on the shoulders of one man who is the head of this agency; a man who has the power to disarm all weapons within the United States.

- 9) Should the United States disarm, and hand our sovereignty to the United Nations?

Answer: Every American must supply himself with the knowledge and facts necessary to answer this important question. If you are convinced that this article means what it says, then begin telling other people what it stands for . . . the dissolution of the United States and our American heritage.

Let's Face Reality and Cope With Conditions as They Are

By MALCOLM KNIGHT

We have political polls of all kinds conducted for the sole purpose of indicating what the tabulators of such polls want them to indicate. If you want an intelligent first hand survey as to whether or not your country is secure and has a reasonable chance of survival as a free and independent republic as it was from 1776 until 1932, then you ask everyone you meet how many anti-Communist organizations they now belong to and how many anti-Communist publications they subscribe to and contribute to. You will be astounded to learn how few American people today are the least bit interested in the welfare or survival of their country, their religion or their very freedom such as they and their ancestors have enjoyed since 1776.

About one out of one hundred seemingly intelligent American adults today is actually intelligent enough to appraise the myriads of flagrant evidences we have had for the past thirty years, or more, showing that we are being deliberately pushed down the road toward enslavement under atheistic Communism by the most sinister and deadly serious conspiracy ever to operate so brazenly since the very beginning of our present recorded history. The great majority of American people today are seemingly hopelessly brainwashed, indolent, stupid jerks floating along without giving a serious thought to the survival of the freedoms to which they have been accustomed.

Until you can make such a survey among your friends and acquaintances and find that at least one-half of them name anti-Communist organizations that they do belong to and anti-Communist publications that they do subscribe and contribute to, the survival of the freedoms you have fallen heir to and have taken for granted are doomed to very shortly sink into oblivion.

Bear in mind while taking such a survey, that without having sense enough to know it, the ninety and nine seemingly intelligent friends and acquaintances who answer negatively to your survey are completely useless to their religion, to their country, to their children or even to themselves. Your religion, your country and the freedoms which you now take for granted are not at all secure until at least one-half of the ninety and nine brainwashed, indolent, stupid jerks who are not alert to where they are treacherously and deliberately being pushed, have been shocked or goaded into awakening and facing reality. The most vital question of today is: — Are the American people determined, through their own indolence and stupidity, to bring upon themselves a most horrible awakening experience before a sufficient number of them alert themselves and turn the tide and thus avoid the horrible experience which is inevitable unless a sufficient number of Americans do alert themselves?

The rise and fall of the United States is now being written. What part are you playing in this great drama? Are you one of the ninety,

and nine brainwashed, indolent, stupid jerks who, by your own stupidity, choose to continue floating along without seeing the obvious handwriting on the wall of time and by so doing choose to bring upon all of us the inevitable horrible experience through which we will learn the hard way? Or are you the one out of one hundred vested with sufficient wisdom to see what we are deliberately being pushed into and choosing to cope with the corruptive conspiracy by exposing the conspiracy to the sunlight of public opinion and thus turn the tide and avoid the otherwise inevitable horrible experience of learning the hard way, the way of the unintuitive, the stupid and the indolent? If you are one out of one hundred wise enough to see the conspiracy you will be condemned and ridiculed unmercifully by the ninety and nine because you are able to see reality a little more clearly than the masses.

It will be gravely interesting to observe which path the majority of the American people choose to take during the crisis which is now confronting us and forcing us to choose either the path of wisdom and progress or indolent stupidity and retrogression. Ever since the days of Adam man has had absolute power of choice and he has had to endure the consequences of his own choice. Every bitter experience man has suffered and endured could have been avoided had man chosen the path of wisdom and understanding instead of the path of indolence and stupidity. Which path the majority of American people will choose at this crucial time depends upon which path you, as a single unit constituting the majority, choose to take. Divine Law forces man to learn but he does not have to learn the hard way through stupidity and suffering unless he remains stupid and thus chooses the path of stupidity and suffering instead of choosing the path of progress through wisdom and understanding. Be wise and observant and don't miss any phase of the deadly serious drama now being enacted before your very eyes.

Letter By General Moseley

This letter written by Gen. George Van Horn Moseley, now deceased, is worth reading today.

ATLANTA BILTMORE
ATLANTA, GA.
August 1, 1949

Dr. Harmon W. Caldwell
Chancellor
University System of Georgia
20 Ivy Street, S.E.
Atlanta, Georgia

Dear Dr. Caldwell:

Recently I had the opportunity to read your circular letter dated June 20, 1949, wherein you appeal for donations to support the work of the National Conference of Christians and Jews. Holding you in high regard as I do, I was greatly disappointed to see your good name, as well as your high position, used to promote an undertaking that cannot succeed unless the Jews themselves change their age-old methods and come with clean hands into conference with Christians.

It is not a question of giving the Jews freedom in the exercise of their religion. Rightfully, they enjoy that now. But it is their traits as a race that have made them outcasts throughout all history. The problem comes down to us today unchanged. Their activities have resulted in their being driven out of every country wherein they have been domiciled, and America will be no exception unless the Jews themselves succeed in their plan to control America completely.

The most important problem before us today, locally, nationally and internationally, is how

Gen. George Van Horn Moseley
Eisenhower was General Moseley's
Aide for three years.

to save the world from Jewish treachery. There can be no lasting peace until that problem is solved.

Christ pointed out their shortcomings and their sins, and as a result, all their power was directed against Him. They are crucifying Him at every turn in the road today, while they still use their combined money and influence to smear and destroy anyone who dares to expose their real character and objectives. "Release unto us Barabbas — crucify Him" is still their slogan.

But let us confine ourselves to those events regarding the Jew that have occurred in your lifetime and mine. Just what Jews do you ask us to tolerate today? Do you include that pack of Jews living generally in New York City while they concocted their plans for the Russian Revolution and for the establishment of the bloody rule of Bolshevism throughout the world? They were financed, in part at least, by a New York Jewish banker. While the government of the Czars may have been unjust in dealing with the Russian Jews, when the Bolsheviks took over they liquidated some thirty million Christians in the years that followed their rise to power. The actual conditions existing at the time were well expressed by the Netherlands' Minister at Petrograd, in a communication received by Mr. Balfour September 18, 1918, from which I quote briefly: "I consider that the immediate suppression of Bolshevism is the greatest issue now before the world, not even excluding the war, which is still raging, and unless, as stated above, Bolshevism is nipped in the bud immediately, it is bound to spread in one form or another, over Europe and the whole world, as it is organized and worked by Jews who have no nationality and whose object is to destroy, for their own ends, the existing order of things." That prophecy stands today 100 percent correct.

Certainly you are familiar with the bloody government of Bela Kun in Hungary — all Jew controlled. Today, we are having trouble with a similar government in Hungary. The only reason we do not have such a government in the U.S.A. is just because the Jews, as yet, do not have the power to install it. One of Stalin's representatives in the Balkans is the Jewess Ana Pauker, Foreign Minister of Romania. She reached her present position after being trained in Russia, and after murdering those who stood in her way, including one of her own benefactors. There are many such Jews right here in the United States — Jews and Jewesses who have their assignments in the expected revolution. All this is exemplified by a concrete statement made by an old-time Jewish lawyer of New York City, who summed up the situation in these words: "We Jews are always the same. We squawk to high heaven when we think we are being persecuted, but we are the tyrants of the world when we rule."

Again I ask you, Dr. Caldwell, who are these Jews you ask Christians to tolerate? Your choice of the word "intolerance" is good, for one tolerates conditions or individuals that are low or very objectionable for one reason or another. Would you have us tolerate those Jewish spies who are so active throughout our country, some of whom are now being tried? Do you ask us to tolerate those Jews who are well-known leaders in the Communist Party, where they so often use so-called Christians as their stooges or Gentile front? In a detailed analysis of the Communist Party in one of our large cities, the report showed that well over 90 percent were Jews, and where a non-Jew appeared prominently, he or she was generally a front to cover the real actors. One Jewess proclaimed very loudly in the press several years ago, that all the thousands of Jews in the large city where she had lived for years, were communists; that if any were not, they were traitors to their great leader Karl Marx. No one contradicted her.

It has been reliably reported that over 75 percent of the evidence on file in the records of the Committee on un-American activities, is against Jews. Do you realize that in the crime records of the United States the Jews are conspicuous as leaders? If you will investigate communism, the liquor traffic, the white slave traffic, the dope traffic, the black market, you will run head-on into a pack of Jews. While non-Jews may be encountered, they are in the great minority. Add to this the vile publications sponsored so largely by Jews — publications which they distribute and sell broadcast to the youth of the land.

What will be the end of all this? Anti-Semitism is increasing by leaps and bounds throughout America and over the world. By their actions the Jews are fanning the flames. If the Jews do not mend their ways, punishment will be meted out to them surpassing in severity anything yet recorded in history.

You could perform a great service, Dr. Caldwell, if you could make the Jews realize the seriousness of their present situation, inducing them in the interest of peace at home and abroad, to abandon their un-American, worldwide plans. The Jewish race might then be respected and saved to render great service in a long suffering world.

Sincerely yours,

GEORGE VAN HORN MOSELEY

GEORGE WASHINGTON'S statement on the so-called "Jews":

"They work more effectively against us than the enemy's armies. They are a hundred times more dangerous to our liberties and the great cause we are engaged in. It is much to be lamented that each state, long ago has not hunted them down as pests to society and the greatest enemies we have to the happiness of America."

U.S. BACKS REDS IN CONGO

Robert Kweku Atta Gardiner, chief of United Nations operations in the Congo who was sent to the U.N. from Ghana, a communist country.

Ralph Bunche, attended communist meetings with two former admitted communists who testified before Un-American Activities Committee.

Finally, the UN has succeeded in crushing Tshombe after invading and slaughtering citizens of Katanga. So far, no one has shown where the UN got the authority to use mainly the U.S. taxpayers' money and hire 20,000 troops from countries all over the world to invade an independent country. If they can do that to Katanga, they can do it to any country.

The Chief Advisor of the UN Operations in the Congo, Robert K. Gardiner, was sent from Ghana to the UN. Ghana is a communist country, and it is not likely that they would send anyone but a communist, any more than the Soviet Union would send an anti-communist. During the crisis, U. Thant sent his first assistant, Ralph Bunche, to work with Gardiner, and the two of them gave directions to the UN forces in their charge against Katanga. Ralph Bunche has been identified by two of his former comrades as being a communist, and all UN police forces are under Eugeny Kiselev, a communist from the Soviet Union. Hence, we have the communists backed up by the U.S. which gave hundreds of thousands of dollars worth of military equipment, in addition to paying

half of the UN costs of more than \$300 million.

It is very likely in a few years we will find out that U Thant is a straight out communist.

Most people do not give a thought to distinguishing between the black Negro and the yellow Negro. The yellow, or part white, Negro is far more dangerous—I have dealt with them for sixty years.

Manning Johnson and Leonard Patterson, two black Negroes, attended communist meetings with Ralph Bunche who is more white than black. Johnson and Patterson have both confessed that they were communists and now, having turned from communism, they are helping to expose the communists; whereas Bunche, who is neither Negro nor White, but who is always posing as a Negro, denies he is a communist. He has therefore been able to "climb the ladder," and someone has even added a doctor's degree after his name. He is now in a spot where he is very valuable to the Communist Party. Manning Johnson was killed mysteriously while on the way to make a talk against communism in California, and Leonard Patterson is still alive.

"In that you will see highly recommended this little pamphlet called: 'AMERICA'S STAKE IN HUMAN RIGHTS,' published by a department of the National Education Association, the National Council for Social Studies—Stoddard in the now-banned and nationally famous—or infamous—"The 'E' in UNESCO" gives it to the children in Los Angeles. This innocent looking thing which sells for 25¢ sends you, and the children and teachers in Los Angeles to consult the works of at least 25 notorious Red front joiners—and for example, in just one of those books alone and one which is another specific Stoddard recommendation called 'Primer for White Folks' exposes the reader to 15 writers who share 440 citations for Communist activities. Among them Langston Hughes, self-avowed Communist W. E. B. Dubois, Dorothy Parker, Henrietta Buckmaster—and the two key UNESCO reference writers, utterly inescapable in any UNESCO reading—Gene Weltfish and Ruth Benedict. Their booklet titled 'The Races of Mankind' was originally a Public Affairs Pamphlet. That whole series of Pamphlets, much

used in all UNESCO teaching, is edited by Maxwell S. Stewart, who has just been named a 'Communist' before the McCarran Committee. That pamphlet was so loaded with Communist propaganda and implications of approval of the intermarriage of races, that it was barred by the War Department from sight and use of American soldiers taking Orientation courses during World War II—yet it is the KEY UNESCO reference given children all over the United States—and even to the babies in grades one through six under the innocent-sounding title: 'In Henry's Backyard'."

(There is much, much more of the same vein.)

U.N. COMMUNIST NEST

U. N. HIRES 20,000 MERCENARIES TO INVADE AND MURDER
— U. S. TAXPAYERS PAY HALF THE BILL

This article will correctly and carefully deal with the United Nations leaders since it started. The illegitimate United Nations is the successor of the League of Nations, a Jewish creation. Dr. Klee, of New York, in a speech January 19th, 1936 stated:

"The League of Nations was in no sense the work of President Wilson. It is essentially a Jewish creation of which we Jews may be proud. The idea thereof goes back to the Wise Men of Israel. It is a product of pure Jewish culture."

Lucien Wolf, in his official report to the American Jewish Congress, as Jewish plenipotentiary to the Peace Congress, stated:

"If the League of Nations would collapse, the structure so laboriously built by the Jewish delegation of England and the United States in 1919 would also collapse."

At the start, U. N. Secretary Trygve Lie was picked by Stalin and forced into office by Andre Gromyko, Chief U. N. Soviet delegate, who used strong threats on the United Nations' delegates. Lie held office from 1946 to 1953. Trotsky, ex Jew Communist leader of Soviet Union, himself one of the leaders of the Comintern, stated in his work "Stalin and His Crimes" that Lie was a member of the Comintern. In fact Trotsky devotes a whole chapter to the subversive activities of Comrade Lie.

As soon as Lie took office he appointed Arkady Sobolev as his assistant Secretary-General. He appointed Dr. Ivan Kerns, a communist from Czechoslovakia, as Secretary-General for legal affairs; Henri Langier, another communist, as Attorney General for legal affairs. Lie also employed Gubitchev, the Soviet spy.

This condition has not changed to date. The U. N. is packed with communists. It is a nest of spies enjoying diplomatic immunity—they can park their cars in front of a fire hydrant or run you over and kill you, and cannot be arrested.

Every time Lie was asked if he was a communist, his reply was that he was an officer in the Norwegian Labor Party, but failed to state that party was part of Lenin's Third International. Lie spent years in Moscow working with Stalin.

Space will not permit us to give Lie's complete communist record, but it is plain the first Secretary-General of the United Nations was a top communist.

Lie's daughter married William Zeckendorf, Jr. He and his father are the Jew real estate tycoons who own downtown property in forty states.

Dag Hammarskjold, next Secretary-General, deceived many people. He had to be tied up with communism judging from only one of his activities.

Paul Bang Jensen, a top member of the United Nations, took testimony in Vienna from 81 Hungarians who escaped from

BURMA RAT

U. Thant, Secretary-General of U.N.

Hungary during the 1956 revolution, several of whom were communists. Because their relatives in Hungary would be killed if the names became known, Jensen pledged he would not reveal their names. Hammarskjold demanded the names. Jensen knew Hammarskjold was the center of a communist nest and refused. Hammarskjold fired him. Jensen then exposed the United Nations as run by communists. Jensen was to testify before the United States Senate Internal Security Committee when communist agents kidnapped Jensen, held him for three days, and left him dead in the woods in New York.

Bo Gustav Hammarskjold, brother of Dag, is president of a group of men from several countries who put up one hundred million dollars in a Swiss bank to take over the mines in Katanga. At this time, Dag was killed in an airplane crash while a desperate effort was being made to crush Katanga so his brother could grab the most valuable mines in the world. Dag, no doubt, was a crook.

In Bo Gustav Hammarskjold's corporation, Sture Linner, Chief of Civil Operations for the U. N. in the Congo, controlled U. N. policy regarding Katanga. Fowler Hamilton, our United States foreign aid chief was also a member, and he turned foreign aid money over to the U. N. for war on Katanga. Under Secretary, George Ball, was also involved up to his neck. The State Dept. is hellbent to break down Katanga using our taxpayer's money.

Now we come to U. Thant, that Burma rat who is here in the United States directing the spending of our taxpayer's money, attacking Katanga to force them under communism which the Congo set up.

It is hard to believe we live in a time when a man from Burma can use our money, soldiers, bombers and jet fighters to murder people in Katanga, and the television, which cooperates with this world government outfit, states that it was "self defense."

Kennedy was asked by the State Department who controls him in foreign activities to send more help for the U. N. in the Congo.

Kennedy (or his advisors), to be in the clear with the gullible public, sent Lt. Gen. Louis Truman as head of a military mission to the Congo to investigate and report to Kennedy.

First, General Truman was sent to U Thant in New York City where Thant and the communist-identified Ralph Bunche instructed Truman as to the report he was to bring back. Truman knew then what he was going to do, for he took along 35 advisors and technicians which he later used to crush Katanga. Truman stayed one day in the Congo then returned, advising Kennedy to send trucks, 20 2½-ton trucks, three transport planes and much other equipment, for the bloody aggression under a communist, E. D. Kiselev, U.S.S.R. in the U. N. This had to be rushed through before Congress was to meet on January 9th.

Thant says he worked out a peaceful settlement between Indonesia and the Dutch. In cooperation with the State Dept., the United Nations pulled the same stunt it has done many times before. It forced the Dutch to give up New Guinea to Sukarno, the communist head of Indonesia.

As soon as Thant was elected Secretary-General, he appointed Eugeny Kiselev, communist of the U.S.S.R., and Ralph Bunche, a negro who has been identified in sworn testimony by two former communists as having attended many communist meetings with them. These two were appointed as close assistants to U. Thant. Thant is very strong for accepting red China as a member of the United Nations. Thant says the U. N. will grow stronger and stronger until it becomes a super-state or world government.

Before coming to the U. N., Thant was publicity director for the left red organization "Peoples Freedom League" in Burma.

The United Nations' charter states the U. N. is not to interfere in any nation and here we have a situation where 20,000 troops from different countries, with the latest weapons, attack Katanga who wants to be independent and separate. Seven of the Irish troops were eaten by the Congolese. Several hundred members of the Congo government, most of whom cannot read or write, are drawing \$30,000 a year, which is more than our Congressmen get, and this

Congo operation is costing 12 million dollars a month, most of which comes out of the pockets of our taxpayers.

These U. N. schemers, by forcing Moïse Tshombe to bring Katanga under the Congo government can use the funds derived from copper and cobalt mines in Katanga. The U. N. goes all out against a little country like Katanga, but ignores Hungary where the people are suffering under communism.

Thant leased an expensive apartment in New York and in a few months was evicted and sued for \$5000 for wrecking the apartment—which reminds us of Castro and his group when they came to the U. N. and were staying at Hotel Teresa in Harlem—they left chicken feathers all over the apartment.

Victor Gollancz, member of the British Socialist Party in 1939, made the following two statements:

"The great ideal of Judaism is that the whole world shall be imbued with the Jewish teachings and that in a Universal Brotherhood of Nations—a greater Judaism, in fact—all the separate races and religions shall disappear." (The Jewish World of 9th February 1883).

"The ultimate aim should be that Judaism, Christianity and all other religions should vanish, and should give place to one great ethical world religion, the brotherhood of man." (British Jewish Chronicle of April 16, 1948).

James P. Warburg, German born Jew, before the U. S. Senate, February 17, 1950 stated:

"You will have World Government whether you like it or not, if not by consent by conquest."

According to Dispatch, August 1, 1945, Pasvolsky, who drew up the United Nations Charter, is a Russian-born Jew who has become one of the leading advisers of the U. S. government. Of him the well-known American columnist, Arthur Sears Henning, has written in the Chicago Daily Tribune as follows:

"Leo Pasvolsky, Russian born ardent internationalist, knows more about the new League of Nations to preserve peace than any other person in the world. That's because he wrote the first draft of the charter of the World Peace League and attended its revision and amplification all the way from the first day of the Dumbarton Oaks Conference to the last day of the San Francisco Conference. He bids for fame as father of the Charter President Truman has appointed Stettinius the United States Representative in the World Peace League. And Pasvolsky is to go right with Stettinius to the capital of the league when it is selected, to guide the American delegate through the maze of the charter and provide him with the answers to the questions which will arise. For Pasvolsky knows all the answers, can even give them before the questions are asked He was brought into the department as an economist and successively advanced to the highest rank, outside of those positions filled by Presidential appointment subject to Senate confirmation. Pasvolsky, now a naturalized American Citizen, was born at Pavlograd, Russia, 1893, and came to this country with his parents in 1905 He has published several works on Russia including the 'Economics of Communism'."

Alger Hiss worked with Pasvolsky in setting up the U. N. charter, and Hiss hired the first 500 employees which have now grown to 4500, mainly a nest of spies, Bolsheviks and traitors.

Following are a few quotations which substantiate the above:

"All property of other nations belongs to the Jewish nation, which consequently is entitled to seize upon it without any scruples." (The Talmud, Schulchan Aruch, Choszen Hamisphat 348).

UNITED NATIONS BUILDING

DEN OF INIQUITY — TOWER OF BABEL

"The promise of Jehovah for the Jewish people to rule the world, and for the Jews to hold high places in the World Government has arrived." (Morris A. Levy, Secretary of the World League of Liberal Jews, in a letter dated October 24, 1946).

"The League of Nations is a Jewish idea. We created it after a fight of twenty five years. Jerusalem will one day become the capital of world peace." (Nahum Sokolov, in 1922, at the Carlsbad Zionist Congress).

The Jewish World of March 10, 1927, reports Nathan Strauss as saying:

"Jerusalem will be the Peace Capital of the World."

"Jerusalem is not only the capital of Israel and world Jewry; it aspires to become the spiritual centre of the world as envisaged by the Prophets." (Ben-Gurion, Israel's present Prime Minister, as reported in the London Jewish Chronicle of December 16, 1949).

U Thant has just been elected for a term of six years. These facts should arouse any good-patriotic American to bring this situation to the attention of their friends so good Americans concentrate on the United Nations and U. Thant and run both out of the United States.

The State Department working with U. Thant has been rushing the bloody aggression on Katanga to crush them before Jan. 9th when Congress meets. Nine Senators signed a protest against State Dept. for their action against Tshombe.

WRITE YOUR CONGRESSMEN AND SENATORS.

WHO RUNS UNITED NATIONS?

In our issue 146, Sept. 1, 1951, we published a partial list of the Jews, heads of departments in the United Nations at that time. Likely they have a stronger hold on the U. N. today, remaining quiet and busy among the 4500 employees. Believing this is of interest to the subscribers since 1951, we republish.

All that is now required is for the two giant power mechanisms, one operated by American Jewry under the pale blue and white Israeli colors, and the other by Moscow, to merge into one giant "Super State."

Plans call for giving to the U.N.O. all atom, hydrogen bombs—armies—navies—air forces, for they are "too dangerous to be left in the control of any power or group of powers." Ultimately the U.N.O. Army and atom bomb force, operating from Jerusalem, will be used to stamp out any Gentile revolt. The Jewish U.N.O. will be supreme and anything which can be interpreted as "anti-Semitism" (U.N.O. Genocide Convention, drafted by the Polish Jew Professor Raphael Lemkin, now on the staff of Yale University will cover the "crime") will be punishable by prison or death.

Because the rule of the U. S. S. R., as outlined in COMMON SENSE'S issue No. 143 which listed Jews in key spots in Communist

countries, so neatly interlocks with the United Nations Organization, a partial listing of Jews in the U.N.O. is now being published.

In Los Angeles there is a publication called "The California Jewish Voice" and the masthead carries these words: "Largest Jewish circulation in the West." The editor, Sam B. Gach, in the issue of October 26, 1962, devotes a whole front page column, 21 inches long, to attacking me. Sam, be careful! Becoming excited like that is bad on the heart.

We read all the Jewish publications, and all are the same. They have all been pulling for communism until about 1948, when it appeared that Bolshevism might not take over the world—and the Jews did not want to be on the losing side, so they began to soft-pedal.

Here is a sample of Mr. Gach in Jewish Voice, August 1941. This is the kind of people who smear us and want to control our government.

Lenin's Heritage

This month thousands of workers and progressive people throughout the world commemorate the death of the immortal theoretician, inspirer, organizer and fighter for the freedom of humanity, Vladimir Ilyich Lenin.

Lenin led the people of Russia from the dark night of tsarism to the highest stage of democracy. Lenin and his disciple and continuator Stalin guided the Russian people in the building of the great Union of Soviet Socialist Republics. Today all of humanity benefits from the moral and political unity, the courage and heroism, the resourcefulness and fighting ability of the Soviet people who are inflicting such significant blows against the spine of the entire Axis—Hitler's armies.

In the spirit of the Lenin heritage the Soviet Union has been first to puncture the myth of Nazi invincibility, the first to wipe out the Fifth Column and render it ineffective, the first to teach Hitler's mechanized brutes the reality of retreat. The Soviet Union was the first country in which woman was fully emancipated, in which women took their place as equal, unrestricted builders of their land, economy and culture.

The Jewish people will never forget that the Soviet Union was the first country—and is still the only country in the world—in which anti-Semitism is a crime.

Lenin's heritage is the heritage of complete equal rights for all peoples, of the abolition of national oppression. On this Lenin Memorial it is well to recall and reread the great documents of national freedom proclaimed by Lenin and Stalin with the dawn of the young Soviet Socialist Republics. These documents translated into life under the leadership of Stalin have guided one sixth of the surface of the earth from a prison of nations to the country in which millions of our brother Jews greeted their first dawn of freedom in security and equality.

We publish part of the decree on the uprooting of anti-Semitism, issued by Lenin on Aug. 9, 1918 and part of Joseph Stalin's statement on anti-Semitism to the Jewish Telegraphic Agency on Jan. 12, 1931.

Here is another nice one in Gach's paper: Dr. Louis Reynolds, writing in California Jewish Voice, July 5th, 1946, stated: "I cannot conceive of any Jew in the role of an enemy of the Soviet Union. To me such a Jew is a monstrosity, a travesty of everything that is decent and right."

"We will bury you"

"We do not negotiate on the basis of the 'give-and-take' principle. We have nothing whatsoever to 'give'—we will not make any concessions, because our proposals do not form the basis for a barter deal."

(Khrushchev's speech in Tirana, May 30, 1959)

Bunche Faces Pair Who Tie Him to Reds

By ROBERT PARKER

Dr. Ralph J. Bunche, head of the United Nations Trusteeship Department, dramatically faced two accusers for more than 10 hours yesterday as a five-man U. S. loyalty board started closed door hearings on Communist infiltration of the UN staff.

Details of the meeting were not disclosed by late last night with the session still under way. But it was known that Bunche Nobel

Dr. Ralph Bunche—4 hours before probes

Peace Prize winner, was brought face to face with two former Negro Communist leaders—Wanning Johnson and Leonard Patterson—who accused him of Red sympathies and belonging to Communist front organizations.

WHO SMEARS US?

We have been smeared for so long we seldom read through the ridiculous things, and 90% of them go in the waste basket.

The Jews have brought attacks on themselves down through the years in every country of any consequence. They keep crying persecution, but never explain why they are the only people who experience this. The Jews would have us believe they are right and the whole world is wrong. Being aware of their guilt for hundreds of years in Europe, when it appears that some one in the U.S. is going to expose them, they are so touchy they become hysterical. They remember being run out of practically every country in Europe—four times out of England.

The Jewish Question

The Jewish question is the most important question before the world, not excepting the hydrogen bomb, war, juvenile delinquency, and what is known as Communism (Bolshevism). Thousands of people know this, and millions of people in the world know the Jews have been at the bottom of all movements which have disrupted governments. All the time and money spent in combatting Communism is wasted if we are to allow the Jews to keep hidden their part in bringing about the frightening situation facing the United States.

It is extremely important that people who do sound thinking understand what happened in Europe during the many years past; why the Jews abandoned Europe and have been swarming into the United States, South America and other countries. It is important because these same Jews who ruined Europe, and brought about the death of millions of people in two world wars, are right in these United States today and boast that never in the history of the world have they had so much power.

The Jews have used their influence on the Immigration Dept. to prevent the public from realizing there are at least 13 million Jews in the United States today, four million illegally.

In their Jewish publications, whenever they refer to their population, they say their number amounts to about 5½ million. This, of course, is ridiculous, but they do this for two reasons: (1) They must account for the six million Jews killed in Germany (which number is, of course, false, the number of Jews dying from the bombings and other causes, having amounted to some 300,000). Compare this with 30 million non-Jews who were killed by the Jewish-controlled Soviet Union before the U. S. was forced into the war by the American Jews to save communism. (2) The Jews do not want to excite the American people through the latter's realization that there is such a large number of Jews in the country.

During 1940 and 1941, a number of polls were taken—one of them by the New York NEWS, the largest paper in America—these polls showed that 83% of the population were opposed to the U. S. going into the war; but the hysterical Jews, with the backing of the Roosevelt Administration which they controlled, and with newspapers not daring to go against them for fear of becoming bankrupt through loss of advertisers, led us into the war, regardless.

It is well to realize that today, with twice the number of Jews in the U. S. and with the added power of television, which they completely control, they are in a position to push us into another war—or prevent us from protecting ourselves against a ruthless nation.

We have proof by the thousands of the fact that they, and they alone, financed and set up communism in Russia in 1917 and then spread it over the world, and that they are a Christian-hating world conspiracy. This, regardless of all their brotherhood campaigns.

The above gives you the reason that COMMON SENSE constantly gives you proof of this anti-Christian conspiracy.

THE TESTIMONY OF THE BRITISH GOVERNMENT

"The danger is now so great that I feel it my duty to call the attention of the British and all other Governments to the fact that, if an end is not put to Bolshevism at once, the civilization of the whole world will be threatened. This is not an exaggeration, but a sober matter of fact. . . . I consider that the immediate suppression of Bolshevism is the greatest issue now before the world. . . . and unless, as above stated, Bolshevism is stopped in the bud immediately, it is bound to spread in one form or another over Europe and the whole world, as it is organized and worked by Jews who have no nationality and whose one object is to destroy for their own ends the existing order of things."

Confidential report of Britain's representative in Russia quoted in the White Paper entitled Russia No. 1 (1919). A Collection of Reports on Bolshevism in Russia issued by the British War Cabinet in January 1919.

THE TESTIMONY OF THE RUSSIAN GOVERNMENT

"The events which took place in Russia during 1905, and which assumed especially acute forms at the beginning of October last, when, after a series of strikes, they brought about an armed revolt in Moscow, and many other towns and localities of the Empire, plainly indicate that the Russian revolutionary movement . . . has also a quite definite international character. . . . One is bound to the conclusion that there are foreign capitalist organizations which are interested in supporting our revolutionary movement. . . . If we add to the above that, as has been proved beyond any doubt, a very considerable part among these heterogeneous nationalities is played by Jews, who, as singletons in other organizations, as well as through their own, have always come forward as the most bellicose element of the revolution, we may feel entitled to assume that the above-mentioned foreign support of the Russian revolutionary movement comes from Jewish capitalist circles. . . . Moreover, certain very significant facts . . . quite confirm the obvious connection of the Russian revolutionary movement with foreign Jewish organizations."

Confidential report of Count Lamsdorf, Russian Foreign Minister, the *Car Nicholas II*, quoted in full in the *American Hebrew* and *Jewish Messenger* of July 13, 1918.

THE TESTIMONY OF THE AMERICAN GOVERNMENT

"In February, 1918, it was first discovered that a revolution was being fomented in Russia. It was found out that the following persons as well as the banking-house mentioned were engaged in this work of destruction: Jacob Schiff (Jew); Guggenheim (Jew); Max Brelung (Jew); Kuhn, Loeb & Co. (Jewish Banking-house), of which the following are the directors: Jacob Schiff, Felix Warburg, Otto Kahn, Mortimer Schiff, S. H. Hanauer (all Jews). There can be no doubt that the Russian revolution, which broke out a year after the information given above had been received, was launched and fomented by distinctively Jewish influences. As a matter of fact, in April, 1917, Jacob Schiff made a public declaration that it was thanks to his financial help that the Russian revolution had succeeded. In the spring of 1917, Jacob Schiff began to supply funds to Trotsky (Jew) to bring about the social revolution in Russia. . . . Through Stockholm, the Jew, Max Warburg, was likewise furnishing funds to Trotsky and Co. . . . Thus the communists were set up between the Jewish multi-millionaires and the Jewish proletarians. . . . It will be manifest that the Bolshevik movement is in a certain measure the expression of a general Jewish movement and that certain Jewish banking-houses are interested in the organization of this movement."

Report of the United States Secret Service on the financing of the Russian Revolution sent by the U.S. Government to all the Allied Governments of World War I.

THE RED GUILLOTINE

She's A Woman, 60, But Widely Feared

By Nino L. Bello
Greensboro Daily News, Oct. 21, 1962

BERLIN, Oct. 20—Her name is Hilde Benjamin, and her title is Minister of Justice for East Germany. To the Germans, however, she is "The Red Guillotine"—and well the most feared executioner in any of the Communist satellite countries.

Frau Benjamin, now 60, earned her odious nickname in November, 1950, when in the period of one week she guillotined 41 persons, two of them pregnant women, who had tried to sneak into West Germany. Since then the blood-stained witch (another friendly appellation she's known by) has chopped the heads off more than a thousand people to show her Moscow bosses she knows how to carry out the law.

The Ministry of Justice keeps the official government blade in the cellar of the menacing greystone, People's Court Building on Rathausstrasse. According to East German law, all decapitations must be supervised by the Minister herself. Moments before she nods for the heavy ax to be released, Frau Benjamin usually engages the condemned in quiet conversation.

Lives Alone

Hilde Benjamin lives by herself today, forever surrounded by three huge bodyguards who keep an around-the-clock eye on her.

Two top communists in East Germany are Hilde Benjamin and Gerhard Eisler (public relations chief), both Jews.

ARE WE TO SUPPORT THE WORLD?

When the government cannot collect the money quick enough from the taxpayers, they borrow from Wall Street bankers. The interest on that is NINE BILLION a year and the taxpayer must pay this also. It is now known that the money we gave to the Latin American countries was used to pay their debts to European countries.

HAVE YOU HAD ENOUGH?

KENNEDY-ROOSEVELT

This article is interesting in view of the fact Kennedy pledged himself at Roosevelt's grave to take up the banner where FDR laid it down.

Hon. William Lemke of North Dakota in the House of Representatives, Saturday, July 26, 1947.

Mr. Lemke. Mr. Speaker,

We entered World War II—a war that others started and we finished. That war, to date, has cost us over \$450 billion. We collected \$190 billion in taxes, and plunged the Nation \$260 billion into the red. Our national debt, with future obligations, now amounts to some \$623 billion. This is about four times the total indebtedness of all the other nations. It is more than twice the normal value of all the property in the United States. The end is not yet. If we continue this international lunacy, then it will be just the beginning.

The total expenditures of our Government, from its birth in 1776 to 1933, were less than \$90 billion. This included the Revolutionary War, the War of 1812, the Mexican War, the Indian Wars, the Civil War, the Spanish-American War and World War I, up to 1933, and, in addition, all the other functions of our Government. Compare this \$90 billion with the over \$887 billion spent in the last 15 years—the Roosevelt global era.

A Great American Is Gone

Merwin K. Hart, one of the top real Americans of today, died November 30, 1962 at the age of 80.

Mr. Hart founded the National Economic Council in 1930 and has done a most remarkable work in correctly informing many people on the meaning of Americanism. He had courage, ability, and used good judgment in fighting his many battles for his Country.

We trust proper arrangements will be made to carry on the patriotic work started by Mr. Hart.

Americanism . . . defined

IF you want your father to take care of you, that's Paternalism.

IF you want your mother to take care of you, that's Maternalism.

IF you want Uncle Sam to take care of you, that's Socialism.

IF you want your comrades to take care of you, that's Communism.

BUT

IF you want to take care of yourself, that's AMERICANISM.

Dear Mr. Hoover,

I am sending you this copy of a newspaper which was put in my car one night recently. I read it and I think that it is a communists inspired newspaper.

I am a Sr. in High School and we are studying communism. I have one of your books before me now. "A Study of Communism."

Please look into this, and I would like to know if these people are doing anything wrong by printing this kind of stuff.

Thank you for your time,

Sincerely,

Dear Sirs,

I write to you in request of information concerning a newspaper publication I came across the other day. I read two issues and both were filled with hate against Jews ect. and it was against the U. N. most of our important people and even the president of the U. S. I have never written before and unfortunately like most citizens dont pay much attention to these things but I was quite concerned and cant figure how this is allowed to be printed This may be my own personal opinion and I could be way off base.

Strangely enough the name of the paper is "Common Sense"
(America's Newspaper against communism)
Union - New Jersey

by Christian Educational Assn.
530 Chestnut St.
Union New Jersey

What I would like to know is whether this paper is on the list as subversive or has communist bearings. I realize the very name of the paper ect. are supposedly anti communist but after reading some I cant help but feel that its true tendencys are opposite. According to what I read every bodys no good. This I cant believe. I believe in our country, way of life, and our leaders

Hopeing to hear from you in the near future.

respectfully

Dear Sir:

Last year I wrote for information on Communism and the Communist Conspiracy. With the information you sent, I was able to talk to many groups about the Communist Conspiracy. I also made use of the film Operation Abolition.

The last few months I have been receiving a small newspaper called Common Sense. This is from the Christian Education Association of Union, New Jersey. The paper is very slanderous and slanted, especially against the Jewish people.

Could you please give me some information on the organization printing the paper and how they happen to get my name?

If you would like any copies of the paper, I could send a sample of what I receive. *(signed)*

March 18 - 1963

Dear Sir:

Find enclosed a copy of a newspaper which I have much doubt about as far as it publishing the actual facts and its source of information.

As you can easily see this issue has an article about the F. B. I. However, paper covers a wide range of printing on other Governmental matters.

I try to inform myself on many of the important issues of this day and age - so I read all the important articles I can. A person from another state sent me some back issues of this "Common Sense" paper and after reading some of the articles, I began to wonder just how much truth was in what I was reading.

I am wonder Sir if your Dept can enlighten me on this paper or is it a means of confusing the reader so they are left to form there own ideas.

Any help you can give me will be greatly appreciated.

Yours Truly

RE: UNSUBS; FIVE MALE MEMBERS OF "ACTION
GROUP" WHO ATTENDED "COMMON SENSE" MEETING

For the additional information of New Haven, [redacted] ([redacted] Well Drilling Contractors, Box 99, Wilton, Connecticut) wrote to the Director in December, 1961, stating that he greatly admired the Director's courage, patriotism and devotion to America and pointing out that he and all his "copatriots" knew that internal subversion is the real enemy.

b6
b7C

New Haven should immediately institute an investigation to determine the activities of [redacted] and his group, bearing in mind the criteria of certain organizations to be investigated under Chapter 122 of the Manual of Instructions.

b6
b7C

New Haven should ascertain if [redacted] has a permit to carry a firearm and the fact that he is alleged to always carry a firearm should be brought to the attention of appropriate local authorities.

b6
b7C

New Haven should promptly review its files on [redacted] and any of his associates and submit a detailed letterhead memorandum setting forth background information on them.

b6
b7C

Efforts should be made to obtain photographs of [redacted] and other possible suspects for the purpose of display to the source of information of the New York Office.

b6
b7C

Any photographs obtained should be displayed by the New York Office to the source of information for identification purposes. It may be well to include photographs of other individuals along with those of [redacted] and [redacted] and any other suspects possibly developed by New Haven in order to check the accuracy of information being furnished by the source.

NOTE:

A detective of the New York City Police Department who was working undercover with the Fighting American Nationalists (FAN), front group of the American Nazi Party, attended a meeting on March 17, 1963, in Union, New Jersey, at the offices of "Common Sense," which is an anti-Jewish newspaper published by the Christian Educational Association. At this meeting there were five males of an "action group" and the spokesman of this group, who was self-described as being of German descent, stated the group believes in the violent overthrow of the U. S. Government "when and if necessary." No names were mentioned at the time and New York, New Haven and Newark have been attempting to ascertain the identity of this group. New York has now furnished the information that the spokesman for the group was one [redacted] of Wilton, Connecticut.

Dear Mr. Hoover:

Enclosed is the foremat of a publication which my father-in-law confronts me with every month or so, along with deprecations of the present administrations. Could you please supply me with any information at all concerning this paper? When I say I looked up this "Common Sense" slogan and it is and has been the Marxist adage, originating there, I am answered that the publication should then be sued. I say that this trash is unworthy of the distinction of being sued, and that people believe as they choose whether "proved" false or ignored. The whole issue is a mass of propaganda, and I shake with rage over it; but I know nothing about it. Is there any way at all to check this? As for suing them, what is the reason? After all, even freedom of the press excludes defamation of character. Anything you could tell me would be greatly appreciated.

Sincerely,

Gentlemen:

I would like to secure information concerning
two magazines. They are "Common Sense" and ~~Quotes!~~
Quotes!! Quotes!!!

Magazine

The first of the two, April 1, 63 issue is a little
obscure and hard to judge but the latter, is purely anti-Semetic
and rabble rousing!

They were both given to me by the same fellow,
which leaves me to believe they tend to serve the same purpose.

Further "Common Sense," seems so patriotic
that it smells fishy.

I would appreciate information concerning them.

Dear Sir:

O
Common Sense

A few days ago I received the enclosed literature in the mail. Needless to say, I was appalled by it's contents and I feel the need to express my anger and fear that such material is being circulated.

I question whether this might well be the work of Communists. Certainly it does little to expose the dangers of communism and much to sow the seeds of doubt and mistrust in our public officials and to stir up racial tension and strife. Also, the one paper, is in my opinion, pornographic literature in itself.

Can you please inform me if this organization actually exists and also what action I may take to counteract such anti-Christian, anti-American efforts as these. I know of others in our town who also received these three papers.

Sincerely,

/s/

DEAR FRIEND:

There's a special reason you should attend our next
Forum meeting, to be held:

SUNDAY, APRIL 21, 3 P. M.
530 CHESTNUT STREET
UNION, N. J.

Following our well-attended and enthusiastically received ARAB meeting, will come this Sunday, an authoritative presentation: Crisis in the Congo. It will feature a film, a series of rare shots, taken by a Rhodesian Correspondent. It is the only factual and documentary film, showing how years of American missionary work were nullified overnight, by our criminal decision to crush Katanga.

These questions are answered and well-covered in the lecture accompanying film:
1). How much has the UN-US "CONGO-OPERATION" really cost the American taxpayer?
2). How many millions did it cost America to lose it's good name in Cent. Africa?
3). What can the U. S. do to gain it's former image in Central Africa?

The presentation closes with a special recorded statement by Moise Tshombe.

Because of the unusual nature of this presentation (the film carries a royalty and the special Projector is very expensive) we are charging 50¢ adm.

OUR YOUTH AT MERCY OF FIENDS

FILTHY LITERATURE BREAKING DOWN YOUTH FOR COMMUNISM

Abraham Rubin, arrested in his car with a load of "filthy material."

Edward Mishkin has a long record of arrests for dealing in pornography.

Samuel Roth, admitted to seven arrests and four jail terms for dealing in obscenity.

What is the lowest form of humanity? I have seen some awful cases. I know! all about the skunk, and the polecat. My personal experience tells me that the buzzard is about the dirtiest thing on earth. Then we have the sewer rat. But then we have the pornography rat. It's a shame that there is not a law that he can be shot immediately on conviction, for drawing pictures and writing articles and books to entirely corrupt the child's mind to a point that he might as well be a dope fiend. Do you want your child to end up this way?

Your newsstands are full of these dirty 50¢ books—and I mean DIRTY. If your child attends a public school, the chances are that its library has some, or many dirty books. Parents should first investigate—learn the truth—become enraged—then throw the books out of the school, or throw the school board out. You may be surprised to know that school boards—many of them—will defend these books and you will have a fight on your hands.

This is part of the battle between the forces of Christ and of Anti-Christ. This is a plan to so demoralize our people that they will be easily confused and taken over. And at the bottom of all this rotten, demoralizing, anti-Christian propaganda is the Jew.

The number of filthy books written, published and sold today is entirely too great to list. Just one of them is "The Last Temptation of Christ" published by Simon & Schuster. This Jewish house in New York publishes quite a number of dirty books, and has on its board a man who has been identified as a member of the Moscow Spy Ring.

Many parts of the book are too rank for us to give you here. Quoted are only a few of the 487 pages of utter filth, with pages indicated:

PAGE 15

"Someone came last night in my sleep," he murmured under his breath. "Surely,

it was God, God. . . or was it the devil? Who can tell them apart?"

PAGE 25

" . . . he went to Cana, his mother's village, to choose a wife. His mother had forced him; she wanted to see him married. . . So there he stood, a red rose in his hand, gazing at the village girls as they danced under a large, newly foliaged poplar. And while he looked and weighed one against the other—he wanted them all, but did not have the courage to choose. . . Descending upon him with her red sandals, unplaited hair . . . was Magdalene, the only daughter of his uncle . . . The young man's mind shook violently. 'It's her I want, her I want!' he cried, and he held out his hand to give her the rose. But as he did so, ten claws nailed themselves into his head and two frenzied wings beat above him, tightly covering his temples. He shrieked and fell down on his face, frothing at the mouth. His unfortunate mother, writhing with shame, had to throw her kerchief over his head, lift him up in her arms, and depart. From that time on he was completely lost. . ."

PAGE 86

"Magdalene lay on her back, stark naked, drenched in sweat, her raven-black hair spread out over the pillow and her arms entwined beneath her head. . . wrestling with men on this bed since dawn had tired her out. Her hair, nails and every inch of her body exuded smells of all nations, and her arms, neck and breasts were covered with bites. . . The son of Mary lowered his eyes. He had stopped in the middle of the room, unable to go farther. . ."

"Is this why you mixed yourself in with my lovers, to hoax your way into my house in order to bring God the boogeyman down to me here on my hot bed?"

PAGE 449

(Mary Magdalene and Jesus together. Jesus speaks:) "What is it? Speak without fear, Beloved." (Mary M.): "If you're in the seventh heaven and a passer-by requests a glass of water of you, descend from the

seventh heaven to give it to him. If you are a holy saint and a woman requests a kiss of you, descend from your sanctity in order to give it to her. Otherwise you cannot be saved."

PAGE 450

"Jesus seized her, threw back her head and kissed her on the mouth. They both turned deadly pale. Their knees gave way. Unable to go further, they lay down under a flowering lemon tree and began to roll on the ground.

"The sun came and stood above them. A breeze blew; several lemon flowers fell on the two naked bodies. . . Now and then a bull could be heard bellowing in the distance, rested now and satiated. A gentle drizzle cooled the two burning bodies and drew out the odor of the soil. Purring, Mary Magdalene hugged the man, kept his body glued to hers."

And further on in this foul book:

PAGE 482

(Judas speaking:) . . . "As he faced the cross this fake Messiah went dizzy and fainted. Then the ladies got hold of him and installed him to manufacture children for them." (Addressing Jesus:) "Your duty was to mount the cross—that's what I say! You boast that you conquered death. Woe is you! Is that the way to conquer death—by making children."

PAGE 485

(Jesus speaking:) "I am a traitor, a deserter, a coward," he murmured. "Now I realize it. I'm lost! Yes, yes. I should have been crucified, but I lost my courage and fled! Forgive me, brothers, I cheated you."

We might say that it embarrasses us to print these filthy sentences. But how else can we acquaint you with this corrupting obscenity?

Pursuing a different phase, but still revolting pornography is the book "Brave New World," which is found in our high school and other school libraries, and in some is required reading. The book revolves around

—o— Please turn to page 2 —o—

Our Youth at Mercy of Fiends

— Continued from page 1 —

the fantastic social behavior so far removed from anything Christianity has known as to be unbelievable of conception by a human being. In "Brave New World" human beings are produced, through test tube and incubator in a laboratory known as Central London Hatchery and Conditioning Center in which thousands of embryos, passing along belt lines, are injected with special conditioning and predetermining fluids at the whim of the "planners." In their early childhood these products are encouraged in erotic acts as they play together naked, and are punished for not taking part (page 20). By adulthood they take sexual activities and homosexuality as a matter of course, going to bed with each other being part of the conditioning (page 31). In this New World "everyone belongs to everyone else." To produce the necessary "materials" for the hatcheries the girls spend daily and weekly turns with the male population; often boasting of their endurance. Before going to these erotic sojourns the girls are put through the Malthusian drill to prevent pregnancy (pp. 55, 80). Just what this consists of is left to the imagination. However, we know that Malthus was a population statistician.

The worst phases of this book have not been touched upon. But isn't the above enough to sicken you?

In "The Sex Cure" there is some good news at the end—in fact, the end of any of these books is pretty good news just by itself. But in this one the publisher has included a special note to us:

"If you've enjoyed this book," the note reads, "we know you will want to read the many others now available for your reading pleasure. They will be as STIMULATING, PULSE-QUICKENING, and INVIGORATING a collection of novels as you could run across in a month of SUNDAYS." (emphasis ours!) Then follows a 5-page list of additional titles. Here are some of them:

I Prowl by Night, His Boss's Wife, Girl on a Couch, Passion Island, Sex Pack, The Lash of Lust, Fly Girl, The Zipper Girls, Sin Kin, Sin Teacher, Sin-Damned, Sin Colony, Sin Song, Sin Monsters, Sin Devil, Sin Hellcat, Sin Time, Lust Master, Lust Market, Lust Pad, Lust Grind, Lust Weekend, Lust Pro, Lust Slave, Lust Sniper, etc.

In an Alabama college the required reading in the courses of Advanced Studies and Southern Literature included:

"Sweet Bird of Youth" by Tennessee Williams (Signet publications) Page 54: "Did you have her that early? . . . I was just two years older, we had each other that early."

"God's Little Acre" by Erskine Caldwell (Signet publication) Pages 138, 139: "I didn't know I wanted him to do it before, but after that I was certain. Pa, it makes love so strong nothing can stop it."

Page 45: "That was wonderful, Will," she whispered. "Do it to me again." These sentences are typical of the entire filthy book.

All this and much more is on the newsstands today, awaiting and available to your child.

The vice squad in New York arrested a number of men who were involved deep in pornography. These took the 5th Amendment: Edward Mishkin, Abe Rottio and Abraham Rubin, alias Al Rubin, alias Al "Stoney" Stone.

Edward Mishkin has a long record of arrests for dealing in pornography. Recently the district attorney said he would receive a maximum sentence of 159 years and fines totaling \$496,500 if convicted on all counts charged. The first witness was Inspector Roy E. Blick, for 19 years head of the Washington Police vice squad. He said that teen-aged girls in ever-increasing numbers were used as models in acts of perversion for pornographic pictures. In one instance he found a 3½ year old child used as a model for nude pictures.

— GOOD FRIDAY 1963 —

"Pornography is more dangerous than narcotics," said Blick. He told of a raid he led on a Washington dance studio, where they found 197 boys 11 years old and up, waiting to see an obscene movie.

The Philadelphia Inquirer reports the big sale of a filth magazine "Adam," a bimonthly selling for 50¢ an issue. The magazine started in Los Angeles with a 6,000 order and was quickly sold out. The same happened to the second issue. The third was increased to 16,000. This too was sold out in a matter of days and a reorder for additional thousands was made. This reorder had just arrived when the county detectives descended on the place.

In Philadelphia a campaign was started by Mrs. Walter A. Craig, Chairman of the Philadelphia Womens Committee. She stated that pupils subject to the influence of such filth magazines lost interest in class work and their desire for learning. Mrs. Craig said school teachers had reported this to her.

The blue ribbon distributor of filth is Ralph Ginzburg, whose publications use the best slick paper and high-class photographs. A federal grand jury has just returned three indictments against him involving "Documentary Books, Liaison News Letter" and "Eros." Last December he was indicted on 19 counts of mailing obscene advertising. "Eros," issued quarterly through the year, sells for \$10 an issue.

If your child picks up an easily obtainable 50¢ smut book, or other pornographic material, this may well be the start of his moral and physical destruction. This activity to demoralize our youth is part of the overall plot to corrupt and control us. Don't be afraid of this subject. Wade into it; and let's knock it out!

Abraham Goldberg, sole distributor for the filth magazine ADAM, and at the same time business agent for the Newsboys Union in New York.

WANTED! A Fighting Frontier

We are in the hands of a group of eggheads who never did a day's work in their lives. They have been brainwashed in the colleges, particularly Harvard, and their brains are saturated with teachings from the London School of Economics, through Felix Frankfurter, Harold Laski and, lately, Arthur Schlesinger. It is doubtful that any one of them ever had a fist fight. They don't have the fighting spirit and would rather back down and be humiliated than stand up and defend themselves. They have read Marxist books over and over and over, and they have a compelling desire to be a part of the group to rule this government. They are happy to be advisers to the President, and they love those government checks. The ones that are not Zionist Jews have been so indoctrinated that, like Alger and Donald Hiss, who are not Jews at all, they remind you that Lenin said, "For every communist we have ten others ready and willing to do their work."

So this group has at last landed in Washington, and their ringleader Arthur Schlesinger is in the White House to see that everything is carried out according to the plot. They want to disarm us. Are they, crazy? Or is this a part of a diabolical plan that is centuries old? Is this part of the group that 16 Popes forbade Christians to associate with or work for, knowing that they would break down the Christian faith just as they are doing today, both Protestant and Catholic?

Here in the United States—supposed to be the strongest country in the world—our front man to face Khrushchev is a rich man's son who never worked and was indulged and protected through life, with millions, at hand. He never distinguished himself for anything, regardless of the books that have been written to show him as a hero in the Pacific. General MacArthur, who was top man at that time, with all of his faculties and wonderful staff of officers, made the statement the next day that Kennedy should be court-martialed for using such poor judgment! Of course that has to be hush-hush today. This is the man we put up against Khrushchev, who almost wore out his fists fighting in the streets, beating up his enemies, and directing the slaughter of over 30 million Christians. All the double-crosses he pulled on Poland, and on Hungary—that is all forgotten, and Kennedy deals with him as though he was an honest man!

Any reasonable, clear thinking person knows that the Soviet Union is working day and night to outstrip us to a point that they can continue to bluff us into more humiliating positions. Khrushchev has told us over and over what he is going to do to us. Why do we show the least respect for this murderer? They move up, or retreat, to deceive our amateurs, when all the time they intend to pull a Pearl Harbor on us at the right time. Our leaders are too dumb to know this.

Forget all about the little arguments and side issues in Cuba. Why did the Soviet Union come clear across the world with hundreds of ships and bring millions of dollars' worth of weapons into Cuba? What were they for? If this government has any know-how or understanding of the enemy's tactics it should watch and pull a Pearl Harbor and try to blow Moscow out of existence. Sure, they will respond immediately and bomb us, and millions of us will die. But they are going to attack us at the time best for them, and more of us will die. This conflict cannot now be avoided. We should say our prayers and ask Our Lord to guide us. But we should also tell Khrushchev off when he bluffs us so many times by telling us we are going to start an atomic war. He is a bluffer, a double-crosser, a liar, a murderer! The government would not deal with Al Capone as they do with Khrushchev, who is immeasurably worse than Capone was.

Our government asked for 20 atomic inspections in the Soviet Union; but the Soviets have whittled us down to two, knowing that they are never going to allow any kind of inspection, any more than Castro will. Don't we have one John L. Lewis to put up against Khrushchev?

Who in our State Department prevented us from tearing down the Berlin Wall the day it was put up? Now that it is reinforced it would take thousands of lives to get it down. And in Cuba, who in our State Department prevented us from slapping Castro down and ending communism in Cuba? Today thousands of our boys will have to die to wipe out Castro.

The Way of a Christian

Jesus said to His Disciples:

"For what doth it profit a man if he gain the whole world and suffer the loss of his own soul?" (Matthew 16:26)

This is the way of Christ and, of course, it applies to each and every one of us as Christians.

The Marxism (communism) of our day points in exactly the opposite direction—to gain the whole world and destroy the soul.

In their defense against Marxism, intelligent and cultured Christian people in Europe tried to protect the Soul and Spirit of the peoples of all Europe. However, their noble aim—to save both the inhabitants of Europe and the whole world—was defeated, as is well-known, by World War II. In describing the results of communism in our time, Dr. R. Swinburne Clymer uses the following significant lines in his book, *THE AGE OF TREASON*: "fear those who by usurped power have the means to destroy man's manhood, thereby making him incapable of thinking, reasoning and bereft of the power of imagination; no longer a human creature, but a robot or zombie, prevented from fulfilling his Divine destiny, by making it impossible to awaken the Soul." In thus reducing the human being to the status of an animal, communism is assured one phase in its success—and that a most important one. Marxism also attempts (through infiltration) dominion over all humanity.

Never before have we seen the like of racial discrimination. Communism has introduced it, and now seeks to mongrelize the races. Through the medium of movies, shows, TV, jazz, etc., we can observe that mongrelization and prostitution are complements of each other.

A perfect example of communist organization will be found in the United Nations, which represents all colors, races, creeds and religions. The U.N. talks "peace," yet at no time in history have there been more small wars and tension among nations. Why? Because the U.N. prefers to "meddle" in the affairs of a given country, rather than to give it true help; it invades a nation with its own military forces without the consent of that nation, and uses the monies of all nations to accomplish its own selfish purposes! UNESCO, one of the mightiest arms of the U.N., has extended its authority and teachings into every classroom in "The West," and within its scope of activities is included the teaching of sex to all little children of the white race. Then we wonder why juvenile delinquency is so rampant! Young girls of 13 are, as a result of all this, becoming prostitutes, either in actuality, or in their minds through the corruption of their moral sense by UNESCO's filthy methods of teaching sex. However, most of the people have been so mesmerized by Liberal, Leftist and Socialist influence that they fail to recognize the true cause of the decadence of the younger generation of today.

Destroy the Spirit and the Race will be killed—destroy the Race and we will be forced to accept Mongrelization and Death. So, you see, the "Peace" of the U.N. is a contradiction in terms and belongs to communism, or the Anti-Christ. But because all

WAS MCCARTHY RIGHT?

The poisonous stream of communism which flows out of the Soviet Union is threatening to end freedom and to wreck the world. When we consider the Cuban situation, we realize how close this danger is to us. (Khrushchev has been building fires all over the world to distract our attention from our own security, to encourage us to dissipate our wealth and manpower while he is building up a Russian base 90 miles from Florida.

How and why did Russia get into such a position of power? History has the answer. It was the United States which gave the communists their chance. Thirty years ago, the United States rescued Stalin at the depth of communism's failure to make good as a guiding force in Russia. The method of rescue was the continued and misguided U. S. diplomatic recognition to the Soviet regime.

We had ample warning from the communist leaders themselves that our original policy of non-recognition was born of wisdom. In 1922, Lenin said, "The eternal in the Russian revolution is the fact that it is the beginning of the world revolution." Trotsky was even more explicit when he said "Revolution is coming in Europe as well as in America, systematically, step by step, stubbornly and with gnashing of teeth in both camps. It will be long protracted, cruel, and bloody." Our Secretary of State remarked at the time, "There should be no encouragement to these efforts of the Soviet authorities to lay upon other peoples the disasters that have overwhelmed the Russian people."

All these statements were made in 1922. Not long after, in 1924, Lenin died. His regime was a failure, marked by murder and destruction. The new ruler Stalin was a master of wrecking other people's hopes and aims. Also like Lenin, he was not able to formulate an orderly government of his own. He could only kill and destroy. In the winter of 1930, his way of handling rebellious peasants was to exterminate them, and Khrushchev was his lieutenant. Approximately 12 million Russians were starved to death because they objected to giving their cows, pigs, and plots of land to the government.

The Russian government desperately needed prestige. Lacking it in Europe, they searched elsewhere, and we were the suckers. Maxim Litvinov, the Russian foreign minister, a very crafty operator, promised that Russia would pay its long-standing debts owed to America since Czarist times. We still had not learned our lesson—and Communism stayed alive in Russia because of our official recognition of the Soviet government. Thanks to our Lend-Lease program, Stalin managed to separate the U. S. from \$11 billion in war supplies, machinery, transportation equipment, raw materials, foodstuffs—anything which would bolster the sagging Russian economy. Stalin was quick to accept the support of the despised, capitalistic United States. The United Nations was the vehicle by which Russia gained further diplomatic recognition.

In order to be a member of the UN, all the countries of the non-Axis world were forced to declare war and to recognize the Allied Powers. Russia was an Allied Power.

When World War II ended, the communists held 7% of the world's people in slavery. Now they enslave at least 35% of the people of the world, and dominate 25% of the earth's surface. These victories have been won by espionage, incitement to revolt, and internal subversion.

To understand all that has happened, one must understand the full extent of the assistance given Soviet Russia during the last days of the war, when Allied forces were deliberately held back so that Russian forces could enter Berlin first. Thus Russia grabbed most of the industrial power of Germany. Whole factories were dismantled and shipped to Russia, although this was in violation of the agreement among the allies that all armament factories would be destroyed. At the Yalta Conference, Stalin asked for and later received about 80% of Germany's industrial might as "reparations."

German scientists who tried desperately to surrender during the last days of the war were refused. The majority were purposely permitted to fall into Soviet hands, thus allowing the communists to gain the space development plans worked out by the German scientists for manned rockets, satellites, and space stations. This one mistake has and will continue to cost billions of dollars in tax money, in the race for space, not counting the fear of total atomic destruction we have lived with for years, and are saddling on to our children and grandchildren.

The United States cannot escape responsibility for turning over Central Europe to the Soviet Union. And Americans cannot shut their eyes to the fact that the Castro takeover of Cuba was aided and abetted by persons inside our own government.

Today, almost 30 years after official U. S. recognition of Communist Russia, we are faced with this fact:

Despite the high hopes we held during the time of our positive action in the Cuban crisis, all the communists have to do to achieve final victory over freedom is to continue on the same course they have taken in the past. All we have poured out to the nations of the world cannot protect us. Russia can't be bought off. Unless we accept a new attitude, and employ new tactics to save freedom, Khrushchev's promise to bury us, repeated again last week, will come true. Now the United Nations proposes to send a delegation to make a study of the agricultural prospects of Cuba, with the view to assisting them to be self-supporting. We are the main contributors to the UN. Unless there is a change, Russia, Red China, and Cuba will collaborate to throw a shovelful of dirt on the grave of the capitalist free enterprise system.

peoples will be subdued and blinded by this "peace" propaganda, they will come to worship the Anti-Christ, believing him to be the real Christ!

Our culture is fast becoming so decadent that we now have developed the "Cult of the Ugly" (best exemplified in the Arts), whereby we are ever so gradually introduced to Mongrelization. Juvenile crime and sex teaching will always go hand in hand, and this fact was especially noted after the victory of communism in 1945. At the present time, the United States leads all countries in juvenile delinquency, and this condition is continuing to grow at an alarming rate! Police cannot name one section of the Criminal Code with which American Youth—boy and girl alike—is not familiar; the murder of parents and of brothers and sisters, as well as all types of sex murders, the committing of robberies, hold-ups, ordinary kidnappings and dope smuggling, etc.—all are most commonplace today!

"Pilate Tried To Save Jesus"

MYSTERIOUS DOCUMENT

London Jewish Chronicle, Feb. 8, 1963

An ancient document suggesting that Pontius Pilate strove desperately to save Jesus's life but was prevented from doing so by the fury of the Jews has been discovered in Liverpool, and the Vatican has stated that it may be historically correct.

But some Christian theologians in this country think that it will do nothing to increase anti-Semitism and that, in that respect, it is not to be taken seriously.

The document purports to be a translation of a letter from Pilate to the Emperor Tiberias, in which Pilate declared he was desperate to save the life of Jesus and sent for 2,000 reinforcements, which did not arrive till the day after the crucifixion. He also stated that, after the resurrection, he questioned the officer in charge of the grave, who said that it was not true that the guards had fallen asleep or that the body had been stolen.

Vatican View

According to the Vatican authorities who examined it, the document is apocryphal, having been written probably in the fourth or fifth century. But it may contain historically correct facts because it was written soon after the events described. The document is now being studied by historians at Liverpool University.

A spokesman at the Archbishop's House told me that he did not think the document, even if published, would in any way propagate anti-Semitism.

The Rev. W. W. Simpson, General Secretary of the Council of Christians and Jews, said that the document did not add anything to the facts known about Pilate.

KEEP ON WRITING KEEP ON FIGHTING

(Public Action, 131 E. 69th St., New York)

President Kennedy sent his last-year's medicare Bill out to be patched up for another try in Congress and the thing looks worse than ever. This year it is called the Hospital Insurance Act of 1963, identical bills introduced by Sen. Clinton Anderson (D.N.M.), S880, and Rep. Cecil King, (D. Cal.) HR 3920. There's not much new but the label, except that this King-Anderson bill would give federal medical aid to everyone over 65, not just to those on social security, and, as before, to rich and poor alike, whether they need it or want it. The cost would be 9.8 billions paid for by our taxes, plus ever higher social security rates.

"The issue before us," says Sen. Carl Curtis (R. Neb.), "is not merely one legislative proposal, it is the choosing of the road to socialism."

We, who believe in the American way, in self-reliance, in freedom of choice, and in the free enterprise system, must write again to our Congressman and Senators, to help save this country from the Administration's persistent drive to ruin our present voluntary wide medical coverage, in its march to a socialist state.

Marilyn R. Allen's NEW BOOKLET—

Open Letter on the ADL of B'nai B'rith

By Marilyn R. Allen.

Fighting Author takes the mask off the Anti-Defamation League!

The author takes the GOYIM (stupid Christians) and the ADL to task for the recent series of "AWARD" dinners and the phony idea of "BROTHERHOOD." The BLACKMAIL activities of this diabolical group are exposed.

Marilyn Allen quotes top authorities known for their documentation on the criminal character of the ADL. Here are a few.

Morris A. Bealle: (On Dore Schary, president of the ADL). "He was exposed by the House Committee as the most contemptuous and un-American of the 317 rotten apples in the Hollywood colony. . . . He admitted before the House Committee that he gave communists preference in jobs and arrogantly told the Committee he would hire any communist he damn pleased."

Myron C. Fagan: "The ADL is a cabal of sinister individuals whose aim is the communist enslavement of America."

Robert H. Williams: "The ADL, the Zionist and the communist program are inseparable. They are one and the same thing."

Too much Government

"I place economy among the first and most important virtues, and public debt as the greatest danger to be feared. To preserve our independence, we must not let our rulers load us with perpetual debt. We must make our election between economy and liberty or profusion and servitude. If we run into such debts, we must be taxed in our meat and drink, in our necessities and our comforts, in our labors and our amusements. If we can prevent the government from wasting the labors of the people, under the pretense of caring for them, they must become happy.

The Birth of Communism

By J. Johnston McCauley

The subversive activities of the American Socialist, Eugene V. Debs, before he was sent to the Federal prison in Atlanta, and the actions of other Socialists during World War I, brought a stigma for a short time to the word "Socialist." Consequently, the pinko-elite educators who had attached themselves to the Socialist Society decided, at the suggestion of Jane Addams (Hull House, Chicago), one of its leaders, to change the name to the "League for Industrial Democracy." It was then announced that this new organization is a membership society engaged in education toward a "new social order" based upon production for use and not for profit. This was, of course, the same kind of State Socialism that the Marxists are striving for. It was after the abolition of the Intercollegiate Socialist Society in 1921 that the most aggressive and effective work was done in "boring in" on our educational system. All of this is tremendously important because it was the Socialist leaders in and around the League for Industrial Democracy who, more than any others, laid the groundwork for Roosevelt's "New Deal."

Karl Marx was not the originator of the theory: production for use and not for profit. He created the Communist Party upon the ruins of another earlier revolutionary movement known as "Illuminism." It was founded in 1776 by Adam Weishaupt, a professor of canon law at the University of Ingolstadt, in Bavaria. The basic principles of Illuminism and Marxism have been hatred of God and all ecclesiastical institutions, abolition of private property and inheritance, destruction of all existing order, fomentation of class-hatred, propaganda to cause riots, strikes and turmoil, and dictatorship of the proletariat (the common people). Both of these 'isms are based on the theme that all history has been a conflict of classes and that the exploited and oppressed classes (the proletariat) can only obtain emancipation from the exploiting and ruling classes (the bourgeoisie) by emancipating society at large from all exploitation, oppression, class distinctions and class struggles; this soon became an international revolutionary movement. The "First International" was founded by Karl Marx in 1864 and lasted until 1872, when the defeat of the Paris uprising (failure of the Paris Commune) spelled the temporary doom of the "International." The "Second International" was in existence from 1889 until 1914 when, according to Lenin (in a speech recorded for the gramophone, March 1919) World War I, caused the Socialists in each country to betray the workers and side, in the main, with their governments. Said Lenin: "Throughout the world a turn to revolutionary struggle has begun. The war has shown the doom of Capitalism. A new order is taking place. The traitors to Socialism have disgraced the old word 'Socialism.' Now the workers who have remained faithful to the cause of the overthrow of the yoke of capital call themselves Communists. Throughout the world the Union of Communists is growing. It will not be long before we see the victory of Communism throughout the world, the foundation of the World Republic of Soviets."

BE INFORMED . . . SPREAD THE TRUTH

COMMUNISM is rapidly enveloping the entire world, unhampered by the forces of Christianity and the efforts of Christian leadership. Why?

Why are the American people ignorant when it comes to the one movement which will ultimately destroy them and their families?

The answer to these questions are obvious when the facts are known regarding the control of the press, radio, television and other means of communication.

The American people are being prevented from knowing what atheistic communism is.

The TRUTH is not allowed to be uttered over radio, television or printed in the press.

Good American authors work hard writing books and then find it difficult or impossible to have them published. The following is a list of some of the finest works available.

THE MOST ASTONISHING BOOK ON THE WORLD CONSPIRACY

COMPLETELY DOCUMENTED
AND INDEXED

— A Great Book For Patriots —

This book traces fanatical religious concepts through two thousand years of history to the present.

This commentary never varies from the original idea of world control which was discovered in the archives of ancient civilization 2500 years ago.

The fervor which the Jewish "Chosen People" have held in carrying out a consistent program towards world domination has had many disastrous results. The tenacity with which they have clung to the idea of universal domination over all peoples of the earth has led to blood-letting of ghastly proportions of their own kind as well as of the gentile races.

This book recites in meticulous detail events covering twenty centuries that lead directly into the corridors of the United Nations today.

The contents may be challenged but never refuted.

"I Testify"

By Robert Edward Edmondson
(Prominent Newspaper Man)

"I TESTIFY" is a formal "PETITION TO
CONGRESS" by a man who underwent
years of persecution, including two indict-
ments both of which were dismissed due
to lack of evidence.

This book uncovers many startling facts.
Not the least of these is the proof of almost
incredible internal and international acts of
planned NEW DEAL TREASON!
Valuable addition to any library, well docu-
mented.

Kennedy In Deep Water

Republished from—
The Jacksonville Chronicle
By Blaine MacCauley

KENNEDY'S CHICKENS COME HOME TO ROOST

The New Frontier chickens are coming home to roost. Even Bobby Kennedy cannot stop them. Truth is rising triumphant. The light of day is dawning on the public. In short, the Cuban fiasco at the Bay of Pigs is rapidly being exposed for the entire American populace to see. Even now the facts, as they emerge from "controlled obscurity," are quite ugly.

It has been established that the key decision that caused the Bay of Pigs invasion to end in calamity was made by none other than John F. Kennedy himself. The February 4th edition of the U.S. News & World Report, for the first time, tells all. Every American should procure a copy of this fine news magazine and read the awful truth for himself.

Had this invasion not been one actually sponsored by the United States, no critical decision by the President that caused the project to miserably miscarry, will go down in history as one of the saddest blunders of the century.

In order for the invasion to be a success, it was necessary for the air force of the Cuban invaders to make a strike on the air force of Fidel Castro prior to and on the day of the invasion. Unless Castro's planes were knocked out in advance, the invasion could not succeed. This plan began on Saturday, April 15th.

On this last date, the planes of the Cuban invaders made a strike against Castro's planes. Most of them were successfully destroyed on the ground. The invasion was to take place on Monday, April 17th. The final attack on Castro's planes was scheduled at dawn that date. This final strike was essential for the success of the entire invasion. Before it could be launched, J.F.K. called it off, with the invasion under way.

Late in the day, when the invasion was already a complete shambles, the President allowed the strike by the planes of the invaders. It was then too late. This much of the story is clearly out in the open but there is much more yet to come that will, in our opinion, force the Congress to the most important investigation of the century. The truth must emerge and the American people will never be satisfied without it.

The leaders of the Cuban invasion are beginning to talk. Bobby Kennedy's little pep talk in defense of his big brother has irked them out of their silence. They are saying that in addition to the planes of the invaders themselves, that American air-cover was definitely promised by the Administration. The planes of the invaders were lumbering B-26s which were no match for Castro's jets.

DEMAND A CONGRESSIONAL INVESTIGATION OF CUBA

A complete investigation at this time could break the Kennedy Administration—preventing J.F.K. from being able to be

"I HATE DICTATORS" —Fidel Castro

base and service will have the facilities to with nuclear rockets. Five Soviet generals, including a top military expert in the handling and launching of strategic nuclear rockets, have set up permanent headquarters in Cuba. These elite officers are in charge of an estimated 28,000 to 33,000 Russian combat troops, military technicians and advisers.

This all raises the question: Why does the United States allow this to continue in Cuba? The answer is not so simple but Senator George Smathers said on a local television program (Channel 10, Jan. 20; 10:30 p. m.) that he agreed with former U.S. Ambassador to Cuba, Earl T. Smith, that there was a "clique in the State Department," which is determined to perpetuate the existence of Castro's Communist regime.

TRAITORS IN THE STATE DEPT.

The truth is that we have more than a mere "clique." The only logical conclusion that can be drawn from the facts is that we actually have a TREASON BLOC in the State Department that loves Socialism and Communism. This bloc is forcing us to action by the use of force. Americans from Maine to California, has a full-scale investigation of Cuba—the State Department "pinks" will force us into their hoped-for surrender.

America's worst enemies are not Russians or Chinese. They are traitorous citizens of the U.S.A. who, probably as student intellectuals in an American University, have espoused the cause of Fabian Socialism or Communism. These men are the architects and the evil manipulators of our foreign policy and actions that threaten by the hour to COST US OUR LIVES.

You should write your Congressman at once and DEMAND ACTION for a Congressional Investigation. These Congressmen appear to be afraid to criticize the Kennedy Administration because they are "good Democrats" and such never expose the boss unless the "folks back home" ride herd on them.

Unless you are ready to surrender your country to Khrushchev and Castro—better wake and arise or be forever fallen.

WHICH WILL IT BE?

Open Letter To Cardinal Meyer

By Elizabeth Dilling
Author, since 1932 of Anti-Communist
Pro-Christian books, Bulletins, etc.

January 22, 1963

To Cardinal Albert G. Meyer
Archbishop of the Diocese of Chicago:

Some Catholic friends and I have followed with deep concern and interest the news reports of the closed meetings of the great interfaith Conference on Race and Religion, meeting at the Edgewater Beach Hotel, Jan. 14-17, 1963.

Among reports of the some 700 delegates cited as leaders of Jewish, Protestant and

Catholic organizations, your role was featured perhaps the most prominently. In the TV presentation I thought your part outstanding.

The worthy avowed objective of the Conference was brotherly cooperation to combat discrimination as to race and religion. This raised some question which I hope you may be able to help solve.

Frankly, I am not unbiased but rather proudly discriminating—being wholly dedicated to the worship of Christ as the One Savior and Light of the world. What then should biased people like me rightfully do

—o— Please turn to page 2 —o—

Open Letter To Cardinal Meyer

—o— Continued from page 1 —o—

to overcome bias against the Talmudic Jewish teaching that Christ was a demon-possessed fool; guilty of the most obscene acts; whose Mother was a whore and adulteress, "Miriam, a hairdresser who mated with a carpenter;" that His Name should be reviled on every occasion unless there is danger of exposing Talmudic Judaism to retaliation; that He deserved five sadistic deaths? I cannot reconcile myself to His being "sunken in dung to the armpits" and strangled; "sunken in dung to the armpits" and boiling lead poured down His pried open mouth; His being stoned to death, decapitated, and crucified as a "blasphemer" of Pharisaic Judaism—which He certainly was. Nor can I feel that the Jewish Talmudic followers are consigned to everlasting hell "under boiling excrement," is conducive to Brotherhood with Christians.

It would be wonderful if you could persuade some of those top Rabbis in the Conference to cease the recitation of the Shema Eshel, or "18 benedictions" three times daily, four on sabbaths and holidays, the 7th and 12th being curses against the Christians.

Best of all would be your accomplishment if you could convince your Rabbinical associates in the Conference to discard the basic overall doctrine of their Pharisaic Talmudic Jewish religion, that most biased doctrine, that all non-Pharisees rank as non-human animals without human rights: "the people who are like an ass—slaves who are considered the property of the master" (the Pharisee), as Kethuboth 11a and passages thruout the Babylonian Talmud emphasize. Hence the Talmudic doctrines that non-Jews may be cheated, killed, enslaved. The resentment caused down the centuries against Jewish teaching and practice, which have been burning in the

Alenu, etc. are mirrored in the terrific anti-Jewish Bulls of the Popes and their burning of the Talmud. For, according to the Jewish Ency. (1905) after 70 AD the only form of Judaism which remained and exists today is Pharisaism.

Christ's diatribes against Pharisaism fill Matthew 23.

John 8:37-44 is unsurpassable for fiery denunciation. He denounces them for: "Making the word of God of none effect thru your Tradition" (Mark 7:13). And that Tradition put into written form (500 AD, at Sura, Babylonia) is the Babylonian Talmud of today.

Do you think the Popes have been wrong? If Christ was wrong in denouncing the Pharisee religion, the Judaism of today, then perhaps the Popes also were wrong in their Papal Bulls, such as those of Pope Gregory I (590-604); Pope John IV (640); Gregory III (637) and Pope Stephen IV (768); Pope Nicholas I (858-67); Pope Leo VII (936-9) who "advised the Archbishop of Mayence to expel the Jews if they refused to give up their religion despite his persuasion"; Pope Benedict VII (1021) who "had a number of Jews put to death on the ground of an alleged blasphemy against Jesus"; Pope Gregory VII (1078); Pope Urban II; Pope Alexander III (1159-81); Pope Celestine III (1191-98) who repeated the recommendation of the last Lateran Council, that "Christians must not be in the service of the Jews"; Pope Innocent III (1198-1216) who worked for the conversion of the Jews, but renewed the ban against trusting Jews with public offices and "introduced the sign on their garments (Jew badge) ... that the Jews should, like so many Cains, be held up as a warning example to Christians."

There was Pope Gregory IX (1227-41) whose inquiry into the blasphemies of the Talmud "led to the famous disputation of Paris (1240) and to the burning of many carloads of Talmuds (1242 and 1248);"

The Jewish Encyclopedia states concerning the TALMUD:

"For the majority of Jews, it is still the supreme authority in religion ... It occupies a prominent place in the curricula of the Rabbinical Seminaries."

Rabbi Morris N. Kerzer, Director of Interreligious Activities of The American Jewish Committee, stated in his article titled "What Is a Jew" published in Look Magazine for June 17, 1952:

"The Talmud consists of 63 books of legal, ethical and historical writings of the ancient rabbis. It was edited five centuries after the birth of Jesus. It is a compendium of law and lore. It is the legal code which forms the basis of Jewish religious law and it is the textbook used in the training of rabbis."

The Talmud has been condemned by Popes and religious leaders from the time of Christ to date.

Pope Innocent IV (1243-54) who "continued the attack on the Talmud (1244 and again in 1247) and caused a second confiscation in Paris;" Pope Alexander IV (1254 to 1261) who ordered the King of France and Duke of Burgundy to forbid the Talmud; Pope Urban IV (1261-4); Pope Clement IV who "urged the King of Aragon to seize and destroy all copies of the Talmud;" Pope Gregory X (1271-6) who repeated the Bull Turbato Corde which cautioned alertness to Jewish false representations of conversion which were used to help destroy the Church from within (as in all folds today); Pope Nicholas III (1277-80); Pope Martin IV (1281-5) who repeated the Bull Turbato Corde; Pope Honorius IV, whose Bull sent to England in 1288 "attacked the Talmud, cast doubts on Jewish moral life and asserted that the Jews daily cursed Christianity;" Pope Nicholas IV (1288-92) who "concerned himself with the same problem;" Pope Clement V (1305-14) who published a prohibition against Jews testifying against Christians (due to knowledge, no doubt, of the Kol Nidre in which all vows and promises are nullified a year in advance); Pope John XXII (1316-34) who resumed the attack on the Talmud, expelled Jews and denounced the Cabalistic witchcraft of Pharisaism; Pope Benedict XII (1334-42) and Clement VI (1342-52) who continued the denunciation of mingling Jews and Christians and ordered Jews to wear identifying badges, as did Pope Urban V (1362-70).

There was also Pope Gregory XI (1370-78) "who refused to free the Jews from the district to which John XXII had limited their residence." He twice issued sharp reprimands to the Archbishop of Magdeburg, to the Bishop of Nuremberg, and to King Henry of Castile for showing favor to the Jews ... showing particular favor to such as hated Christians (1372-1375).

Only a study of Jewish sources reveals the gloating extent to which Talmudism had penetrated the Church during the Medici reigns and their "renaissance" of Talmudism, its Cabala and the cult of paganism which resulted in splitting the Church. Then came the counter-Reformation and:

Pope Julius III (1550-55) who issued an edict demanding the burning of the Talmud and prohibited its printing by Christians. "In Rome a great many copies were publicly burned." Pope Paul IV (1555-59) whose

Bull "Cum Nimis Absurdum" (July 12, 1555) renewed all the canonical restrictions, against Jews and added more including confining them to a ghetto. Pope Pius V (1566-72) "renewed the laws of Paul IV," he added to them and Feb. 26, 1569 he "decreed the expulsion of the Jews from his territory."

While Pope Gregory XIII allowed them to return, he introduced restrictions, such as, barring them from driving through the streets of the city, etc. (1584); Pope Clement VIII (1592-1605) enforced "every restriction on Jewish life ... The Badge was enforced: the kosher pitiless slaughter of animals was denounced and the meat forbidden to Christians. He expelled the Jews from all of his dominions except Avignon, Rome and Ancona." Jewish books were confiscated and "burned in front of St. Peters on Jan. 14, 1601." Pope Paul V (1605-21), "ratified the restrictive edicts of his predecessors." Pope Urban VIII (1623-44) continued all the restrictions and made "new and stringent regulations for the Badge." Pope Clement X (1670-76) sanctioned the expulsion of Jews from Vienna," etc. Pope Clement IX (1667-69) had kept to the pattern. Pope Innocent XI (1676-89) fought "usury with a singlemindedness which threatened the life of the Jewish community." Pope Alexander VIII (1689-91), Pope Innocent XII (1691-1700), Pope Innocent XIII (1721-24), Pope Benedict XIII (1724-30) all renewed the hostile restrictions of Jewry, as did Pope Clement XII (1730-40) who "instituted an extensive confiscation of Jewish books, May 1731." Pope Benedict XIV (1740-58) also "ordered an invasion of the ghetto in order to confiscate forbidden Jewish books." Pope Pius VI (1775-99) renewed the anti-Jewish edicts with a severe one against the Talmud "and Cabalistic books." Pope Pius VI (1775-1800) "renewed all the restrictions enacted from the 13th century. Jews were required to wear the yellow badge within and without the ghetto." Pope Pius VII (1800-23) who at first "freed the Jews from many restrictions ... after Napoleon's fall brought reaction (against his Jewish backers and who sent him to Elbe when he turned against them)." ... when the same Pope returned from exile ... the Jews of Rome were compelled to revert to their ghetto life of the previous era." Pope Leo XII (1823-29) "ordered the enforcement of all the hostile regulations revived by Pius VI ... he enlarged

the ghettos." Pope Pius IX (1846-78) displayed the greatest softness to the Jews, and removed the ghetto walls on Passover, 1848. But: "The revolutionary wave of that year drove him out of his city and, upon his return . . . the Pope yielded to the view of the reactionary clergy on the subject of the Jews . . . and blamed them for having supported the republic. The ghetto was re-established in full vigor." Pope Leo XIII (1878-1903): "Embittered by the loss of the Papal State, Leo XIII never forgave the forces of liberalism with which, like his predecessor he identified the Jews in his denunciations . . . He encouraged anti-Semitism by bestowing distinctions on leading anti-Semitic politicians and authors, as Lueger and Drumont" (Drumont depicted the Judaization of the once Christian country, of France in his book, "La France Juive"). He officially denounced Jews as the enemies of the Church, etc. etc.

As your Eminence undoubtedly knows, the Church canonized the above anti-Pharisee Pope Gregory I, called "the Great," as a Saint; and also the above anti-Pharisee Pope Gregory III (731-41), as well as Pope Nicholas the Great (858-867) and Pope Gregory VII (1073-1085) —all of them Saints. Also, among the above anti-Pharisee Popes the Church declared Pope Urban II (1088-99) and Pope Gregory X (1271-76) and Pope Urban V (1362-70) to be worthy of the designation of "Blessed."

The Talmudic doctrines and practices which they condemned have not gone out of use.

One of your prominent Conference associates and fellow speakers was Rabbi Abraham J. Herschel, professor at the Jewish Theological Seminary of America. This is headed by Rabbi Louis Finkelstein. He was chosen as one of the leading 120 Jews of the world in 1937, by a vote of world kehillas, as "most outstandingly holding up the lamp of Judaism. In his work, "The Jews: Their History, Culture and Religion," he states that:

"At the present time . . . any decision regarding the Jewish religion must be based on the Talmud . . . (p. 1332. I enclose a photostat of the page).

In Finkelstein's two-volume work, "The Pharisees," he writes:

"Pharisaism became Talmudism . . . But the spirit of the ancient Pharisee survives unaltered . . . When the Jew . . . studies the Talmud, he is actually repeating the arguments used in the Palestinian academies . . ." The Universal Jewish Encyclopedia (1943) confirms this:

Under "Pharisees" is this: "The Jewish religion as it is today traces its descent, without a break, through all the centuries, from the Pharisees. The Talmud is the largest and most important single member of that literature . . . and the study of it is essential for any real understanding of Pharisaism."

Some months ago I noted in the Catholic Loyola University library a few volumes of the only approved English translation of the Babylonian Talmud, the Soncino. These volumes appeared to have had little or no use. Sanhedrin was among these, and I enclose some photostats of it on Jesus and Mary.

I also noted the current bestseller book by the Jewish author, Herman Wouk, "This is My God." In it he writes:

"The Talmud is to this day the circulating heart's blood of the Jewish religion. Whatever laws, customs, or ceremonies we observe—whether we are Orthodox, Conservative, Reform or merely spasmodic sentimentalists—we follow the Talmud. It is our common law."

Can I brotherhood with those whose burning goal down the ages has been to assume Messianic Anti-Christ world power on Jerusalem, and are using the Christian churches to help achieve this?

Can I ignore the words of my Lord who did Pharisaism is of its father the Devil (John 8:44)? And who said:

"No man can serve two masters: for

either he will hate the one and love the other; or else he will hold to the one and despise the other. Ye cannot serve God and mammon" (Matt. 6:24).

Paul warned: "Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness? And what concord hath Christ with Belial? . . . Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing, and I will receive you." (II Cor. 6:14-17).

The word "brotherhood" is made to seem like an "angel of light" by those who teach that other men rank as animals. "For such are false apostles, deceitful workers . . . And no marvel for Satan himself is transformed into an angel of light. Therefore, it is no wonder if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works" (II Cor. 11:13-15). Christ minced no words in calling the Pharisees children of the Devil when He faced them, and in His Revelation from the Spirit (96 AD) at a time when ONLY Pharisees called themselves Jews (the Sadducees had "disappeared" and the Scripture-believers were Christians). He warned of those "which say they are Jews and are not, but are the synagogue of Satan" (Rev. 2:9).

As for brotherhooding with the enemies of Christ, the Apostle John, "whom Jesus loved," and to whom He committed the care of His Mother from the Cross, spoke in no uncertain terms. In John's second Epistle, he wrote:

"For many deceivers are entered into the world, who confess not that Jesus Christ is come in the flesh. This is a deceiver and an antichrist . . . If there come any unto you, and bring not this doctrine (of Christ) receive him not into your house, neither bid him God speed."

In Christ is the only true brotherhood: "for ye are all one in Christ Jesus. And if ye be Christ's, then are ye Abraham's seed and heirs according to the promise" (Galatians 3:28-9).

I hope that you will consider me your friend in Christ and if I can be of any service do not hesitate to call upon me,

Most Sincerely,
(Mrs.) Elizabeth Dilling

New Testament Branded as Libel

By Gerry Pratt

The Oregonian, Sunday, April 1, 1956

Rabbi Julius J. Nodel in the role of defense attorney for the Jews of the world Friday night branded the New Testament a work of malicious libel and the story of events leading to the trial of Jesus and crucifixion a dragon seed from which has come misery, bloodshed and suspicion.

ANOTHER "RAPE" OF THE BIBLE IN THE OFFING

(Conspiracy to Silence Christ)

Dr. John C. Bennett, dean of faculty at Union Theological Seminary was quoted in the New York Times of Jan. 18, 1960 as stating "some Protestant Sunday School lesson-materials stimulated anti-Jewish prejudice," charging that "images and suggestions" could be linked—to bias! This theo-

logian went even further, when asked to explain how religious-conditioning could produce anti-Semitism. He, Dr. John C. Bennett, cited, as one example, the "misuse" of the Crucifixion "story" in that Jews—even contemporary Jews—share responsibility for the Crucifixion of Christ." One would assume the intent is either the further "RAPE" of the Holy Bible, or banning the Bible in its present form—or re-printing the Bible along the lines of a "fairy tale" in order to circumvent any possibility that the Crucifixion "story" might perpetuate anti-Semitism.

The (January 20, 1960) New York Times released the item—a "juicy" one—headed "Revisions Hailed In Religious Texts." According to the Times, from which we quote directly, "Ranking religious educators of the Catholic, Protestant and Jewish faiths yesterday hailed current extensive examination of religious educational texts to promote relations among ethnic and religious groups. They joined in a press conference of the American Jewish Committee's Institute of Human Relations, marking the dedication of the Institute, at 165 East Fifty-sixth Street." The release is too lengthy to lend itself to repetition, but the gist of it was a "continuing longrange concern of all religious groups to look carefully at all religious curriculums and deal responsibly and accurately with people of other faiths." It was declared that "fair treatment" of other groups could be accomplished "with no compromise of religious conviction." How, pray, may this be accomplished "with no compromise of religious conviction?" In the first place, Sunday School lesson-material is branded as stimulating anti-Jewish prejudice. Secondly, the "misuse" of the Crucifixion "story" was branded as producing anti-Semitism! Finally, we hit "the bull's eye," in reading Alfred J. Marrow's (Chairman of the Mayor Wagner Commission on Intergroup Relations, New York Tribune, Page 19) suggestion No. 3 listed under the heading "Intergroup Unit Meets on Hate Incidents"—as follows:

"Clergymen of all faiths should pay more attention to community behavior. A wider understanding that Christianity and Judaism had the same roots, would help. Churches might promote mutual respect for each other by bringing their congregations together on a neighborhood basis."

There is no factual foundation in history or theology today, for the implications, inferences and innuendoes that the Greek "Ioudaios," the Latin "Iudaeus," or the English "Judean" ever possessed a valid religious connotation. In their three respective languages, these three words have only indicated a strictly topographical or geographic connotation. In their correct sense, these three words in their respective languages, were used to identify the members of the indigenous-native population of the geographic area known as Judea in the lifetime of Jesus. In the lifetime of Jesus, there was not a form of religious worship practised in Judea or elsewhere in the world, which bore a name even remotely resembling the name of the political subdivision of the Roman Empire, i. e., "Judaism" from "Judea." No cult or sect existed by such a name. (Page 12, "Facts Are Facts," Benjamin H. Freedman) This is an incontestable fact, resting upon a lifetime of research, aided by some 14 or 16 translators, working simultaneously, full-time. A fully-informed and wide-awake Christian could not do otherwise than to refute this allegation 100%. As must be apparent to one and all, a concerted effort, or campaign, has been launched whereby Christianity is to be "sucked into" Judaism, and Judaism, the "least offensive" of all faiths, is to be the "faith of all."

HOW BOLSHEVISM WAS HELPED

When there was such persistent talk during the war of the deeds of the Red Army ("our Glorious Allies") few stopped to think how these deeds, which were made to overshadow those of our own men, were made possible. In any case the enormous help we ourselves gave in the way of arms and materials is all forgotten, as is also the lavish aid which came from America. As for gratitude, that is the last thing apparently that may be expected. Mr. Bernard Baruch recently stated in the "Saturday Evening Post" that American help reached the colossal figure of 11 billion dollars, and he added: "Without American tanks, tires, trucks and locomotives, 32,000 jeeps, 35,000 motorcycles, 415,000 telephones, 15,000,000 pairs of soldiers' boots and 4,000,000 tons of food, the Red Army could never have achieved mastery over the Germans."

Why, oh why did not Washington strenuously insist upon payment by the Soviet Union of its financial and ship indebtedness? Then would the Soviet Union have had less money and ships with which to become the hub of a wheel, the spokes of which strike out in all directions for world conquest. Weak has been the demand that the Soviet Union pay back \$100,000,000 due our country before World War II. Weak has been our country's demand for settlement of \$10,800,000,000 of Lend-Lease equipment shipped to the Soviet Union during the recent War, as well as the \$220,000,000 of post-war Lend-Lease equipment. Why, oh why has Washington permitted the Soviet Union to get away with returning only 27 frigates, one icebreaker, 7 tankers and an old cargo ship, while she holds 84 American merchant ships and 383 naval craft, etc., that ought to have been forcibly demanded?

Listen to Max Weber writing in the Jewish Survey: "Of all people, the Jews should be foremost to realize that the Soviet Union has liberated five million Jews. . . . The Jewish people must not fail to contribute everything in their power to deal the death-blow to the most vicious enemy of all time."

Mr. Weber exults that the Soviet Union has 'liberated' five million Jews. Notice that he neglects to mention the fact that to do it, it liquidated twenty to thirty million Christians!

Or get the editorial on page 8 of the same paper: "The Jews have a double interest in making sure that nothing goes wrong in this process of the destruction of Hitlerism. Both as the special objects of Hitlerite hatred and as passionate believers in democracy, we are determined that Hitlerism shall be wiped off the face of the earth." Candid, what? And Lindbergh said, without mincing words, that they'd better think twice about such policy, if it means America's involvement, and they screech at him: "We've got nothing to do with it! Fiddle-faddle!"

Does anyone want more to the same effect?

Harken to the peaceful and pacific language of Charles Raddock writing in the same periodical: "Jews must help construct the tomb of Nazism. This is their decisive moment in Jewish history and they must unite toward this goal: Aid to Britain and the Soviet Union to defeat Hitlerism should become the slogan of all Jews." Or on the back cover of the publication: "The Jewish Survey is aiding to weld the unity of Jews and all anti-Fascists to rid the world of the Nazi butcher and his Fascist bandits!"

Oh, no! — the Jews haven't a thing in common with the British and the Administration! Do they actually expect brainy Gentiles to accept their denials?

In New York City is the so-called Free Synagogue. Its rabbi is the celebrated Stephen S.

Wise. This rabbi also publishes a powerful Jewish journal called Opinion. Once in a while he gets a Christian pastor to add his tencents' worth to its contents, if the gentleman be sufficiently "liberal." In the September, 1940 issue Dr. John Haynes Holmes was one of these pastors and he went straight down the line with Lindbergh as follows:

"And now the Jews are actually clamoring for war again, under the insane delusion that this new war can bring any different or better results than the last war! If the Jews know what is good for them . . . they will do everything in their power to stop this war, and especially to keep America out of it. If this war goes on with Jews doing their part to foment it and feed and idealize it, Europe will be plunged into a horror of anti-Semitism which will make Hitler's pogroms look like a Sunday School kindergarten. I can hear the cries that will be lifted a decade hence, if we go into this war today — 'The Jews did it! They took us into the war because they hated Hitler! They own the newspapers. They run the movies. They control the banks. The Jews did it! DOWN WITH THE JEWS!'"

As Rabbi Wise and Dr. John Haynes Holmes have been associated in many radical movements and utterances, the foregoing could scarcely have been published in the Rabbi's magazine unless he concurred in such expressions. Again, Lindbergh only said in Des Moines what the Rev. Dr. Holmes said in Opinion, but nobody accuses the radical pastor of being a Nazi sympathizer. Isn't human nature funny?

The fact appears to be that the Israelites want America if this war so bad, and Lindbergh is doing such a splendid job of keeping her out, that no opportunity is being overlooked to demolish his prestige or sink him without a trace. The actual effect of it, however, is to make the Jewish Question and the War Question one and to feed fuel to this public cry, "The Jews Are Responsible!"

Sooner or later this kosher responsibility for Administration bellicosity had to hit the front pages of the nation's press. Now that Lindbergh has put it on there, it will be a considerable time before it goes off. The Israelites will see to that.

A long time ago another great Apostle of Peace said: "—and now ye seek to kill me, a man that hath told you the truth."

And again in another place: "—me they seek to kill, in that their deeds are evil." Shaming the devil, indeed!

WHERE THERE'S SMOKE

There are strong rumors that the American government is "leasing" on behalf of the United Nations, some million and a half acres of land in Georgia, comprising some nine counties, to be a military installation with a U.S. force in command. This military post will be installed for the purpose of Counter-Insurgency in the South.

DISARMAMENT OCCUPATION THEN WHAT???

If you have any information on this diabolical plan, please communicate with us.

What Are You Doing?

It has been said the people of a nation get what they deserve. Are you going to sit idly by and let the communists take over without so much as the slightest resistance? If you do not now assist those who are out front with the ammunition they need to hold the line, you will have only yourself to blame for the consequences.

WILL YOU HELP?

Dear Friends of Conde McGinley:

Your Editor has not been well for several months. That, however, has not stopped him from putting forth every ounce of energy he can muster on his eighteen year old "baby" which is just developing into manhood—COMMON SENSE.

In Revolutionary days, Thomas Paine used his COMMON SENSE as a weapon to expose the enemies of our country. Today, Conde McGinley is doing the same thing, and after eighteen years of personal sacrifice to the cause he loves so much, the results are being felt.

We have not yet reached our goal of one million readers, but that day will come. Not one million, but millions of Americans will rise in righteous wrath to regain the freedom they have lost through their own fault. Yes, that day will come!

Conde McGinley has made many sacrifices for the Saviour, whom he serves so well, for his country, which he loves dearly, and for you dear friends, who have more to lose than he has. Will you help him now by storming heaven with your prayers in his behalf?
